

RESOLUTION NO. 41751

BY REQUEST OF MAYOR WOODARDS AND COUNCIL MEMBER WALKER

A RESOLUTION setting Tuesday, October 28, 2025, upon completion of Regular Agenda Items, no earlier than 5:15 p.m., as the date for a public hearing by the City Council on the proposed Tideflats Subarea Plan, as recommended by the Tideflats Steering Committee, and related amendments to the One Tacoma Plan and Tacoma Municipal Codes Title 13 Land Use Regulatory Code and Title 19 Shoreline Master Program, as recommended by the Planning Commission.

WHEREAS Tacoma Municipal Code ("TMC") 13.05.030.D, which requires the City Council to hold at least one public hearing on the adoption of the Tideflats Subarea Plan ("Plan") and proposed amendments to TMC Title 13 Land Use Regulatory Code and Title 19 Shoreline Master Program, and

WHEREAS the Plan is a shared long-term vision supported by goals and policies that provide a roadmap to achieve the vision, and is intended to create a more coordinated approach to development, environmental review, and strategic capital investments in the Tideflats, and

WHEREAS the Plan was developed through intergovernmental collaboration and community engagement and is guided by the vision and guiding principles that came out of this process, and

WHEREAS the five participating governments who co-developed the Plan with community are: City of Tacoma, Port of Tacoma, Puyallup Tribe of Indians, City of Fife, and Pierce County, and

WHEREAS the Plan's vision, goals, and policies support economic prosperity, strengthens existing center assets, expands transportation choices, and improves environmental quality, and

WHEREAS the Tideflats Steering Committee ("Committee") members unanimously recommended the draft Plan on December 5, 2024; specific aspects include:

- (1) Balancing industrial success with environmental restoration: Plan policies called for coordinated actions and investments to restore ecosystems, improve water quality, and protect biodiversity alongside industrial development;
- (2) Indigenous values: The Plan honors both the natural and cultural landscapes of the region. Policies and action recognize the Puyallup Tribe's rights and interests in the Tideflats and ensure that any development respects their cultural, economic, and environmental connections to the land;
- (3) Comprehensive climate action: The Plan's policies integrate climate resilience strategies, with specific actions around decarbonization goals, adaptive measures for sea-level rise, and restoration of natural habitats;
- (4) Economic and industrial adaptation: The Plan supports economic flexibility by preserving core industrial uses and encouraging industries that meet environmental goals and facilitate innovation in clean energy. It demonstrates how a world class Port can thrive alongside growing urban neighborhoods;
- (5) Transportation and infrastructure innovations: The Plan takes a holistic approach to transportation infrastructure, promoting proactive investments in multimodal transportation systems that support both the industrial sector and the surrounding community. It also incorporates green infrastructure solutions to

mitigate pollution and improve the urban landscape as well as public access to the waterfront; and

(6) Collaboration and stakeholder engagement: The Plan was developed through a seven-year long collaborative process that set up ongoing dialogue among local governments, tribes, businesses, and residents, fostering shared accountability and coordinated problem-solving for long-term implementation, and

WHEREAS following the Committee's recommendation, the Planning Commission conducted a public hearing on both the Plan and related amendments to the One Tacoma Plan, Land Use Regulatory Code, and Shoreline Master Program, and

WHEREAS the Commission concluded their review on July 16, 2025, and forwarded their recommendations to the City Council, and

WHEREAS, pursuant to TMC 13.02, the City Council is required to conduct a public hearing before enacting any amendments to the Land Use Regulatory Code; Now, Therefore,
