

Cushman & Adams Substations Future Use Study VISIONING WORKSHOPS

City Council Update
March 24, 2020

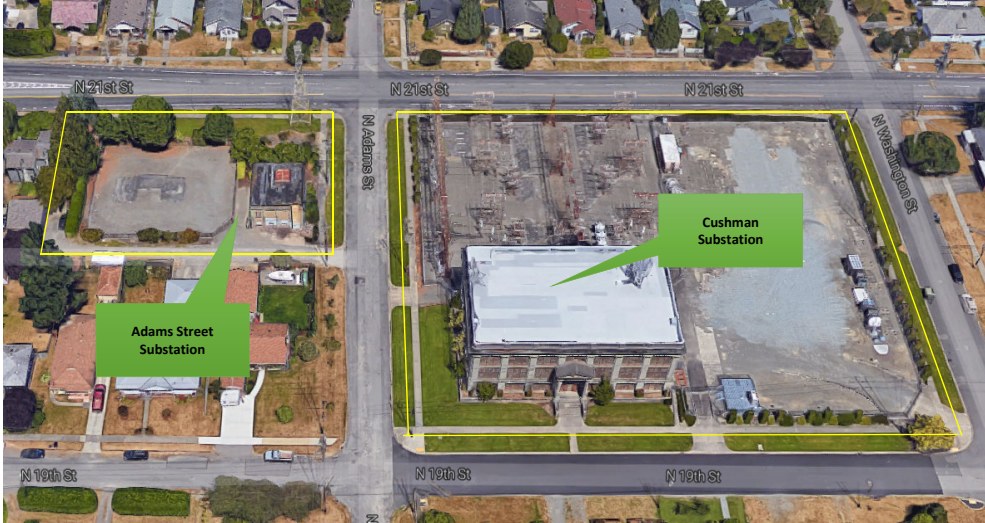

VISIONING WORKSHOPS

Overview

- Inviting creative ideas from the community
- Adjusted timeline and approach
- Leveraging small stakeholder group discussions
- Deploying robust online engagement tools
- Offering alternate input methods for people without computers

Cushman/Adams Study Area

Policy Framework

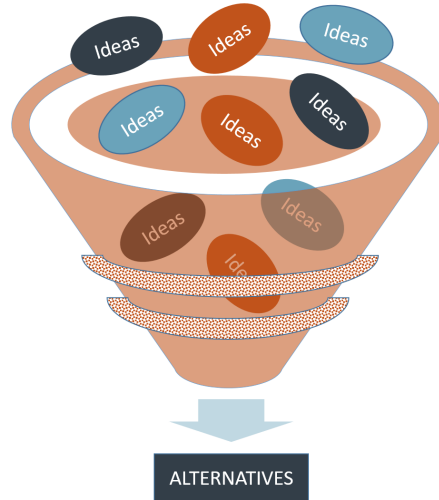

Objective: Support a future Council/Board decision regarding reuse

- Transparent, open public process
- Timely and feasible reuse
- Historic significance
- Equity and access to opportunity
- Neighborhood enhancement
- Public space/amenities
- Affordable housing

●●● From Ideas to Scenarios

FUTURE USE STUDY PROCESS

1. **VISIONING WORKSHOPS:** Ideas and opportunities are generated
2. **SCENARIOS WORKSHOPS:** Scenarios are shaped from ideas
3. **FILTERING:** Market analysis and technical evaluation of scenarios
4. **OUTPUTS:** Alternatives for decision-making and additional feasibility analysis

5

●●● Engagement with Social Distancing

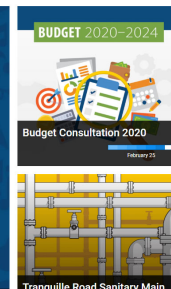

- Getting the Word Out
 - Mail, email, web, media notice
 - Collaborate with North End NC
- Gathering Input
 - Online open house events (pictures and videos)
 - Online surveys: Gathering input on precedents, visual preference polling
 - Livestream workshops
 - Focus group (remote participation)
 - Phone call option for comments

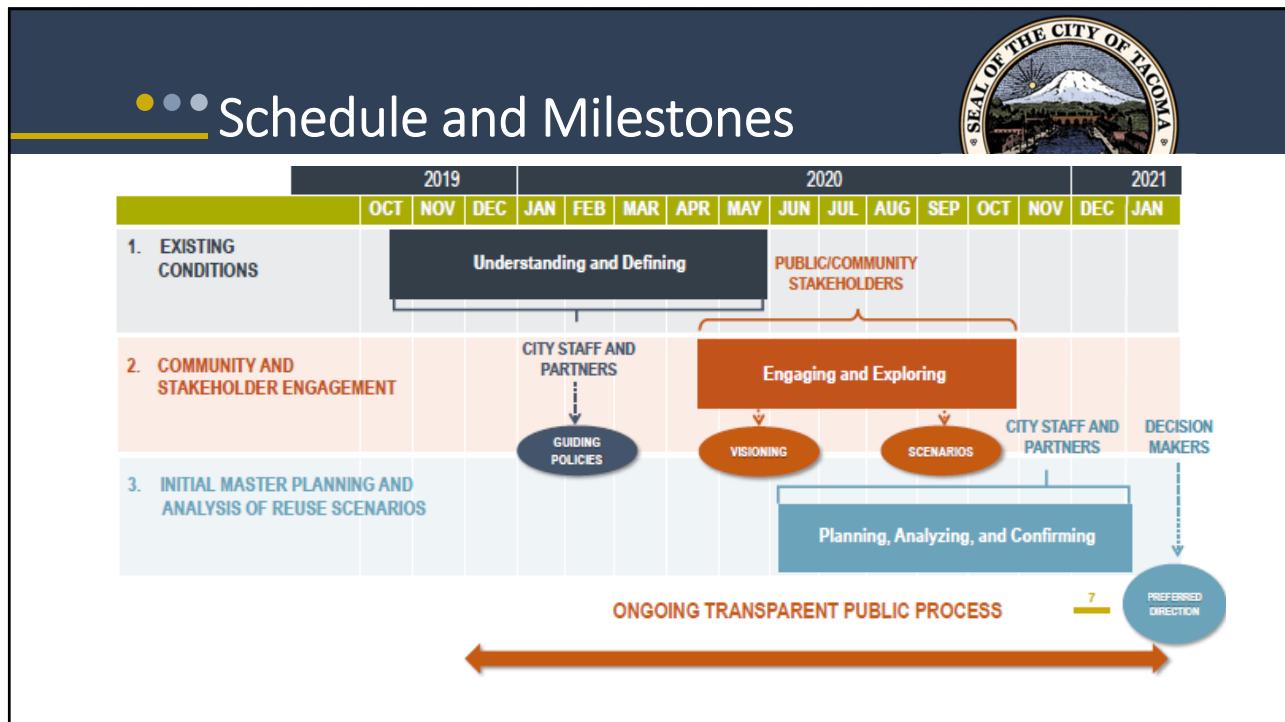

Share Your Voice. Shape Our City.

Welcome to Let's Talk Kamloops, the City of Kamloops' online engagement site where you can contribute your ideas and feedback on City matters. We want to empower you, our residents, to be more active in shaping your community and future. We will listen to what you say, take your opinions into account, and report back to you on how community input contributes to City projects.

Example of a robust online engagement platform
