* * * * *

MOTION: Council Member Beale moved that, following passage of Ordinance No. 28619, extending the Tideflats Interim Regulations, and prior to Council's next consideration of extending those regulations, that the City Manager direct Planning staff to establish a method by which the quantity and type of fossil fuels and bio-fuels produced, refined, stored in, and distributed through the City of Tacoma can be determined, and periodically reported to the Council and Mayor. The City Manager should further direct staff to establish a method to gather information on specific fossil fuel facilities in the City of Tacoma, including changes of ownership, mergers and acquisitions, investor presentations and reports, or other public information that may indicate a facility's interest or intent to expand in the future, taking into account broader market trends in oil and gas refining and export in the Pacific Northwest. If this method does not require the consideration of additional City Council legislation, the method would be implemented, and the data furnished to the City Council on a periodic basis, depending on the frequency of availability of data.

SECONDED BY: Mayor Woodards.
