

**SUBSTITUTE
ORDINANCE NO. 28437**

1 BY REQUEST OF DEPUTY MAYOR THOMS AND COUNCIL MEMBER LONERGAN
2 AN ORDINANCE relating to public health and safety; amending Chapter 11.05 of
3 the Tacoma Municipal Code by amending Section 11.05.231 thereof to
4 modify the prohibitions on the use of vehicles for human habitation; and
5 declaring an emergency, making necessary the passage of this ordinance
6 and it becoming effective immediately.

7 WHEREAS, in March 2016, the City Council amended Section 11.05.231 of
8 the Tacoma Municipal Code ("TMC"), relating to human habitation of vehicles, to
9 provide a clearer definition of "habitation," and further, extended the prohibition
10 period from 24 hours to seven days in order to allow for more outreach efforts to
11 connect individuals with available services, and

12 WHEREAS, since that time, the City has identified challenges with
13 enforcement, especially with regard to the time limitations and addressing
14 unoccupied vehicles, and

15 WHEREAS, in May 2017, the City declared a state of emergency due to the
16 growing public health concerns associated with an increase in the number of
17 homeless and unsheltered individuals in the City, who, on any given night, can be
18 found sleeping in parks, cars, abandoned buildings, under highway overpasses,
19 and in other places not fit for human habitation, and

20 WHEREAS the increase of homeless encampments and higher
21 concentrations of individuals living in cars or other areas in places not meant for
22 human habitation is having a significant impact on public health and safety, as
23 there are inadequate sanitation and disposal facilities, which can have a high
24
25
26

1 potential for community health impacts, endangering the health of the occupants
2 as well as the surrounding community and neighborhoods, and

3 WHEREAS conditions experienced by unsheltered individuals may include
4 accumulation of uncontained garbage that becomes a food source for vermin,
5 vectors (organisms that transmit diseases or parasites) and related pathogens;
6 lack of proper food storage and clean dishes that can facilitate the spread of food-
7 borne disease; lack of sanitary facilities to dispose of human and animal fecal
8 waste; improper disposal of discarded medical and sharps waste; accumulation of
9 combustible materials that can ignite; lack of access to handwashing and personal
10 hygiene; lack of clean water; and the victimization of homeless persons by both
11 sheltered and non-sheltered persons, and

12 WHEREAS Neighborhood and Community Services Department staff, in
13 consultation with the Tacoma Police Department, is recommending the following
14 changes to TMC 11.05.231:
15

- 16
- 17 • Specify that enforcement efforts relate to the improper use of a vehicle, as
18 opposed to penalizing the person. This provides greater clarity for law
19 enforcement and other personnel.
 - 20 • Incorporate a presumption that the registered owner is responsible for the
21 improper use of the vehicle, which will assist on-scene enforcement efforts if
22 a vehicle is unattended.
 - 23 • Reduce the time permitted for use at any one location from 7 days to
24 72 hours. This is intended to lessen the impact on the surrounding
25 communities, as opposed to the current time frame.
 - 26 • Add a minimum distance required for an unlawful vehicle to be moved from
the spot of violation, specifically ~~one-half of~~ one mile. This change helps
resolve the challenges of an inherent permanent ban, which is impracticable
for enforcement purposes.

- ~~Reduce the severity of the penalty from a Class 1 to a Class 3 civil infraction (a reduction from \$250 to \$50), in recognition of the financial burdens created by a monetary penalty. WHEREAS these changes are being recommended in connection with the state of emergency that was declared by the City Council pursuant to Ordinance No. 28430 in order to mitigate the public health conditions associated with the homelessness crisis impacting the City of Tacoma; Now, Therefore,
