Proposed sale of a 0.63 acre parcel of land located at 7704 6<sup>th</sup> Avenue, Tacoma, Washington.

A public meeting has been scheduled regarding a proposed sale to David A. Sizemore of property owned by the City of Tacoma, Tacoma Public Utilities, Water Division (d.b.a. Tacoma Water).

Tacoma Water originally acquired the property in 1965 in order to construct a low service reservoir in anticipation of area growth; the infrastructure was never needed nor was the parcel utilized. Conveyance of this property will not adversely affect continued efficient utility service.
