Honorable Mayor Strickland and
Members of the City Council

SUBJECT: Citizens' Initiative Measure No. 6 Petition – Save Tacoma Water

Please be advised that the Pierce County Auditor has found that the petitions submitted by the "Save Tacoma Water" group contained the necessary 3,160 signatures which have been verified as to sufficiency. In accordance with City Charter Section 2.19(i) the number of signatures represents 10 percent of the total number of votes cast in the last election for the office of the Mayor (November 2013).

Attached is a copy of the letter from the Pierce County Auditor's Office, confirming the number of valid signatures on the petition. I have also included a copy of the initiative petition filed in this office and a copy of the section from the City Charter relating to the initiative petition process.

In accordance with Section 2.19 of the City Charter of the City of Tacoma, I submit this matter to you.

Respectfully submitted,

Doris Sorum
City Clerk
