**STRATEGIC POLICY PRIORITY:**

This project will foster neighborhood, community, and economic development vitality and sustainability by providing 154 market rate housing units within a designated mixed use center.

**BACKGROUND:**

Proctor Investors, LLC is proposing to develop 154 new market rate rental units in the Proctor Mixed use Center as described in Exhibit “A” to the Resolution. The Community and Economic Development Department has determined that the proposed project qualifies for the 8 year multi-family housing property tax exemption. **ISSUE:**

This action would approve the tax exemption through the attached proposed agreement.

**ALTERNATIVES:**

If the resolution is not adopted, the tax exemption will not be granted and the developer has stated that the exemption is necessary to make the project feasible.

**RECOMMENDATION:**

Staff has reviewed the application and has determined that the proposed project qualifies for the 8 Year Multifamily Housing Property Tax Exemption. Staff recommends the Council approve the resolution.

**FISCAL IMPACT:**

The value of the land would continue to be taxed. The City’s portion of the current tax for land is approximately \$2,400. The City’s portion of the tax to be exempted for the proposed structure is estimated at \$78,500 annually. The project will generate higher revenues for the City at the end of the eight year agreement.
