The Carrier shall generally encourage equal access to training opportunities to the extent that operational requirements of Tacoma Rail permit. The Union shall be given an opportunity, upon request, to offer suggestions to the Carrier on ways to improve access to training opportunities.

This provides for Seniority Rights, subject to the City's legal and contractual obligations. The Carrier agrees that Civil Service examinations shall be held on a promotional basis for all other than entry-level positions from among current employees who meet the minimum qualifications. The Carrier is not restricted from also holding the examination for the above positions on an open basis when necessary to obtain a sufficient number of qualified eligibles. The following terms and conditions shall apply:

- A. Training Program - All Tacoma Rail employees who voluntarily apply and are accepted to participate in the training program shall retain and continue to accrue seniority previously established.
- B. The Union agrees to designate a training coordinator to facilitate the training of candidates. The Carrier must concur with the employee who is designated as training coordinator. An employee assigned this function will be paid one hour of straight time pay for each day so assigned.

- D. Rates of Pay - Candidates accepted into the training program shall be paid at their current level of pay while they are being trained.
- E. Candidates who have successfully completed training must protect the last craft for which training was completed.
- F. The training program will be a minimum of six (6) weeks in length with daily evaluations. At the completion of the program, the Carrier will provide a pass/fail notice to the employee.
- G. Once a candidate has successfully completed the training program, a 125-work shift probation period begins. Evaluations will be conducted throughout the probation. After probation completion, a permanent appointment to the classification may be made.
- H. Unless the Carrier waives this provision, a candidate may only participate in the training program one time for any craft.

Section 16.1 - General Requirements

- A. It is understood that the parties hereto are also governed by provisions of the Federal Railway Labor Act (RLA), and with respect to disciplinary matters it is agreed that discipline (set forth below) is intended to comply with the RLA and shall be exclusively applied, Civil Service Rule 1.24.950 and 1.24.955 notwithstanding.
- B. An employee shall not be discharged, suspended or otherwise disciplined without just cause and without a fair and impartial hearing as provided under the RLA, except that an employee may waive a hearing in accordance with Section 16.2.B.1. Nothing herein shall restrict the Carrier from having informal conversations with employees as part of a preliminary fact finding activity prior to a Formal Hearing.
- C. An employee shall not be held from service pending a hearing except in serious cases, such as theft, altercation, Rule "service" violation, insubordination, major accidents, serious misconduct and major offenses whereby the employee's retention in service could be hazardous. Suspension pending a hearing will not be considered as prejudicial to the employee and will be used sparingly by the Carrier.

Section 16.2 - Formal Hearing

A. Notice of Hearing

- 1. An employee directed to attend a formal investigatory hearing to determine the employee's responsibility, if any, in connection with an occurrence or incident shall be notified in writing within a reasonable period of time but not to exceed ten (10) days from the date of occurrence or, where the occurrence is of a nature not immediately known to the employee's supervisor(s), from the time they first have knowledge thereof. The notice of hearing will be mailed (Certified Mail, Return Receipt Requested) or hand-delivered to the employee within ten (10) days of the Carrier's first knowledge of the act or occurrence. The notice shall contain a clear and specific statement of

the date, time, place and nature of the occurrence or incident that is to be the subject of the hearing. Carrier shall provide the Shop Steward a copy of the signed notice.

2. The notice shall state the date, time and place the hearing is to be held which shall not be less than five (5) days after the date of notification or more than ten (10) days after the date of notification unless otherwise agreed to.
3. The Carrier will have the responsibility of producing sufficient witnesses to develop the facts concerning the incident or occurrence being investigated and the notice of hearing shall include the name of each person receiving the notice and the names of all witnesses known at the time of the notice that the Carrier intends to have in attendance at the hearing. The employee or the employee's representative may bring to the attention of the responsible Carrier official the name or names of other witnesses who may provide facts.
4. The notice shall inform each employee so notified of the right to representation and to bring in witnesses.
5. If an employee who is to receive a notice of hearing will not be permitted to exercise the option under Section 16.2.B, the notice of hearing shall so specify.

B. Waiver of Hearing

1. An employee who has been notified to appear for a hearing shall have the option, prior to the hearing, to discuss with the appropriate Carrier official, either personally through or with the employee's representative, the act or occurrence and the employee's responsibility, if any. If disposition of the charges is made on the basis of the employee's acknowledgement of responsibility, the disposition shall be reduced to writing and signed by the employee and the official involved and shall incorporate a waiver of hearing and shall specify the maximum discipline which may be imposed for employee's acceptance of responsibility. Disposition of cases under this paragraph (1) shall not establish precedents in the handling of any other cases.
2. No minutes or other record will be made of the discussions and, if the parties are unable to reach an agreed upon disposition on this basis, no reference shall be made to these discussions by either of the parties in any subsequent handling of the charges under the discipline procedure.

C. Postponements of Hearing

1. Consistent with the provisions of Section 16.2 for a fair and impartial hearing, postponements of the formal hearing may be requested by either party on reasonable grounds and consent shall not be unreasonably withheld.

D. Conduct of Hearing

1. The hearing shall be conducted by an officer of the employing Carrier who may be assisted by other officers. If practicable to do so, the hearing shall be held at the home terminal of the employee involved or in cases where more than one employee is involved, at the home terminal of the majority of the employees.
2. NOTE: When another Carrier is involved, this will not preclude an officer of that Carrier from conducting the hearing or assisting in the hearing recognizing, in any case, that there shall be only one presiding (hearing) officer.

3. The employee shall have the right to be represented at the hearing by an employee or an organization representative of the employee's own choosing. The employee and/or the employee's representative shall have the right to introduce witnesses in the employee's behalf, to hear all testimony introduced, and to question all witnesses.
4. An employee's personal service record will not be included in or referred to in the hearing or in the transcript of the proceedings of the hearing. The employee's personal record may be taken into consideration in assessing the amount of discipline imposed, if any.
5. If the formal hearing is not held within the time limits specified in Section 16.2, the employee will not be disciplined, will be paid for all time lost, and no disciplinary entry will be made in the employee's personal service record.
6. The employee and witnesses will be permitted time off if requested in order to have sufficient rest prior to and following the hearing.

Section 16.3 - Transcript of Hearing It is recognized that the Carrier is responsible for ensuring that an accurate transcript of the hearing proceedings is made. However, this will not preclude the employee or employee's representative from making a record of the proceedings for their own use.

If during the hearing, a partial transcript is made prior to conclusion of the hearing, such partial transcript will be made available to the employee and employee's representative upon request. If electronic recording devices are used and recordings are available for review by Carrier officials, they also shall be made available upon request for review by the employee and employee's representative at appropriate Carrier facility.

In any case where discipline is assessed, or in cases where discipline is not assessed but nevertheless there is a transcript, copy of the transcript will be furnished to the employee and the employee's representative promptly upon request.

Section 16.4 –Hearing Decision

- A. If the formal investigatory hearing results in assessment of discipline, such decision shall be rendered within fifteen (15) calendar days from the date the hearing is concluded, and the employee will be notified in writing of the reason therefore by mail (certified or registered U.S. mail) or hand delivered with an additional copy provided for the Shop Steward.
- B. Employees must be notified within fifteen (15) calendar days from the date the hearing is concluded if no discipline is being assessed, and any charges related thereto shall be removed from the employee's personal service record.

Section 16.5 - Compensation for Attending Hearings

- A. Witnesses, as referred to in Section 16.2 A and B, who are directed by the Carrier to attend a hearing, shall be compensated for all time lost and, in addition, will be reimbursed for actual, reasonable and necessary expenses incurred for each day of the hearing. Where no time is lost they will be paid for actual time attending the hearing, with a minimum of four (4) hours, to be paid for at the rate of pay applicable to the last service performed.

- B. If the hearing is conducted continuous with completion of the working shift, or is started not to exceed one (1) hour after completion of the shift, or if begun not to exceed one (1) hour in advance of starting time of shift, work and hearing shall be combined and paid for on a continuous basis.
- C. If hearing is conducted during working shift, no additional payment will be made for attending hearing.
- D. When an employee involved in a formal hearing is not assessed discipline, the employee shall be compensated for all time lost. In addition, the employee will be reimbursed for actual, reasonable and necessary expenses incurred for each day of the hearing. Where no time is lost the employee shall be paid for actual time attending the hearing with a minimum of four (4) hours for each day of the hearing, to be paid for at the rate of pay applicable to the last service performed.

Section 16.6 - Time Limit on Appeal

For purposes of this Article 16, time limits shall be governed as follows:

- If hand-delivered, the day following the date the employee or Carrier officer signs for the letter shall be considered day one (1).
 - If certified, return receipt mail is used the day following the postmark date shall be considered day one (1).
- A. If the finding of the hearing is that the employee is at fault, appeal of discipline assessed must be made within sixty (60) days of the date of the discipline notice. Such appeal must be made in writing by the Business Representative or Shop Steward to the Superintendent, Carrier's highest designated appeals officer. Conference must be scheduled within ten (10) days of the Carrier's receipt of the appeal and be held within thirty (30) days unless an extension is mutually agreed to by the parties.

Written response to the appeal will be issued within thirty (30) days from the date of the conference. If the decision of the Carrier on appeal is in favor of the employee, the employee will be paid in accordance with Section 16.5. If the appeal is denied, that decision will be final and binding unless within six (6) months of such denial the case is disposed of on the property or proceedings for disposition of the case are instituted by the IAM & AW before a tribunal (Public Law Board, Special Board of Adjustment or National Railroad Adjustment Board) having jurisdiction by law or agreement.

- B. With respect to appeals involving an employee dismissed, suspended or held out of service, the original notice of request for reinstatement with pay for time lost shall be sufficient to establish the claim pursuant to the provisions of Section 16.6 of this Agreement.
- C. If at any point in this appeals procedure or in proceedings before a tribunal (Public Law board, Special Board of Adjustment or National Railroad Adjustment Board) having jurisdiction, it is determined that the employee should not have been disciplined, any charges related thereto entered in the employee's personal service record shall be removed and, if required to lose time or if held out of service (suspended or dismissed), the employee shall be reinstated with pay for all time lost and with seniority and other rights unimpaired.
- D. If discipline assessed is by suspension, time lost by an employee when held out of service shall be deducted from the assessed period of suspension.

Section 16.7 - Effect of Time Limits

- A. The time limits and other processes set forth in this Article will govern the discipline procedure to the exclusion of any other rule, practice or agreement to the contrary. Time limits may be extended by mutual agreement in writing.

ARTICLE 17 – GRIEVANCE PROCEDURES

For purposes of this Article 17 – Grievances the term “day” refers to a calendar day.

Section 17.1 Grievance is hereby defined as an alleged violation of a specific provision or provisions of this Agreement submitted by or on behalf of the employee involved to the Carrier authorized to receive same, the grieving party to the other party within sixty (60) days of the alleged violation, or the date on which the grieving party should reasonably have known of the alleged violation. It is the purpose of this clause to provide the employees and the Union with an orderly and effective means of achieving consideration of any grievance which may arise during the life of this Agreement. For this purpose, the following steps are agreed upon as the appropriate order of contact:

Step 1 Employee raises grievance with their immediate supervisor or Union representative raises grievance with the Carrier official most immediately involved (written communication not required).

Step 2 The employee and/or their Union representative shall, as soon as possible but not later than sixty (60) days after an employee could reasonably know of the occurrence giving rise to the grievance, reduce the matter to written form, stating all facts in detail, citing section or sections violated and proposed remedy, and submit same to immediate supervisor, or the Carrier official most immediately involved. The supervisor or official shall within sixty (60) days, record their disposition in written detail, returning same to the Union representative and the employee.

Step 3 Failing to resolve the grievance in the second step, the Union representative shall, within sixty (60) days of receipt of the supervisor’s disposition take up the matter with the Tacoma Rail Superintendent, or their designated representative (with a copy to the City’s Labor Relations Office). Management shall, within sixty (60) days of receipt of the grievance, and after consulting with the Human Resources Director or their designated representative, respond in writing to the Union representative and employee. If the matter is not satisfactorily settled or adjusted in this stage, the grievance may be submitted to arbitration.

Section 17.2 Grievances not resolved may be referred to the following processes by the Union. Within sixty (60) days following completion of the steps listed, the Union shall give notice of its intention to pursue disposition of the grievance before a tribunal (Public Law Board, Special Board of Adjustment or National Railroad Adjustment Board) having jurisdiction by law or agreement, that has been agreed to by the parties hereto as provided in Section 3 of the Railway Labor Act. Any decision by the tribunal shall have no power to add to, subtract from, or alter, change, or modify the terms of this Agreement, and their power shall be limited to interpretation or application of the terms of this Agreement.

Each party shall bear the expense of its own costs of preparing and presenting its own case, including compensating its own representatives, witnesses, and attorney’s fees. The Union and the Carrier shall share equally in the cost of services from the neutral arbitrator or tribunal. If either party desires a record of the proceedings, it shall solely bear the cost of such record.

ARTICLE 20 – TERM OF AGREEMENT
