SUBJECT: Council Contingency Fund Request: \$10,000 to support the 2019 Interfaith Women's Conference
DATE: September 11, 2018

ITEM/ISSUE PROPOSED FOR COUNCIL CONSIDERATION:

I ask for your support for the inclusion of the following item on the agenda at the earliest available meeting of City Council:

I respectfully request City Council concurrence to direct the City Manager to allocate up to \$10,000 from the City Council Contingency Fund to support the 2019 Interfaith Women's Conference that will feature author and child safety advocate Elizabeth Smart.

BRIEF BACKGROUND:

The Interfaith Women's Conference began in 2017 as a biennial conference hosted by Associated Ministries to bring together women to experience the power of unity and to strengthen the community. The conference provides women with a forum to explore ways to work together to assist more people in need. Conference organizers are dedicated to engaging all women—those who are affiliated with a particular religious tradition as well as those of no specific faith.

Speaker Elizabeth Smart is a survivor of child abduction. After being held in captivity for nine months by her abductors, Elizabeth has gone on to use her traumatic experience to advocate for changes needed in child abduction, recovery programs, and national legislation. Elizabeth has also helped promote The National AMBER Alert, The Adam Walsh Child Protection & Safety Act and other safety legislation to help prevent abductions. Through her story, she shares what it takes to overcome trauma and encourages those who have gone through similar experiences to find the strength needed to reclaim one's life. Conference organizers are working with the Crystal Judson Family Justice Center and the YWCA to distribute free tickets to a number of domestic violence survivors to attend and have a brief meet-and-greet with Elizabeth Smart following her presentation. The provision of these free tickets is supported by the event funding.

Overall, this funding is an investment in strengthening connections between diverse groups, increasing the ability of residents throughout the city to engage in public service, and providing a healing resource to those who have been impacted by trauma so that they may rise to their full potential.
