SUBJECT: Ordinance – Adopting Minor Plan and Code Amendments – August 8, 2023
DATE: July 24, 2023

SUMMARY AND PURPOSE:

An ordinance amending various chapters and sections of the Comprehensive Plan and Tacoma Municipal Code to improve clarity, address errors, keep information current, and ensure consistency with other laws and regulations, as recommended by the Planning Commission as part of the 2023 Amendment to the Comprehensive Plan and Land Use Regulatory Code.

BACKGROUND:

The 2023 Annual Amendment to the One Tacoma Comprehensive Plan and Land Use Regulatory Code (2023 Amendment) includes the following six applications: (1) an amendment to the Future Land Use Map in the One Tacoma Comprehensive Plan for the Mor Furniture site, (2) an amendment to the Land Use Regulatory Code pertaining to electric fences, (3) an amendment to the Land Use Regulatory Code pertaining to shipping containers, (4) an amendment to the Land Use Regulatory Code pertaining to delivery-only retail businesses, (5) an amendment to the Land Use Regulatory Code pertaining to commercial zoning, and (6) minor amendments to the Comprehensive Plan and Land Use Regulatory Code. This ordinance pertains to the minor plan and code amendment application.

This application, as recommended by the Planning Commission, includes seven technical amendments to the One Tacoma Comprehensive Plan and the Tacoma Municipal Code (TMC) that are intended to maintain consistency with state and local laws, correct minor errors, address inconsistencies, keep information current, and clarify and improve provisions that, through implementation of the plan and the code, are found to be unclear or not fully meeting their intent.

The Planning Commission completed its review of the 2023 Amendment through an extensive and inclusive public engagement process, including a public hearing on April 5, 2023. The Commission forwarded to the City Council, and filed with the City Clerk’s Office, the Planning Commission’s Findings of Fact and Recommendations Report for the 2023 Amendment along with a letter of recommendations, both dated May 17, 2023. The report documents the public review and community engagement process and the Commission’s deliberations and decision-making concerning the six applications. The Planning Commission recommended that the City Council adopt the seven minor amendments to the Comprehensive Plan and TMC. The Commission’s recommendations are consistent with the Growth Management Act, the One Tacoma Plan, Tacoma 2025, and the City’s health, equity and sustainability policy.

Pursuant to TMC 13.02.070.I.1, the City Council shall hold a public hearing before enacting any proposed amendments to the Comprehensive Plan and TMC. The City Council has fulfilled said requirement by conducting a public hearing on June 27, 2023, concerning all six applications for the 2023 Amendment.

COMMUNITY ENGAGEMENT/ CUSTOMER RESEARCH:

The City Council public hearing provided an opportunity for concerned citizens to weigh in, and the City Council to engage with the community, on the 2023 Amendment. In advance of the public hearing, planning staff reached out to identified stakeholders (e.g., neighborhood councils, civic organizations, neighboring jurisdictions, Puyallup Tribe, Joint Base Lewis McCord, and business and property owners near the various project sites), conducted community informational meetings, maintained a project website, and mailed notices to residents within 2,500 feet of affected site and posted notices on the project website, newspapers, and social media.
