Community and Economic Development Department

## **Proposed Recommendations for the 2018-2019 Annual Action Plan to the Consolidated Plan**

Each year, the City receives federal Community Development Block Grant (CDBG), HOME Investment Partnership (HOME) and Emergency Solutions Grant (ESG) funds from the U.S. Department of Housing and Urban Development (HUD). These funds are to be used for housing, community and economic development activities, and for human services as spelled out in the Annual Action Plan (AAP) to the Consolidated Plan.

The Tacoma Community Redevelopment Authority (TCRA) and Human Services Commission (HSC) have completed their deliberations for the 2018-2019 Consolidated Plan Annual Action Plan.

For fiscal year 2018-2019, Tacoma anticipates funding that includes \$2,242,344 new allocation in CDBG funds. The Tacoma/Lakewood Consortium anticipates receiving \$964,831 HOME funding which is divided between Tacoma and Lakewood (Tacoma's portion is estimated to be \$751,603); the result of a 1999 agreement between Tacoma and Lakewood to form a HOME Consortium. Each city receives a separate CDBG entitlement grant.

Tacoma also anticipates receiving Emergency Solutions Grant (ESG) funds in the amount of \$202,381. ESG recommendations are made by the Human Services Commission.
