Nicole Worley	Renton, WA	2019-04-04	"My property taxes went up..... but theres still hookers working the neighbourhood.. cops wont come when called.. its sad.."
George Bolles	Tacoma, WA	2019-04-04	"Don't forget. Along with this message it is time to act at the voting booth. We can take back our streets if we stand together."
George Bolles	Tacoma, WA	2019-04-04	"Hang tough Nicole. We are joining together to stand and fight."
ERICA MCBRIDE	Tacoma, WA	2019-04-05	"I don't feel safe in my neighborhood, it is crawling with druggies who are trying to steal anything and everything. The current laws are not enforced, the means to report crime does not work. Our city and county leaders act as apologists for the people who choose to steal and destroy our neighborhoods. It needs to stop, we as a society need to hold our leaders accountable for allowing the damage being done to our cities and neighborhoods."
Elizabeth Danner	Parkland, WA	2019-04-05	"For the safety of those vulnerable... children, seniors, under privilege...."
Christopher Travis-Lomax	Tacoma, WA	2019-04-05	"I can't really add anything that hasn't already been said. The crime is rampant and our CLO has yet to even return a call that was made to him 6 months ago to ask for assistance. This neighborhood seemed nice when I bought my house here about 2 years ago, but within a week of my moving in, my car was broken into, my wife had been threatened, and we had mail stolen from our box. I'm not surprised that people are moving away from here on a regular basis."
Sandra Ford	US	2019-04-05	"I'm so tired of the crime in the South East Neighborhoods, it seems to me that The City of Tacoma don't care about us or our RIGHTS! We pay taxes just like the North End and Old Town. We have RIGHTS TOO! our Rights are being under attack by gangs, property crime and druggies! They are not HOMELESS People! WE have a DRUG Problem!!!! thus all the crime that fallows. People are afraid to leave their homes! The Laws need to change! What about our RIGHTS?"
Brandi Torres	Tacoma, WA	2019-04-05	"I have had a lot of theft on my street and at my house. Our neighborhood has many homes with special needs and handicap individuals so it feels too much like we are being preyed on! I don't let my kids play outside, and I will be glad to move away from the crime!"
Margaret Green	Spanaway, WA	2019-04-05	"I'm signing because I am frustrated by what I see. The filth that is left everywhere. It is frightening to take my grandchildren to the parks for fear of them finding needles or someone addicted to drugs out of their mind urinating in the open. These people need to be detoxed and then put in treatment long term with some kind of follow up. And yes they still need to be held accountable for the crimes they commit while out of their mind on drugs. These people need help that they obviously can not get on their own. Yes it costs money. When they are cleaned up put them in a mandatory work program to pay for their treatment. There are hundreds of ways to

			help these people, while the rest of us benefit from them getting better as well. Our streets, our homes our parks all become clean and safe again when we help them get clean and safe again."
John Bennett	Tacoma, US	2019-04-05	"I don't want to see what has happened to Seattle happen here but we are in the early stages of it already. It can be prevented and we can take our streets back. Personally, I was tired of sitting on my ass on not doing anything. We need everyone who cares about crime, filth, property, safety, children....the list goes on an on. Just get off your butts like we all have done here and make some noise! Don't wait for someone else to do it."
David Chromey	Olympia, WA	2019-04-06	"I have relatives that lives in the area and they're telling me it's getting worse"
Stacey Roberts	Spanaway, WA	2019-04-06	"Stacey Roberts"
Kari Elliott	Tacoma, WA	2019-04-06	"I moved to Tacoma to escape the influx of crime and homelessness in Seattle which had eventually pushed me as far north as Everett. I have loved living in this city and had hopes that the policies and progressive attitudes would extend to all the Tacoma communities. It confounds me to hear the roadblocks to protecting homeowners and law abiding residents rights to safe, clean and strategically policed neighborhoods. We fought persistent squatters and home invasions on our block for several years because the hands of law enforcement are tied by laws that do not protect, but rather prevent police from apprehending transients and squatters even when they trespass into abandoned or unoccupied homes. While I am sensitive to the safety of our law enforcers, being told that the description of the person who just broke into a home matched the majority or those that they receive and therefore they would not follow up, was frustrating to say the very least. When the rights of the lawbreaking few outweigh the rights"
Julie McGillivray	Tacoma, WA	2019-04-07	"This has been my neighborhood for 36 years. It's worth saving."
Mitch Colvin	US	2019-04-07	"Tacoma has already forgotten the violence it had centered in Hilltop during the late 80s and early 90s. Police quit responding to calls until the Ash Street Shootout in 1989 between the Crips and the Army soldiers who lived across the street. Is it going to take another national embarrassment for the city to respond to crime again?"
Ann Goetz	Lakewood, WA	2019-04-07	"I have lived here almost 6 years and in that less time I have seen things get worse."
Dana Horst	Tacoma, WA	2019-04-07	"Crime is spreading like wildfire but as quick as it spreads as fast as our population grows the Sheriff's department hasn't been able to grow with it. Cost of living has driven more and more out to the area either in homes/ apartments or as homeless but the county has not prepared for this growth that will only continue its time to catch up it'll only get worse in all aspects."
Nancy Bentley	Tacoma, WA	2019-04-07	"Everywhere we go in Tacoma is riddled with drug addicts and homeless due to addiction. I feel bad for the ppl in the vicious cycle. But my grandchildren go to school and see things. Our state

			representatives are elected to serve us as their voters and do something about it. Car chances go on regularly with stolen cars. Tacoma isn't very pretty anymore."
Donna Mornick	Spanaway, WA	2019-04-08	"Something needs to change!!"
Debbie Fifer	tacoma, WA	2019-04-08	"I have worked too hard to get what I have. The crime and filth that is invading our neighborhoods needs to end. There is a solution but only if people work together."

Elizabeth Schuler	Seattle, WA	2019-04-08	"I want to have Seattle be the place I grew up in"
George Rottinghaus	Puyallup, WA	2019-04-08	" My father built the house I live in the year I was born. I lived in this home most my life and bought it from my father when I was 35 years old. I got married had a child and have been raising her there as well. In the last 2 months we have had an attempted break in while my wife was home and packages stolen from our porch. I had my gas tank in my truck punctured. So tired of these crimes affecting me and my community. I've been talking about moving because I'm going to end up hurting someone or someone is going to hurt me or my family. I've spent hundreds on cameras, locks, and lighting and the criminals keep coming. Time for this to end!"
George Bolles	Tacoma, WA	2019-04-08	"I'm tired of pick up garbage off my street. I'm tired of seeing able bodied men trying to look pathetic as they ask for money. I'm tired of the lawlessness, drugs and filth in my town. I'm just plain old tired of it all."
Jennifer Brown	Puyallup, WA	2019-04-08	"This shouldnt even need a petition"
Trenton Mathews	Spanaway, WA	2019-04-08	"Fix these crackheads please and thank you"
James Oquist Jr	Tacoma, WA	2019-04-08	"The time is NOW!! Not tomorrow, next week or next year. We want to see change NOW!! I urge the city & council to come up with a strategy and a plan to end these issues brought forward to you."
Shawn Tibbitts	Tacoma, WA	2019-04-08	"Because it's not just about our area it's the whole State that is being ran by absolutely noone!!! It seems that the most important factors having nothing due to our state growth and development to better us all .....the most important thing is Money to leech off all of us Sad State we live in for sure!!!"
Lin Swanson	Tacoma, WA	2019-04-08	"I'm also concerned about the seeming shortage of attention and resources in unincorporated PCo and Parkland. There have been many burglaries right around here, and I hadn't been seeing that in my 25 years here."

Michael Helle	Puyallup, WA	2019-04-16	"I am sick and tired of it all and we need to be Heard!!!"
Tracy Crockett	Tacoma, WA	2019-06-12	"Tired of the drug deal I witness on a daily basis near my home and the homeless vagrants stealing from our property. Something needs to be done it sickens me how our home is worth less and less as the crime grows and grows.."
Kristyn Moss	Tacoma, WA	2019-06-13	"I bought a home last summer, across the street from Blueberry Park and in the last 3 months, things have gotten dramatically worse. Drug deals, prostitution, homeless sleeping in the woods, litter and drug paraphernalia, etc. If I knew then what I know now, I would never have purchased in this neighborhood."
Shawna Froland	Tacoma, WA	2019-06-13	"Two reasons. First, my home is my retirement savings and as long as this community continues to decline the return on my investment diminishes. Second, I pay annually into a system through my substantial tax contributions that fails to protect me, my family and my neighbors from thugs, vandals, and degenerates."
Jamie McGee	Tacoma, WA	2019-06-18	"Agree with mission statement and change does not come through being silent."
