SUBJECT: Resolution – Declaration of Surplus and Sale of Tacoma Power Real Property – City Council Consent Agenda for March 9, 2021
DATE: February 12, 2021

SUMMARY AND PURPOSE:

To set Tuesday, March 23, 2021, as the date for a Public Hearing regarding the declaration of surplus and sale of Tacoma Power property consisting of approximately 4,225 SF of land, together with certain landscaping improvements, identified as a portion of Pierce County Assessor Tax Parcel No. 0418162058, to Pierce County for \$17,450.00.

BACKGROUND:

Click or tap here to enter text. The property is in a suburban location in central unincorporated Pierce County near Graham and is improved with Tacoma Power’s Graham Substation. As part of its County Road Project No. 5819, Pierce County is improving and widening 224th Street East, the property’s frontage road. This right-of-way project will require the fee acquisition of the front 10 feet of the Tacoma Power property (4,225± SF), along with a slope easement in 792± SF adjacent to the roadway, along with certain landscaping improvements. Although no part of the substation within the security fencing is to be acquired, some site improvement modifications are required in order to maintain the substation’s operational integrity, including expansion of the fencing and ground grid network, and adjustments to the irrigation system and driveway. Pierce County has agreed to the estimated cost-to-cure provided by Tacoma Power needed to make the necessary changes and this is included in the compensation. Although the fee and slope easement acquisitions require TPU Board approval, the City Council must approve only the fee acquisition and the payment for the loss of the landscaping improvements. The acquisition documents were reviewed by the City Attorney’s Office and approved by Tacoma Power management and Real Property Services.

Breakdown of Total Acquisition:

4,225± SF of fee lands @ \$2.00/SF	= \$8,450.00
792± SF of slope easement @ \$0.67/SF	= \$550.00
Landscaping improvements:	= \$9,000.00
Cost-to-Cure:	= <u>\$118,618.05</u>
Total Compensation:	= \$136,618.05

Acquisition for City Council approval:	
4,225± SF of fee lands @ \$2.00/SF	= \$8,450.00
Landscaping improvements:	= \$9,000.00
Total:	= \$17,450.00
