Briefing Items

2. [18-1492](#) Commingled Recycling
[Lewis Griffith, Solid Waste Management Division Manager, Environmental Services]

At approximately 4:02 p.m., Lewis Griffith, Solid Waste Management Division Manager, Environmental Services, provided a briefing on

commingled recycling, including an overview; background of other jurisdictions, noting the average recycling rate increase by county; issues, noting financial implications; and proposed long-term alternatives, including option 1 – lowest cost, limited recycling; option 2 – partial recycling; and option 3 – maintain full curbside recycling. He concluded by further describing option 2, including glass drop stations and mobile staffed recycle satellite sites; a glass collection comparison chart, noting Pierce County drop-off stations model versus Tacoma curbside status quo; "recycle right" messaging; a health, equity, and sustainability analysis; outreach; and next steps.

Discussion ensued throughout regarding proposed actions for long-term alternatives; the status of the pilot for mechanical glass collection recycling; "recycle right" messaging; outreach; and the health, equity, and sustainability analysis.

Accessory Dwelling Units

[Elliott Barnett, Senior Planner, Planning and Development Services]

At approximately 4:33 p.m., Brian Boudet, Planning Division Manager, Planning and Development Services (PDS), introduced Elliott Barnett, Senior Planner, PDS; Stephen Wamback, Chair, Planning Commission (PC); and Anna Petersen, Vice Chair, PC. Mr. Boudet presented the PC's recommendations for Accessory Dwelling Unit (ADU) regulations, including an overview and background. Mr. Wamback provided a summary of the proposed changes and the process. Mr. Barnett described details of the recommendations, including ADU size limit and calculation, adding flexibility for ADU height and setbacks, updating ADU requirements and design standards, and establishing a time period to legalize non-conforming ADU's. He concluded by reviewing proposed clarifications, outreach themes, and next steps.

Discussion ensued throughout regarding ADU size limit and calculation, recommended updates to the ADU requirements, added flexibility for ADU height, updates to the ADU design standards, ADU size limit and calculation, outreach, and the recommendation to establish a time period to legalize non-conforming ADU's.
