

MOTION FOR CITY COUNCIL CONSIDERATION

December 8, 2020

I move to amend Ordinance 28724, to remove node 4 from the proposed map as well as five lots along the north side of N 17th Street, between N Bridgeview Drive and N Skyline Drive as depicted in the revised map set.

I make this motion in response to public input, staff analysis, and technical data which all support these changes.

Tacoma View Sensitive District Overlay - Citywide

Tacoma View Sensitive District Overlay - Node 2
