30. **Publicity.** The Contractor agrees to submit to the Authority all advertising and publicity matters relating to this Interagency Agreement wherein the Authority's name is mentioned or language used from which the connection of the Authority's name may, in the Authority's judgment, be inferred or implied. The Contractor agrees not to publish or use such advertising and publicity matters without the prior written consent of the Authority.
31. **Savings.** In the event funding from State, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Interagency Agreement and prior to its completion or termination, the Authority may terminate this Interagency Agreement under the "Termination Due to Change in Funding" Section, without the ten (10) day notice requirement, subject to renegotiation at the Authority's discretion under those new funding limitations and conditions.
32. **Severability.** If any term or condition of this Interagency Agreement is held invalid by any court, the remainder of this Interagency Agreement remains valid and in full force and effect.
33. **Site Security.** While on the Authority's premises, the Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations. Failure to comply with these regulations and/or policies may be grounds for revoking or suspending security access to these facilities. The Authority reserves the right and authority to immediately revoke security access or the Contractor's agents, employees, and/or subcontractors for any real or threatened breach of this provision. Upon reassignment or termination of any Contractor staff, the Contractor agrees to promptly notify the HCA Contract Services.
34. **Survivability.** The terms and conditions contained in this Interagency Agreement which, by their sense and context, are intended to survive the expiration or termination of the particular agreement shall survive. Surviving terms include, but are not limited to: Billing Limitations; Confidentiality, Disputes; Indemnification and Hold Harmless, Inspection, Maintenance of Records, Notice of Overpayment, Ownership of Material, Termination for Default, Termination Procedure, and Treatment of Property.
35. **Subcontracting.** Neither the Contractor nor any Subcontractor shall enter into subcontracts for any of the work contemplated under this Interagency Agreement without obtaining prior written approval of the Authority. In no event shall the existence of the subcontract operate to release or reduce the liability of the contractor to the Authority for any breach in the performance of the contractor's duties. This clause does not include contracts of employment between the contractor and personnel assigned to work under this Interagency Agreement.

Additionally, the Contractor is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this Interagency Agreement are carried forward to any subcontracts. Contractor and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of the Authority or as provided by law.

HCA General Terms and Conditions

If at any time during the progress of the work, the Authority determines in its sole judgment that any subcontractor is incompetent or undesirable, the Authority shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work.

The rejection or approval by the Authority of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under this Interagency Agreement, nor be the basis for additional charges to the Authority.

The Authority has no contractual obligations to any subcontractor or vendor under contract to the Contractor. The Contractor is fully responsible for all contractual obligations, financial or otherwise, to their subcontractors.

36. Sub-recipients.

- a. General. If the Contractor is a sub-recipient of federal awards as defined by Office of Management and Budget (OMB) Circular A-133 and this Interagency Agreement, the Contractor shall:

 - (4) Incorporate OMB Circular A-133 audit requirements into all agreements between the Contractor and its Subcontractors who are sub-recipients;

Part 42, Subparts C.D.E. and G, and 28 C.F.R. Part 35 and 39. (Go to www.ojp.usdoj.gov/ocr/ for additional information and access to the aforementioned Federal laws and regulations.)

HCA General Terms and Conditions

- b. **Single Audit Act Compliance.** If the Contractor is a sub-recipient and expends \$500,000 or more in federal awards from any and/or all sources in any fiscal year, the Contractor shall procure and pay for a single audit or a program-specific audit for that fiscal year. Upon completion of each audit, the Contractor shall:

 - (2) Follow-up and develop corrective action for all audit findings; in accordance with OMB Circular A-133, prepare a "Summary Schedule of Prior Audit Findings."
- c. **Overpayments.** If it is determined by HCA, or during the course of a required audit, that the Contractor has been paid unallowable costs under this Interagency Agreement, HCA may require the Contractor to reimburse HCA in accordance with either 2 CFR, Part 225 (OMB Circular A-87) or 2 CFR, Part 230 (OMB Circular A-122).

- 37. System Security.** Unless otherwise provided, the Contractor agrees not to attach any Contractor-supplied computers, peripherals or software to the Authority Network without prior written authorization from Authority's Security Administrator. Contractor-supplied computer equipment, including both hardware and software, must be reviewed by the Authority Security Administrator prior to being connected to any Authority network connection and that it must have up-to-date anti-virus software and personal firewall software installed and activated on it.

Unauthorized access to Authority networks and systems is a violation of Authority Policy 06-03 and constitutes computer trespass in the first degree pursuant to RCW 9A.52.110. Violation of any of these laws or policies could result in termination of this Interagency Agreement and other penalties.

- 38. Termination for Convenience.** Except as otherwise provided in this contract, the Agent may, by giving ten (10) days written notice, beginning on the second day after the mailing, terminate this contract in whole or in part when it is in the best interest of HCA. If this contract is so terminated, HCA shall be liable only for payment in accordance with the terms of this contract for services rendered prior to the effective date of termination.
- 39. Termination for Default.** In the event HCA determines the Contractor has failed to comply with the conditions of this contract in a timely manner, HCA has the right to suspend or terminate this contract. HCA shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within 3 days, the contract may be terminated. HCA reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by HCA to terminate the contract.

In the event of termination, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising, and staff time. The termination shall be deemed a "Termination for Convenience" if it is determined that the Contractor: (i) was not in default, or (ii) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of HCA provided in this contract are not exclusive and are in addition to any other rights and remedies provided by law.

HCA General Terms and Conditions

- 40. Termination Due to Change in Funding.** In the event funding from any state, federal, or other sources is withdrawn, substantially reduced, or limited in any way after the effective date of this Agreement and prior to the termination date, HCA may terminate this Agreement upon sixty (60) days' prior written notice to Contractor or upon the effective date of withdrawn or reduced funding, whichever occurs earlier. If this Agreement is so terminated, HCA shall be liable only for payment in accordance with the terms of this Agreement for services rendered prior to the effective date of termination.
- 41. Termination or Expiration Procedures.** Upon termination of this contract HCA, in addition to any other rights provided in this contract, may require the Contractor to deliver to HCA any property specifically produced or acquired for the performance of such part of this contract as has been terminated.

HCA shall pay to the Contractor the agreed upon price, if separately stated, for completed work and service accepted by HCA and the amount agreed upon by the Contractor and HCA for (i) completed work and services for which no separate price is stated; (ii) partially completed work and services; (iii) other property or services which are accepted by HCA; and (iv) the protection and preservation of property, unless the termination is for default, in which case the Agent shall determine the extent of the liability. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. HCA may withhold from any amounts due the Contractor such sum as the Agent determines to be necessary to protect HCA against potential loss or liability.

The rights and remedies of HCA provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of notice of termination, and except as otherwise directed by the Agent, the Contractor shall:

- A. Stop work under the contract on the date, and to the extent specified in the notice;
- B. Place no further orders or subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the contract that is not terminated;
- C. Assign to HCA, in the manner, at the times, and to the extent directed by the Agent, all the rights, title, and interest of the Contractor under the orders and subcontracts so terminated; in which case HCA has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts;
- D. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the Agent to the extent the Agent may require, which approval or ratification shall be final for all the purposes of this clause;
- E. Transfer title to HCA and deliver in the manner, at the times, and to the extent directed by the Agent any property which, if the contract has been completed, would have been required to be furnished to HCA;
- F. Complete performance of such part of the work as shall not have been terminated by the Agent; and
- G. Take such action as may be necessary, or as the Agent may direct, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which HCA has or may acquire an interest.

The Contractor shall provide Clients under age eighteen (18) with reasonable access to their personal property that is appropriate to the Client's age, development, and needs. Upon termination of this Interagency Agreement, the Contractor shall immediately release to the Client and/or the Client's guardian or custodian all of the Client's personal property.
44. **Waiver.** Waiver of any breach or default on any occasion shall not be deemed to be a waiver of any subsequent breach or default. Any waiver shall not be construed to be a modification of the terms and conditions of this Contract. Only the HCA Contracts Administrator or designee has the authority to waive any term or condition of this Contract on behalf of HCA.
