**Subject:** **Fiscal Impact - Local 26 Captains and Lieutenants 2025-2027 CBA (TA)**

**Overview**

The City of Tacoma and the Local 26 I.U.P.A. Tacoma Police Management Association Captains and Lieutenants bargaining unit have reached a tentative agreement for a successor collective bargaining agreement (CBA) effective January 1, 2025, through December 31, 2027.

**Wages**

**Effective January 1, 2025**, wages will be adjusted by seven percent (7%) as required to maintain the indexing/parity differentials (Section 2 Indexing Provision).

**Effective January 1, 2026**, wages will be adjusted as required to maintain the indexing/parity differentials (Section 2 Indexing Provision).

**Effective January 1, 2027**, wages will be adjusted as required to maintain the indexing/parity differentials (Section 2 Indexing Provision).

**Fiscal Impact of Wages**

The fiscal impact uses the 7% wage assumption for wages effective on January 1, 2025. Wages in 2027 are based on indexing and the Collective Bargaining Agreement through 2027 with Local 6. Specifically, the Local 26 agreement maintains a minimum 25% index differential between the top step base rate Police Lieutenant and the top step base rate Police Sergeant as well as maintaining at 15% the differential between top step base rate Lieutenant and the top step base rate Captain. The fiscal impact for years beyond 2025 uses projected wage assumptions for the future Local 6 agreement based on historical and market information.

Each year two (2) L26 employees may apply for enrollment into the LEOFF II VEBA retirement program. The FTEs in the above table represent the current participants, as well as the assumption that two employees will retire each year.

Notably, the union has foregone one percent (1%) effective January 1, 2022, an increase from three quarters of one percent (0.75%), of the members' salary. Once the bargaining unit wage scales are identified in any given year, each member of the bargaining unit will receive ninety-nine percent (99%) of the base wage rate in exchange for this benefit. The TA recognizes the increase with an update to the language. There is no fiscal impact at this time.

**Funding for 2025-2027**

The incremental increases will be incorporated into the 2025-2026 Proposed Biennial Budget and, eventually, the 2027-2028 Proposed Biennial Budget. The department will be responsible for adhering to their overall level of appropriation.
