SUBJECT: Resolution – Authorize execution of a Letter of Agreement with the Tacoma Joint Labor Committee – March 26, 2024
DATE: March 1, 2024

SUMMARY AND PURPOSE:

A resolution authorizing the execution of a Letter of Agreement as negotiated with the Tacoma Joint Labor Committee, regarding Standby Rates.

BACKGROUND:

The resolution will authorize the execution of a Letter of Agreement (LOA) as negotiated with the Tacoma Joint Labor Committee. The LOA will be scheduled for consideration by the City Council as a resolution on March 26, 2024.

The Unions which comprise the Tacoma Joint Labor Committee are: Professional & Technical Employees, Local 17; Tacoma Firefighters, Local 31; Teamsters Local Union No 117; Washington State Council of County and City Employees, Local 120; International Association of Machinists & Aerospace Workers, Local 160; Teamsters Local 313; and International Brotherhood of Electrical Workers, Local 483.

Through applicable Collective Bargaining Agreements with individual Joint Labor member unions, the City has long provided employees assigned to “Standby” responsibility with additional compensation in recognition of the inconvenience of this responsibility. The City and the Tacoma Joint Labor Committee have met and expressed a shared desire to:

- Ensure consistency and standardization of Standby rates of pay across all Joint Labor member unions.
- Delegate specific work rules (such as the assignment procedures, frequency, duration, and obligation of standby assignments) to individual collective bargaining agreements.
- Increase Standby rates of pay to meet the business needs of City Departments and compensate employees for the responsibility/inconvenience of serving on standby.
- Provide those bargaining units with closed collective bargaining agreements the opportunity to access this standardized Standby rate of pay prior to the re-opening of their CBAs.

The Letter of Agreement provides for the addition to the 2023-2024 Tacoma Joint Labor Agreement of a new section titled Standby Rates. Bargaining units who, through their individual collective bargaining agreement, have elected the standby rate provided for by this Section shall receive three dollars (\$3.00) for each hour so assigned.

Effective and retroactive to January 1, 2024, the Standby rate shall increase to three dollars and seventy-five cents (\$3.75) for each hour so assigned.

Effective January 1, 2025, the Standby rate shall increase to four dollars and fifty cents (\$4.50) for each hour so assigned. The parties agree not to re-open or make proposals regarding the 2025 Standby rate of pay during successor negotiations to the 2023-2024 Tacoma Joint Labor Agreement. The parties further acknowledge that changes to the 2026 Standby rate of pay are a mandatory subject of bargaining during successor negotiations to the 2023-2024 Tacoma Joint Labor Agreement.
