City Council Meeting
February 27, 2024
Ordinance No. 28958

1

● ● ● Overview

Purpose of the Meeting: First reading of ordinance to consider extending the duration of the moratorium within South Tacoma Groundwater Protection District (STGPD) for an additional six months.

1. Background
2. STGPD Moratorium
3. STGPD Work Plan
3. Schedule and Next Steps

2

2

STGPD Moratorium

What uses will be impacted?

➤ Uses Temporarily Prohibited:

- Underground storage tanks
- Metal recycling/auto wrecking

➤ How it applies to existing facilities:

- Prohibit expansion of existing facilities
- Allow normal maintenance, repair, replacement activities, and existing operations
- Allow site and facility improvements to comply with building code, stormwater, and environmental standards

Duration of Moratorium: The existing moratorium is set to expire on March 20, 2024. The extension will add an additional six months.

3

STGPD Work Plan

- High Impact Uses
- Impervious Surface standards
- Tree Canopy and Landscaping Code updates for Industrial Zones and Tacoma Mall Regional Growth Center
- Update Stormwater Infiltration Policy
- Health Impact Assessment

Other related efforts:

- Home in Tacoma: Will recommend tree canopy and landscaping code updates for Low Scale and Mid Scale Residential Areas
- Comprehensive Plan and Critical Areas Updates to protect and preserve open space
- Amendments to limit residential growth along freeways due to air quality impacts
