RE: Lapsing FTA Program Funds

Dear Mr. Rogoff:

The Federal Transit Administration (FTA) is writing to you because we are concerned that funding allocated to the Sound Transit has not been fully obligated. The table below shows the specific unobligated funding allocations. If these funds are not awarded by September 30, 2016, they will be lost to the Sound Transit.

FTA Section # / Program	Year of Funds	Earmark ID	Amount	Project Description
Links to Opportunity	2015	D2015-TODP-022	\$2,000,000	Links to Opportunity: A mobility and economic development plan for Tacoma Link Expansion communities

To ensure that these funds don't lapse, **please submit an application in FTA's Electronic Award and Grants Management System no later than May 31, 2016.** If the intended project for these funds involves construction activities, please make sure you have completed all required environmental review processes prior to the obligation of lapsing funds.

If you are no longer interested in receiving these funds, please let us know as soon as possible.

Please contact your assigned FTA grant representative Howard Swaby at Howard.swaby@dot.gov or 206-220-4463 if you have any questions.

Sincerely,
