**RECOMMENDATION SUMMARY:**

Tacoma Police Department (TPD) recommends a contract be awarded to Axon Enterprise Inc (Axon), Scottsdale, Arizona, in the amount of \$567,112.65, plus applicable taxes, budgeted from the General Fund, for an initial contract term of five years, for a projected contract amount of \$623,823.92, plus applicable taxes, for the purchase of dash cameras inclusive of software, maintenance and accessories. **STRATEGIC POLICY PRIORITY:**

- Strengthen and support a safe city with healthy residents.
- Encourage and promote an efficient and effective government, which is fiscally sustainable and guided by engaged residents.

**BACKGROUND:**

The City awarded a contract to Axon Enterprise Inc for the purchase of evidence cloud storage in December of 2019. The contract was increased to include the purchase of body worn cameras and supporting software and accessories in August of 2020. In January of 2023, a new contract for dash cameras was established to integrate with current systems and allow for more opportunity of video and audio coverage in accordance with Tacoma Police Department's Policy.

**ISSUE:** The purpose of this project is to bring transparency to the public by placing dash cameras in patrol vehicles when officers are interacting with the community.

**ALTERNATIVES:** The City could request staff to do a separate competitive bid process, however, the Axon Enterprise Inc products meet the City's requirements and through use of the Sourcewell contract, the City can buy those products at national discount pricing.

**COMPETITIVE SOLICITATION:**

Sourcewell Contract No. 010720-AXN is a competitively solicited contract valid until February 21, 2025, with the option to renew for an additional one-year term. Sourcewell conducted a Request for Proposals, Specification No. 010720 and 23 submittals were received on January 7, 2020.
