**ITEM/ISSUE PROPOSED FOR COUNCIL CONSIDERATION:**

**I ask for your support for the inclusion of the following item on the agenda at the earliest available meeting of the City Council:**

I respectfully request City Council consider a resolution that supports and affirms the City of Tacoma’s support for the human rights of all persons including immigrants and refugees who live, work, travel through, or seek services within its boundaries.

**BRIEF BACKGROUND:**

The City recognizes that the United States was implementing a “zero tolerance” immigration policy that directly conflicts with the City of Tacoma’s Welcoming Cities and Counties Initiative, resulting in separating minor children, including infants and toddlers, from their parents at the U.S.-Mexico border. Some of those children are still separated from their parents.

The Human Rights Commission discussed a request for resolution at their June 21, 2018 meeting and the Commission on Immigrant and Refugee Affairs supported the resolution request at their September 24, 2018 meeting. At the urging of the City’s Human Rights Commission and with the support of the City’s Commission on Immigrant and Refugee Affairs, the City, consistent with its long-standing commitment to human rights and in support of the humane and equitable treatment of all persons within its boundaries and throughout the country, joins the state of Washington, the United States Commission on Civil Rights, and other public and private organizations and officials in calling for the reunification of the families of separated children and parents; the release from federal custody of all parents, children, and families, pending their misdemeanor and/or immigration proceedings, including all parents held at the Northwest Detention Center; and the following of asylum law for all those crossing the border and seeking asylum.
