**COUNCIL SPONSORS:**

Council Members Blocker, Campbell, Lonergan, and Walker Lee.

**STRATEGIC POLICY PRIORITY:**

As the Commission studies, investigates and mediates community issues that may result from discrimination, appointing and reappointing individuals to the Commission best aligns with the strategic policy priority related to strengthening and supporting public safety and human services.

**BACKGROUND:**

At the November 9, 2017 meeting, the Community Vitality and Safety Committee interviewed applicants and recommended the appointment and reappointment of the individuals listed above to the Human Rights Commission. The Committee also requested the realignment of term expirations for the Human Rights Commission.

**ISSUE:**

The Human Rights Commission terms have become misaligned, such that terms have varying expiration months in March, April, May, and December, and nine positions need to be filled on the Human Rights Commission.

**ALTERNATIVES:**

The Commission would operate without full membership.

**RECOMMENDATION:**

The Community Vitality and Safety Committee is recommending the realignment of term expirations, and appointment and reappointment of the individuals listed above.

**FISCAL IMPACT:**

There is no fiscal impact.
