THIS CONTRACT details the roles of the CITY OF TACOMA and the CONTRACTOR. The CITY establishes the details of the contract guided by the Human Services Strategic Plan. 9. Termination and Suspension

- A. The CITY may terminate this Contract at any time, with or without cause, by giving thirty (30) business days written notice to CONTRACTOR. The CONTRACTOR may terminate this Contract at any time, with or without cause by giving thirty (30) days written notice to the CITY. In the event of termination, all finished and unfinished work prepared by the CONTRACTOR pursuant to this Contract shall be provided to the CITY. In the event CITY terminates this Contract due to the CITY's own reasons and without cause due to the CONTRACTOR's actions or omissions, the CITY shall pay the CONTRACTOR the amount due for actual work and services necessarily performed under this Contract up to the effective date of termination, not to exceed the total compensation set forth herein.
- B. The CITY may suspend this Contract, at its sole discretion, upon seven (7) business day's written notice to the CONTRACTOR. Such notice shall indicate the anticipated period of suspension. Any reimbursement for expenses incurred due to the suspension shall be limited to the CONTRACTOR'S reasonable expenses and shall be subject to verification. The CONTRACTOR shall resume performance of services under this Contract without delay when the suspension period ends.
- C. If the CONTRACTOR is in default of its performance of this Contract, the CITY may, in its sole discretion, provide the CONTRACTOR with written notice of the need for corrective action. Such notice shall indicate the reason(s) the CONTRACTOR is in default of this Contract and shall provide the

CONTRACTOR with at least 15 calendar days to cure its default status. The time period for corrective action may be extended in writing by mutual agreement of the parties. The intent of this provision is for the CONTRACTOR to maintain the continuity of its services provided under this Contract during the corrective action period. Upon the expiration of the corrective action period, the CITY may proceed to terminate this Contract if, in its sole discretion, it determines that the CONTRACTOR has failed to cure its default status. Nothing in this section shall modify, restrict, impede, or impair the CITY'S right to terminate this Contract pursuant to section 9(A) above.

- D.** Termination or suspension of this Contract by CITY shall not constitute a waiver of any claims or remaining rights the CITY may have against CONTRACTOR relative to performance hereunder.
- E.** Remedies for noncompliance. If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:
 - a. Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency,
 - b. Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance,
 - c. Wholly or partially suspend or terminate the current award for the grantee's or subgrantee's program,
 - d. Withhold further awards for the program, or
 - e. Take other remedies that may be legally available.
- F.** Hearings, appeals. In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.
- G.** Effects of suspension and termination. Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
 - a. The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are not subject to cancellation, and,
 - b. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

- H. Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to "Debarment and Suspension" under Executive Order 12549 (see Section 5.35).

10. Termination for Convenience

Except as provided in Section 9 above, awards may be terminated in whole or in part only as follows:

- A. By the awarding agency with the consent of the grantee or subgrantee, in which case the parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated, or
- B. By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under Section 9.

11. Taxes, Licenses and Permits

- A. The CONTRACTOR acknowledges that it is responsible for the payment of all charges and taxes applicable to the services performed under this Contract, and the CONTRACTOR agrees to comply with all applicable laws regarding the reporting of income, maintenance of records, and all other requirements and obligations imposed pursuant to applicable law. If the CITY is assessed, made liable, or responsible in any manner for such charges or taxes, the CONTRACTOR agrees to hold the CITY harmless from such costs, including attorney's fees.
- B. In the event the CONTRACTOR fails to pay any taxes, assessments, penalties, or fees imposed by any governmental body, including a court of law, then the CONTRACTOR authorizes the CITY to deduct and withhold or pay over to the appropriate governmental body those unpaid amounts upon demand by the governmental body. It is agreed that this provision shall apply to taxes and fees imposed by City ordinance. Any such payments shall be deducted from the CONTRACTOR's total compensation.
- C. The CONTRACTOR, at its expense, shall obtain and keep in force any and all necessary licenses and permits. The CONTRACTOR shall obtain a business license as required by Tacoma Municipal Code Subtitle 6B.20 and shall pay business and occupation taxes as required by Tacoma Municipal Code Subtitle 6A.30.

12. Indemnification

- A.** The CONTRACTOR shall indemnify, defend, and hold harmless the CITY, its officials, officers, agents, employees, and volunteers, from any and all claims, demands, damages, lawsuits, liabilities, losses, liens, expenses and costs arising out of the subject matter of this Contract; provided that this provision shall not apply to the extent that damage or injury results from the fault of the CITY, or its officers, agents, or employees. The term "fault" as used herein shall have the same meaning as set forth in RCW 4.22.015, as that statute may hereafter be amended.
- B.** The CONTRACTOR specifically assumes potential liability for actions brought by the CONTRACTOR'S own employees against the CITY and, solely for the purpose of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the state industrial insurance law, Title 51 RCW. THE CONTRACTOR RECOGNIZES THAT THIS WAIVER WAS THE SUBJECT OF MUTUAL NEGOTIATION.
- C.** It is expressly understood and agreed that any obligation or liability arising out of and/or incurred by the CITY by reason of this agreement, or the carrying out of any activity in connection therewith, shall be satisfied exclusively from funds received from the Federal Government, pursuant to the Housing and Community Development Act of 1974, as amended, and made available for such purpose, and neither the CONTRACTOR nor any other person or entity shall have any recourse to any of the assets or funds belonging to or held by the CITY on account of any debts, obligations or liabilities created or arising by reason of this agreement or the carrying out of any activity in connection therewith.
- D.** This indemnification shall extend to and include attorneys' fees and the cost of establishing the right of indemnification hereunder in favor of the CITY. This indemnification shall survive the termination of this Contract.

13. Insurance

During the course and performance of the services herein specified, CONTRACTOR will maintain the following insurance coverage:

Certificates of the above insurance coverage shall be delivered, within ten (10) days, to the CITY by CONTRACTOR'S insurance carrier or agent certifying the above insurance coverage items are in effect and will not be cancelled or materially changed without 30 days' written notice given to the CITY. The commercial general liability policy shall be on an occurrence basis and shall include an endorsement naming the CITY as an additional insured and stating that coverage under such policy is primary over and non-contributory with any insurance the CITY may maintain.

14. Nondiscrimination

- A.** The CONTRACTOR agrees to take all steps necessary to comply with all federal, state, and City laws and policies regarding non-discrimination and equal employment opportunities. The CONTRACTOR shall not discriminate in any employment action because of race, religion, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital status, familial status, veteran or military status, the presence of any sensory, mental or physical handicap or use of a trained dog guide or service animal by a person with a disability. In the event of non-compliance by the CONTRACTOR with any of the non-discrimination provisions of this Contract, the CITY shall be deemed to have cause to terminate this Contract, in whole or in part.
- B.** The CONTRACTOR agrees to support the CITY's vision for human services delivery that all Tacoma residents have access to the opportunities and pathways that will lead them to well-being and prosperity. CONTRACTOR will undertake efforts to support an integrated system of culturally appropriate services that are equitable, easy to access and navigate, and are available in locations where the needs exist.
- C.** The CONTRACTOR is to make its facilities and services available to all participants on a nondiscriminatory basis. The CONTRACTOR may submit for review and approval a generic abstract describing the component parts of the completed Scope of Services ("Project Abstract"). After receiving written approval of the Project Abstract from the CITY, the CONTRACTOR may make minor insignificant changes to the Project Abstract and use all or parts of the Project Abstract in proposals.

- ii. The CONTRACTOR agrees to implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the protected health information that it creates, receives, maintains, or transmits on behalf of the CITY as required by 45 CFR, Part 164, Subpart C. The notification shall include the identification of each individual whose unsecured protected health information has been, or is reasonably believed by the CONTRACTOR to have been, accessed, acquired, or disclosed during such breach; a brief description of what happened, including the date of the breach and the date of the discovery of the breach, if known; a description of the types of unsecured protected health information that were involved in the breach (such as whether full name, Social Security Number, date of birth, home address, account number, diagnosis, disability code, or other types of information were involved); any steps individuals should take to protect themselves from potential harm resulting from the breach; a brief description of what the CONTRACTOR is doing to investigate the breach, to mitigate harm to individuals, and to protect against any further breaches; the contact procedures of the CONTRACTOR for individuals to ask questions or learn additional information, which shall include a toll free number, an e-mail address, website, or postal address; and any other information required to be provided to the individual by the CITY pursuant to 45 CFR § 164.404, as amended. A breach shall be treated as discovered in accordance with the terms of 45 CFR § 164.410. The information shall be updated promptly and provided to the CITY as requested.
- iv. The CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to the CONTRACTOR of a use or disclosure of protected health information by the CONTRACTOR in violation of the requirements of this Contract or the law.
- v. The CONTRACTOR agrees to report in writing all unauthorized or otherwise improper disclosures of protected health information or security incident to the CITY within two (2) business days of the CONTRACTOR's knowledge of such event.
- vi. The CONTRACTOR agrees to ensure that any agent, including a subcontractor, to whom it provides protected health information received

from, or created or received by the CONTRACTOR on behalf of the CITY, agrees to the same restrictions and conditions that apply through this Contract to the CONTRACTOR with respect to such information.

- vii. The CONTRACTOR agrees to make available protected health information in accordance with 45 CFR § 164.524.
- viii. The CONTRACTOR agrees to make available protected health information for amendment and incorporate any amendments to protected health information in accordance with 45 CFR § 164.526.
- ix. The CONTRACTOR agrees to make internal practices, books, and records, including policies and procedures and protected health information, relating to the use and disclosure of protected health information received from, or created, or received by the CONTRACTOR on behalf of the City of Tacoma, available to the Secretary, in a reasonable time and manner for purposes of the Secretary determining the CITY's compliance with HIPAA, HITECH or this Contract.
- x. The CONTRACTOR agrees to make available the information required to provide an accounting of disclosures in accordance with 45 CFR §164.528. Should an individual make a request to the CITY for an accounting of disclosures of his or her protected health information pursuant to 45 CFR § 164.528, CONTRACTOR agrees to promptly provide an accounting, as specified under 42 U.S.C. § 17935(c) (1) and 45 CFR §164.528, of disclosures of protected health information that have been made by the CONTRACTOR acting on behalf of the CITY. The accounting shall be provided by the CONTRACTOR to the CITY or to the individual, as directed by the CITY.

B. Permitted Uses and Disclosures by Business Associate

The CONTRACTOR may use or disclose protected health information to perform functions, activities, or services for, or on behalf of, the City of Tacoma as specified in this Contract, provided that such use or disclosure would not violate HIPAA if done by the CITY or the minimum necessary policies and procedures of the City of Tacoma.

C. Effect of Termination

- i. Except as provided elsewhere in this section, upon termination of this Contract, for any reason, the CONTRACTOR shall return or destroy all protected health information received from the CITY, or created or received by the CONTRACTOR on behalf of the CITY. This provision shall apply to protected health information that is in the possession of subcontractors or agents of the CONTRACTOR. The CONTRACTOR shall retain no copies of the protected health information.

- ii. In the event the CONTRACTOR determines that returning or destroying the protected health information is infeasible, the CONTRACTOR shall provide to the CITY notification of the conditions that make return or destruction infeasible. Upon notification that return or destruction of protected health information is infeasible, the CONTRACTOR shall extend the protections of the Contract to such protected health information and limit further uses and disclosure of such protected health information to those purposes that make the return or destruction infeasible, for so long as the CONTRACTOR maintains such protected health information.

D. Reimbursement for Costs Incurred Due to Breach

CONTRACTOR shall reimburse the CITY, without limitation, for all costs of investigation, dispute resolution, notification of individuals, the media, and the government, and expenses incurred in responding to any audits or other investigation relating to or arising out of a breach of unsecured protected health information by the CONTRACTOR.

In the event of a dispute pertaining to this Contract, the parties agree to attempt to negotiate in good faith an acceptable resolution. If a resolution cannot be negotiated, then the parties agree to submit the dispute to voluntary non-binding mediation before pursuing other remedies. This provision does not limit the CITY'S right to terminate authorized by this Contract.

- D. No Third Party Beneficiaries. This Contract shall be for the sole benefit of the parties hereto, and nothing contained herein shall create a contractual relationship with, or create a cause of action in favor of, a third party against either party hereto.

- E. Waiver. A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.
- F. Severability and Survival. If any term, condition or provision of this Contract is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. Therapeutic Courts is a program that serves to deter individuals by offering a legal alternative to felons, veterans and family's incarcerated for crimes identified to be related to the individual's chemical addiction. This program enhances services for individuals diagnosed with mental illness by providing mental health therapy alongside chemical dependency (CD) therapy. Mental Health therapists will work together with CD counselors coordinating concurrent CD/MH therapeutic effort through an intensive outpatient (IOP) program dedicated to serving those enrolled in the drug treatment courts. The program entails screening and diagnosis, group and individual therapy sessions, monitoring of substance use through random urinalysis, frequent evaluation and reporting to the court, case management, crisis intervention, discharge planning and assistance to client in applying for benefits and navigating community-based services. The program will expand in 2015-16 to include extensive case management services provided to individuals working with the mental health therapist. The range of treatment is 12 to 24 months.

The goal of this program is to help participants attain long-term recovery.

The City of Tacoma is creating a coordinated and comprehensive system of care for individuals struggling with mental health and/or chemical dependency and funded under the .1% mental health chemical dependency sales tax revenue fund. The City of Tacoma requires CONTRACTOR to formalize its letter of support and enter into a memorandum of understanding (or Agency Agreement) with the following agency/program:

MOU/Agency Agreement: MDC Behavioral Health & Recovery (by March 1, 2015)

Outcomes

The CONTRACTOR will meet with City staff by March 1, 2015 to establish outcomes and an outcomes reporting plan. The monitoring of said outcomes will begin by March 1, 2015. The CONTRACTOR will work with the CITY to establish protocols for data entry, data transfer and data sharing. Payment Points

The CITY will implement a payment point structure that accommodates both the need for a billing system that associates reimbursement with service deliverables and the need for programs to have a consistent revenue stream. Sixty (60%) of the budget will be distributed equally over the course of the contract period (2.5% each month). The remainder of the budget will be allocated to payment points associated with service deliverables, as defined in Exhibit "B". The program will be compensated upon completion of each deliverable.
