SUBJECT: Resolution – WSDOT Rail Bank Loan RRB 1055 Tacoma Rail West Loop Track
Rehabilitation Project – October 8, 2013
DATE: September 16, 2013

SUMMARY:

Tacoma Rail requests approval to enter into a Loan Agreement with the Washington State Department of Transportation to upgrade a segment of railroad track called the West Loop.

BACKGROUND:

This interest free loan was awarded through a competitive call for projects initiated by the Washington State Department of Transportation, with the funds having been appropriated by the Washington State Legislature. The loan is in the principal amount of \$515,789.00, less a one percent (1%) administrative fee, over a ten (10) year term.

The loan agreement requires Tacoma Rail to contribute a minimum of \$128,947.00 in matching funds, and complete the project by June 30, 2015. Repayment terms are ten annual payments of \$51,578.90 each, commencing on June 1, 2016.

The loan will be used to partially finance the upgrade of a segment of existing railroad track, and cover an additional 370 feet of track to function as a crossing.

ISSUE:

Tacoma Rail's freight rail infrastructures in the Tideland's area are heavily used and in need of periodic upgrade in order to support current, and attract new, freight rail customers.

ALTERNATIVES:

There are no alternative options.

RECOMMENDATION:

Tacoma Rail recommends City Council authorize execution of the Loan Agreement with the Washington State Department of Transportation. The project will enhance safety and reduce the risk of service interruptions on account of deteriorated track infrastructures.
