COMMENTS AND COMMITTEE REPORTS OF THE CITY COUNCIL

There were no Standing Committee reports given.

Council Member Ushka clarified the language used in the June 2, 2020, Proclamation of Emergency which allowed for a curfew for a single night, and stated that the language that was used in the Proclamation could imply or restrict the rights of the media. She further stated it was not the City's intent to do that at all and that in collaboration with Mayor Woodards and City Manager Elizabeth Pauli the language has been changed to avoid any future confusion should there be a need to call for another curfew.

Mayor Woodards thanked all of the people who demonstrated peacefully in the City over the weekend, the young people who have been organizing conversations around race and demonstrations, and the ministers who held a prayer meeting at Cheney Stadium.

Deputy Mayor Blocker thanked City staff for all of their hard work while we are going through tough times and shortage of staff.

Mayor Woodards further thanked the police department and all of the local jurisdictions who have helped us for making the City a safe place for people to demonstrate.
