

Neighborhood Council Program

Community & Economic Development Department - Neighborhood Council Office

It is the intent of the City, through the creation of Neighborhood Councils and the Community Council, to foster a partnership of open communication between the City and its neighborhoods; to enhance the environment in which citizens are afforded an opportunity to participate in government decisions in an advisory role; to foster cooperation and consensus among diverse interests; to assist the City and neighborhoods in developing solutions to mutual problems; and to develop in the citizens a sense of personal pride and responsibility for their neighborhood.
