

Tideflats Interim Regulations

City of Tacoma | Planning and Development Services

City Council
First Reading of Ordinance
October 13, 2020

BACKGROUND

Purpose:

- Maintain the integrity of the planning process
- Maintain baseline conditions until Subarea Plan is complete

Legislative Background:

- November 21, 2017, City Council adopted the Tideflats Interim Regulations by Amended Ordinance No. 28470;
- Four subsequent extensions.

SUMMARY OF THE ORDINANCE

1. Temporarily expands notification for heavy industrial permits
2. Temporarily prohibits new non-industrial uses in the Port of Tacoma Manufacturing and Industrial Center
3. Temporarily prohibits new platting and subdivision along the hillside in North East Tacoma
4. Temporarily prohibits certain new heavy industrial uses citywide

3

PRIOR COUNCIL REVIEW

4

COMMENT THEMES

Comment: Support the extension of interim regulations

- Strengthen
 - Include existing uses
 - Expand applicability to nuclear facilities and metal recycling
- Adopt As-is

Comment: Consider permanent regulations

5

COMMENT THEMES

Comments:

- Urgency of climate change
- Predictability for business
- Potential ongoing impacts from expansions
- Current regulations are inequitable
- Impacts from COVID-19
- Concern over the “interim” length of time
- Land use compatibility with adjacent areas
- Risk of accident/spill and vulnerability to natural disasters

6
