SUBJECT: Request for Resolution – February 28, 2023

DATE: February 10,2023

SUMMARY & PURPOSE:

The Community and Economic Development Department is requesting appropriate City officials to execute an 8 Year Multifamily Housing Property Tax Exemption Agreement with A&A Property Holdings, LLC for the development of 90 multifamily market-rate units at 201 N Yakima Avenue in the Downtown Regional Growth Center.

BACKGROUND

A&A Property Holdings, LLC is proposing to develop 90 new market-rate rental units in the Downtown Regional Growth Center as described in Exhibit "A" to the Resolution. The housing units are as described in the chart below.

Number of units	Type of Unit	Average Size	Expected Rental Rate
Market Rate			
53	Studio	355 SQFT	\$1500
30	One bedroom, one bath	515 SQFT	\$2400
7	Two bedroom, one bath	730 SQFT	\$3200

The project will also provide 45 parking spaces and 1700 square feet of commercial space. The project will be forwarded to the Pierce County Treasurer Assessor for the 8-year multi-family housing property tax exemption after the project complies with all City of Tacoma building codes, processes and procedures and receives a valid temporary or permanent certificate of occupancy from the City. The Community and Economic Development Department has determined that the proposed project has all the necessary qualifications for the 8-year multi-family housing property tax exemption. A&A Property Holdings, LLC will enter into an agreement prepared by the City to develop the site as described in the plans on file with the City.

COMMUNITY ENGAGEMENT/ (CUSTOMER RESEARCH):

December 2022 outreach to multifamily properties show that Tacoma has an 8% vacancy rate in rental housing, which indicates while there has been an increase in vacancies there is still very much a housing need in Tacoma. New projects coming on line are still quickly filled also showing that demand is not slowing. As we add additional units pressure on the market should be relieved and prices should reflect less upward pressure.

2025 STRATEGIC PRIORITIES:

Equity and Accessibility:

This project will create more overall housing units in Tacoma and will specifically create housing units in the Downtown Regional Growth Center where there is good accessibility to jobs, transit and other amenities.

Economy/Workforce: *Equity Index Score*: Moderate Opportunity

Increase the percentage of people relocating to the city and affordability of housing compared to neighboring jurisdictions. Decrease the number of vacant properties downtown and in the neighborhood business districts.

Livability: *Equity Index Score*: High Opportunity

Increase the number of Complete Compact Communities/ 20-Minute Neighborhoods throughout the city.

This project adds much needed housing in an area of the City which is very close to jobs, transit, schools, and retail activity.

Staff has reviewed the application and has determined that the proposed project qualifies for the 8 Year Multifamily Housing Property Tax Exemption. Staff recommends the Council approve the resolution.
