RESTRICTIVE COVENANT

ALAN LYNDEN, hereinafter referred to as "Grantor", and the **City of Tacoma**, a municipal corporation, hereinafter referred to as "Grantee", pursuant to that certain Purchase and Sale Agreement dated _____, have contracted for the sale/disposition of certain surplus City property located at 3524 McKinley Ave, Tacoma WA, 98404, legally described in Exhibit "A" attached hereto and by this reference incorporated herein (hereinafter the "Property"), which Property has been conveyed to Grantor by a Quit Claim Deed of even date herewith, referenced as City of Tacoma Deed # _____ and recorded under Auditor's File No. _____, (the "Quit Claim Deed"). Conveyance and recording of the Quit Claim Deed has been conditioned upon Grantor granting the covenant contained herein to Grantee.

Whereas, Grantor was selected, by way of a public solicitation process, to acquire the Property based upon Grantor's promised use(s) and development of the Property as provided in Grantor's proposal; and based further upon Grantor's representations made in his proposal detailing Grantor's future use(s) of the Property and the alignment of Grantor's representations and proffered use(s) of the Property with the desires and goals of the City of Tacoma and the neighboring community; and in order to ensure that Grantor uses the Property consistent with the representations made in Grantor's proposal, upon which Grantor was selected for acquisition, Grantee requires that Grantor enter this 'Restrictive Covenant' (this "Covenant") as a condition of the acquisition of the Property.

Therefore, Grantor hereby agrees to execute and adhere to the terms of this Covenant in consideration of the terms and conditions provided in the aforementioned Purchase and Sale Agreement, including but not limited to the conveyance and recording of the Quit Claim Deed to Grantor.

Grantor, intending to bind his successors and assigns, hereby agrees to use the Property for the following types of activities: **retail sale and delivery of office supplies, furniture, printing, promotional materials and cleaning and break room supplies**, (herein "Designated Purpose") for a period of five (5) years commencing on the date of the recording of this Covenant (the "Covenant Period"). All of the foregoing is referenced herein as the "Covenant of Use."

Should Grantor fail to use the Property consistent with the Covenant of Use, Grantor, hereby agrees to pay the sum shown on the table in Paragraph 2 below to the Grantee. This payment is hereinafter referred to as the 'Neighborhood Reinvestment Payment' or 'NRP'. By executing this Covenant, Grantor acknowledges and warrants that the NRP is a reasonable estimation of the loss to the Grantee and the neighboring community if Grantor fails to adhere to the Covenant of Use and that this estimation of loss includes but is not limited to the following: **(a)** Grantee's actual costs incurred and associated with conducting a public solicitation process that evaluated and relied upon Grantor's representations made in his proposal detailing Grantor's future use(s) of the Property and the alignment of Grantor's representations and proffered use(s) of the Property with the desires and goals of the City of Tacoma and the neighboring community including but not limited to the costs to conduct the public solicitation and selection process, draft and negotiate the transactional documents, and Grantee's internal staff costs incurred as necessary to consummate the transaction and obtain the appropriate government approvals; and **(b)** Grantee's opportunity costs and the incidental costs incurred by the neighboring community which Grantee serves, associated with the permanent conveyance of City property that, because of Grantor's failure to conform to the Covenant of Use, the Property is being utilized in a manner inconsistent with the express goals of the City of Tacoma and the neighboring community, and therefore, by definition, to the detriment of the Grantee. Grantor hereby expressly acknowledges that the Grantor's failure to adhere to the Covenant of Use is a violation of the promise upon which Grantor obtained the Property and therefore the violation of the same has deprived the Grantee of the ability to otherwise repurpose the Property consistent with the goals of the City and the neighboring community and that the NRP constitutes a reasonable estimation of Grantee's loss as a result thereof; and **(c)** that the NRP constitutes a reasonable estimation of Grantee's actual, consequential, and incidental damages (except attorneys fees and costs), should Grantor his successors and assigns fail to adhere to the Covenant of Use for all reasons stated herein, and all other unstated reasons to the extent the same supports the determination that the NRP constitutes a reasonable estimation of Grantee's loss.

1. At any time during the Covenant Period, except for that time reasonably required to rehabilitate and improve the Property for the Designated Purpose, in the event that Grantor ceases to use the Property for the Designated Purpose for longer than three (3) non-consecutive months in any given calendar year, or three (3) consecutive months at any time during the Covenant Period, Grantee may give written notice to Grantor of his intent to collect the NRP (the "NRP Notice"). Upon receiving the NRP Notice, Grantor may cure his breach of the Covenant by **(a)** resuming use of the Property in accordance with the Designated Purpose within one (1) month of the date of the NRP Notice in order to avoid an obligation to forfeit the NRP, **(b)** utilizing the Property for uses substantially similar to those provided in the Designated Purpose (herein "Substitute Purpose"); provided Grantee shall have sole discretion to determine whether the Substitute Purpose is acceptable to the City of Tacoma, or **(c)** paying the NRP in lieu of re-adherence to the Covenant; provided said payment is paid within thirty calendar days of Grantor's receipt of the NRP Notice and in accordance with Section 2 provided herein. Any period of non-use in accordance with the Designated Purpose (or Substitute Purpose) during the Covenant Period shall be tacked on to the end of the Covenant Period as an effective extension thereof. Grantee shall be allowed a maximum of two (2) cures pursuant to 1. (a) and (b) above, during the Covenant Period.

2. Through the course of the Covenant Period, Grantor may pay the NRP in lieu of adherence to the Covenant in accordance with the following schedule:

Covenant Period	NRP Payable
Year One	\$45,000
Year Two	\$45,000
Year Three	\$35,000
Year Four	\$35,000
Year Five	\$25,000

Year One shall include those days falling within one calendar year from the date of execution of this Covenant; and the following Years of the Covenant shall be calculated for like successive periods.

3. In the event that Grantor and/or his successors and assigns, fail(s) to adhere to the Covenant and fail to otherwise cure as provided herein, Grantor hereby expressly acknowledges that the value of the NRP shall constitute a valid lien against and attaching to the Property in favor of Grantee, and further that Grantee shall have the express right to file and attach a lien against the Property for the value of the NRP, as well as all lawful rights for the collection of enforcement of the lien against the Property, as provided by law.

4. This Covenant runs with the land, and shall bind all successors and assigns in title to the Property until such time as the Covenant expires or is otherwise terminated through Grantee's payment of the NRP.

5. At the conclusion of the Covenant Period, if there have been no breaches (or prior NRP payoff) of the Covenant, or any such breach has been effectively cured, this Covenant shall terminate and be of no further force or effect. Upon expiration of the Covenant Period (or earlier termination), at Grantor's request, Grantor agrees to sign an acknowledgement in recordable form that the Covenant has terminated.

6. **Attorney's Fees and Costs.** If Grantor fails to perform any of his obligations under this Covenant, or if a dispute arises concerning the meaning or interpretation of any provision of this Covenant, the defaulting party or the party not prevailing in the dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights under this Covenant, including without limitation, court costs and reasonable attorney fees incurred in connection with any federal, state or bankruptcy proceeding.
