ITEMS OF INTEREST

2. **On February 7, 2023, the City Council conducted a public hearing on the Infrastructure, Planning, and Sustainability (IPS) Committee's recommendations regarding a potential moratorium within the South Tacoma Groundwater Protection District (STGPD).** The proposed moratorium would temporarily prohibit new underground storage tanks and metal recycling/auto wrecking facilities within the South Tacoma Groundwater Protection District. To support the City Council's deliberations, **staff will present a summary of the comments received at the February 14, 2023, Study Session.** Please see below background documents available on the project webpage:

5. Warming Center Update: For the 2022-2023 winter weather season, the City of Tacoma has partnered with funded shelter providers to ensure that unsheltered individuals have access to indoor shelter options. These efforts have expanded the City's shelter capacity by 145 beds. For more information on inclement weather response visit: www.cityoftacoma.org/inclementresources.
 - **The Rescue Mission will operate an inclement weather shelter at Holy Rosary Church from November 21, 2022, until the end of March 2023, this shelter provides an additional 50 seasonal beds; anyone wishing to access these beds should go to the main Rescue Mission campus. The Holy Rosary site has served an average 38 people sleeping over night during the 67 days they have been in operation.**

- **The Rescue Mission (425 South Tacoma Way) and Catholic Community Services' Nativity House (702 S. 14th Street)** will be providing overflow shelter beds for a total of up to 60 individuals during acute inclement weather events (when the forecast is for 35 degrees with wind/rain or 32 degrees and colder). The Nativity House has been **activated 33 days so far this season and have averaged an additional 23 people staying at Nativity House during the inclement weather.**
 - **Life Enrichment Group (415 S. 13th Street)** will be offering 20 overflow beds for young adults 18-24 years of age, in the event of acute inclement weather. **This location has not yet had to operate their overflow capacity.**
 - **Lighthouse Activity Center (5016 'A' Street)** in the event of acute inclement weather, will be open during the day from 8:30 AM – 5:30 PM for all community members. **There is no data for attendance currently.**

City-funded Temporary and Emergency Shelter Performance: The City posts weekly information about its Temporary and Emergency Shelter locations including current census, number of available beds and exits to housing. This information can be found at: https://www.cityoftacoma.org/UserFiles/Servers/Server_6/File/cms/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf and is updated weekly.
7. Encampment Outreach: The City's Homeless Engagement and Alternatives Liaison (HEAL) Team (formerly the Homeless Outreach Team) performs encampment outreach throughout the week to provide individuals opportunities to connect to shelter, behavioral health, substance use and employment services. **For the week of January 30 - February 2, 2023, staff visited fourteen locations. This resulted in 31 individuals being contacted and three individuals being placed in shelter.**
8. Emergency Rental Assistance: The Pierce County Rental Assistance program stopped on August 1, 2022; however, applications will be processed normally until all funds have been distributed, this includes both Pierce County and City of Tacoma funds. This closure will not affect applications already in process. Since 2021, the City has provided 1,108 households with \$8,341,102 in rental assistance (**this is an increase of 1 household and \$30,182, in assistance over last report**). The City has now fully expended its ERA 1 award and its set aside for utility assistance from ERA 2 funds. When we launched this program in 2020, we set a goal of having at least 45% of the households served headed by a person of color, to date, 65% of the households served are headed by a person of color. Sector 4 Weekly Briefing for 30 January 2023 to 05 February 2023

The data is not National Incident Based Reporting System (NIBRS) compliant. Do not compare the results with any report using that standard. The data is dynamic and is subject to change and/or revision. The number of distinct offenses listed on a report are counted. This does not represent reports or individuals. All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases. Beginning 1 October 2022, there was a change in how TPD reports certain Aggravated Assaults and Destruction offenses.
