August 19, 2025	Massage Business Regulatory License	Danielle Larson, T&L Division Manager, Finance	Staff from Tax & Licensing will provide a briefing on a proposed new regulatory license for massage businesses. The proposed new regulatory license will help (1) ensure massage businesses are employing licensed and certified persons to provide massage services; and (2) are following state health and licensing requirements. The new license is intended to inhibit the ability of an individual or business to engage in the practice of providing unlicensed massage and to support the legitimate provision of these services by licensed massage practitioners.
