

(Petition created by Tacoma-Pierce County Democratic Socialists of America)

To: City of Tacoma Mayor Woodards, City Council Members, City Manager Pauli

We, residents and community members throughout Tacoma, call on you to take action in the following manner.

1) Take action laid out by Manuel Ellis' family and Tacoma Action Collective to see #JusticeforManuelEllis a reality now:

- a) Arrest & charge TPD officers involved in Manuel Ellis's murder: Matthew Collins, Christopher Burbank, Masiyh Ford, and Timothy Rankine
- b) Investigate how many times TPD & Pierce County Sheriff's Department broke the laws & policies of 1940
- c) Remove officials complicit in the murder cover up: Pierce County Sheriff Paul Pastor, Tacoma Police Chief Don Ramsdell & Pierce County Sheriff's Information Officer Ed Troyer

2) Defund police in upcoming 2021-2022 budget allocations, in the following ways:

- a) The city must halt any further budget cuts and furloughs in non-police general fund programs and departments.
- b) The police General Fund budget must be cut by 50% (approximately \$87.75 million this biennium, and a projected \$92 million next biennium). Those funds must be redistributed to other city programs and departments facing austerity, starting with essential services and programs serving black and brown communities.
- c) Any residual funds remaining from the police budget must be redistributed explicitly to programs serving historically marginalized communities and neighborhoods.

We demand you to protect our black, indigenous, and community members of color who deserve a more just and equitable society devoid of police violence. We insist that you move boldly in solidarity with the Movement for Black Lives, Black Lives Matter, and other Tacoma community activists and organizers fighting for police accountability and racial justice.

Join us and others who have signed this petition in demanding: "Police divestment, community investment!"
