

ORDINANCE NO. 29040

1 AN ORDINANCE amending Titles 5 and 17 of the Municipal Code, relating to
2 Health and Sanitation and Animal Control, by amending various
3 chapters, and repealing in its entirety Chapter 5.32, entitled “Hogs”, to
4 better address animal overpopulation and clarify language.

5 WHEREAS Tacoma is grappling with an increase in its animal
6 population, leading to overburdened animal shelters, strained animal control
7 and police services, and amplified risks to the environment, public safety, and
8 public health, and

9 WHEREAS animal overpopulation is also detrimental for animal welfare,
10 as it can lead to increased euthanasia rates for healthy and adoptable animals
11 due to the high costs of sheltering and an insufficient number of adopters or
12 foster homes, and

13 WHEREAS, in 2022-2023, Tacoma’s 311 system received 758
14 complaints related to animal issues, such as breeding, animal waste, and
15 animals that have been hit by vehicles; in 2023-2024, the number of complaints
16 doubled; and, data for 2024-2025 shows that 311 complaints for animal issues
17 remained on par with the record highs at 1,467 complaints, and

18 WHEREAS, the Humane Society for Tacoma and Pierce County
19 (“HSTPC”) has resorted to doubling and tripling kennel occupancy, as well as
20 waiving or reducing adoption fees, on multiple occasions due to high intake
21 rates and overcrowding, and

22 WHEREAS Tacoma’s Municipal Code (“TMC”) is currently ill-suited to
23 help curb animal overpopulation, as it lacks robust constraints on issues such
24
25
26

as breeding companion animals for profit and owning unaltered animals, and

1 WHEREAS the TMC also lacks sufficient fees to help generate even
2 modest amounts of revenue that could be used to support low-cost spay and
3 neuter programs, as well as Trap-Neuter-Return ("TNR") efforts for community
4 cats, and
5

6 WHEREAS low-cost spay and neuter programs, along with TNR efforts,
7 are a proven method for managing animal populations, limiting the burden on
8 Animal Control, Police Officers, and animal shelters, minimizing the negative
9 impacts of large numbers of unhoused animals on neighborhoods, and curbing
10 the need to euthanize healthy and adoptable companion animals, and
11

12 WHEREAS to better equip Tacoma to manage its animal population, the
13 proposed amendments to Title 17 of the TMC include: (1) Adding a definition
14 for "community cats" to enable unowned, free-roaming, and generally feral cats
15 that may be receiving care from a community member or may be stable without
16 intervention in their resident area to remain outdoors and be altered through
17 TNR programs; (2) Banning the breeding, advertising, and sale of companion
18 animals for profit without a current business license issued under TMC Chapter
19 6B.20; (3) Creating mandatory spay and neuter requirements for animals
20 impounded by Animal Control, absent proof of alteration or risk to the health of
21 the animal; and (4) Increasing the general animal licensing fees, including
22 unaltered fees, to help fund low-cost spay and neuter programs and TNR
23 efforts, while also establishing a new reduced fee rate for those who qualify for
24 the Tacoma Public Utility Bill Credit program, and
25
26

WHEREAS, along with updates aimed at curbing animal overpopulation,
an amendment is proposed to clarify vague and outdated code language, such
as refining the requirements for keeping pigs, clarifying the penalties for animals
injuring humans, and providing more explicit language regarding the adoption of
potentially dangerous dogs; Now, Therefore,

BE IT ORDAINED BY THE CITY OF TACOMA:

Section 1. That the City Council hereby adopts the Recitals of this
Ordinance as its formal legislative findings.

Section 2. That Titles 5 and 17 of the Tacoma Municipal Code ("TMC")
are hereby amended as set forth in the attached Exhibit "A," by amending
various chapters, and repealing in its entirety Chapter 5.32, entitled "Hogs."

Section 3. That the new annual license fees set forth in TMC 17.05.040
will have a delayed effective date of September 1, 2025.

Section 4. That the City Clerk, in consultation with the City Attorney, is
authorized to make necessary corrections to this ordinance, including, but not

limited to, the correction of scrivener's/clerical errors, references, ordinance
