# HEALTH, EQUITY, AND SUSTAINABILITY ANALYSIS

Construction of stations at Portland Avenue and the Tacoma Dome will:

- Provide access to diverse transportation options
- Allow access to fast, reliable public transportation options
- Increase business development along the corridors
- Increase number of infrastructure projects and improvements along the corridor

**4**

4

## OUTREACH & NEXT STEPS

- Sound Transit is leading outreach
- Meet quarterly to monthly
- Actively seeking feedback on stations alternatives for further study
- Agreement enhances the City's ability to support Sound Transit's future outreach efforts
- Sound Transit Board Meeting – April 24, 2025
