**SUBJECT:** Request for Ordinance to Amend Title 6A.110 Property Tax Exemptions for Multi-Family Housing Code First Reading December 10, 2024  
**DATE:** November 7, 2024

---

**SUMMARY & PURPOSE:**

The Community and Economic Development Department is requesting approval of the proposed amendments of the Property Tax Exemptions for Multi-Family Housing Code, Tacoma Municipal Code 6A.110. In the past, the application fees for the multifamily property tax exemption had not been included in the City’s fee schedule. At the recommendation of the Office of Management and Budget, beginning in 2025 the application fees have been added to the City’s fee schedule. This Ordinance makes necessary changes to the Tacoma Municipal Code to remove the specific fee amounts from the TMC and instead includes language to refer to the fee schedule. This Ordinance also clarifies that the final certificate of tax exemption may be applied for following either a Temporary Certificate of Occupancy or a final Certificate of Occupancy and that under RCW 84.14.100(3)(a) on-site audits must occur every five years.

**BACKGROUND:**

During the biennial budget development process, the fact that the Multifamily Property Tax Exemption Fees were not included in the City’s Fee Schedule was brought to the attention of Community and Economic Development Department. During that process, it was decided that they should be in the Fee Schedule, and they were added to the schedule that was adopted by Council on December 3, 2024. During the process of reviewing the fees, it became evident that the fees had not been increased since the program’s adoption over 20 years ago. Under the RCW, fees are allowed to be collected to offset costs of running the program.

**COMMUNITY ENGAGEMENT/ (CUSTOMER RESEARCH):**

The fee schedule was presented to Government Performance and Finance Committee on October 15, 2024.
