COPY:	City Council and City Clerk
SUBJECT:	Resolution – Historic Cushman Street Fair – September 19, 2023
DATE:	September 13, 2023

SUMMARY AND PURPOSE

A resolution authorizing a Council Contingency Fund expenditure of \$8,000 for the Historic Cushman Street Fair, sponsored by the North End Neighborhood Council (NENC).

COUNCIL SPONSORS

Council Member John Hines, Deputy Mayor Kristina Walker, and Council Member Sarah Rumbaugh

BACKGROUND

The North End Neighborhood Council (NENC) is sponsoring the Historic Cushman Street Fair, a family-friendly event designed to celebrate community and raise public awareness about Tacoma's historical Cushman and Adams Substations. The event will also celebrate the re-launch of the commitment by the City of Tacoma and Tacoma Public Utilities to finding three potential future uses for the Cushman and Adams Substations buildings and properties. The event will include music, food, drinks, free treats for kids, family activities, a video tour inside the Cushman Substation, and a chance to learn more about the City's Proctor Neighborhood Plan. The event is planned for September 23 and builds on the tradition of the first Cushman Street Fair held in 2018. Community members from across Tacoma are invited to participate and event organizers are stressing messaging that "these historical buildings belong to all Tacomans."

This contingency fund request would provide funding for:

Entertainment/Music/Rentals:	\$3,500
Barricades/Permits/Insurance:	\$1,500
Foods/Drinks:	\$1,500
Materials/Supplies/Decorations:	\$1,500

Planning for this event occurred outside the standard City of Tacoma event grant application timeline due to new information regarding Tacoma Public Utilities' efforts to surplus the Cushman and Adams Substations. This request is intended to provide a one-time opportunity for contingency funds to support the Historic Cushman Street Fair. For future years, event organizers seeking City of Tacoma funds should apply for the City's event and cultural grant opportunities.

COMMUNITY ENGAGEMENT/ CUSTOMER RESEARCH

The NENC has long been helping to raise awareness among residents in the community and across the city about the Cushman and Adams substations and potential future uses for the locations. The event is being promoted with the public, the Proctor neighborhood, and historical building enthusiasts.

2025 STRATEGIC PRIORITIES

Equity and Accessibility

This event will help expand the public's awareness and knowledge of the historical Cushman and Adams Substations, bolstering the public's ability to provide input for the City of Tacoma and Tacoma Public Utilities regarding the future use of the buildings and properties. The event will bring people from across Tacoma into the conversation about the future use of these community assets as early as possible, helping to ensure a more inclusive dialogue. In addition, the event will be an opportunity for all community members to have broad access to the grounds of these sites, as well as a video showing of the inside of the Cushman Substation.

The Cushman and Adams Substations are an important part of Tacoma's history for all residents and notable assets to the City as a whole. Located at the intersection of N. 21st St. and N. Adams St., the Cushman and Adams Substations were built in the mid-1920s to bring electricity from Cushman Dam to Tacoma. For many years, the substations served as active parts of the electric system. In June 2017, the Tacoma City Council placed both substations on the Tacoma Register of Historic Places.

Civic Engagement: Equity Index Score: Moderate Opportunity

Increase the number of residents who participate civically through volunteering and voting. Increase the percentage of residents who believe they are able to have a positive impact on the community and express trust in the public institutions in Tacoma.

Livability: Equity Index Score: Moderate Opportunity

Increase positive public perception of safety and overall quality of life.

Explain how your legislation will affect the selected indicator(s).

This contingency fund will help expand public awareness and broaden the accessibility of historical locations that are City assets. In addition, the event will provide the public with an opportunity to learn more about these historical properties and how to get involved in helping to determine their potential future uses, creating a more inclusive dialogue. The public will also have an opportunity to share their views and input on the Proctor Neighborhood Plan with City staff. The NENC is an all-volunteer neighborhood council, and this event will help build support for their work and engagement with the community.

ALTERNATIVES

Alternative(s)	Positive Impact(s)	Negative Impact(s)
Provide less funding	Preserve some additional contingency funds for other Council priorities.	The Historic Cushman Street Fair would be unable to purchase planned resources for the event, minimizing the event's value to the community.
Provide more funding	Enable the event to increase programming and community benefit.	The NENC has not requested additional funds.

EVALUATION AND FOLLOW UP

These contingency funds are intended as a one-time funding source for the Historic Cushman Street Fair. Event organizers will be provided with information on how to apply for future grants and event funding opportunities at the City of Tacoma during standard application cycles.

STAFF/SPONSOR RECOMMENDATION

Sponsors recommend providing \$8,000 for the Historic Cushman Street Fair.

FISCAL IMPACT

Fund Number & Name	COST OBJECT (CC/WBS/ORDER)	Cost Element	Total Amount
1. 1030 – Council Contingency Fund	660000		\$8,000
TOTAL			\$8,000

What Funding is being used to support the expense?

Council Contingency Fund

Are the expenditures and revenues planned and budgeted in this biennium's current budget? No, PLEASE EXPLAIN BELOW

The Council Contingency Fund provides an established amount of funding each year for unbudgeted Council sponsored initiatives.

Are there financial costs or other impacts of not implementing the legislation? $\ensuremath{\mathbb{N}0}$

Will the legislation have an ongoing/recurring fiscal impact? No

Will the legislation change the City's FTE/personnel counts? No
