SUBJECT: TPU Rate-Making Principles

DATE: May 3, 2022

PRESENTATION TYPE: Informational Briefing

SUMMARY:

Throughout the rate-making process, Tacoma Power and Tacoma Water adhere to legal, industry-standard, and TPU principles. These principles are highlighted in the development of the revenue requirement and the cost-of-service analysis.

BACKGROUND:

Tacoma Power and Tacoma Water perform rate-making on a biennial basis to determine the sufficiency of current rate levels and suitability of current rate structures.

ISSUE:

The GPFC requires a foundational understanding of the rate-making process and principles to better inform forthcoming utility budget and rate proposals. Subsequent presentations will provide additional foundational information for this purpose.
