

## WEEKLY REPORT TO THE CITY COUNCIL

June 16, 2022

Members of the City Council City of Tacoma, Washington

# **Dear Mayor and Council Members:**

# **ITEMS OF INTEREST**

- 1. City Manager Elizabeth Pauli provides the attached approved **Purchase Contract Awards** for the week of June 13, 2022.
- 2. City of Tacoma Venues and Events Director Adam Cook provides the attached **Tacoma City Theaters Branding memorandum**.
- Interim Public Works Director Jeff Jenkins provides a response to a question posed during the Six-Year Comprehensive Transportation Improvement Program presentation at the May 10, 2022, City Council Study Session.
- 4. In preparation for the City Council's first reading of Ordinances and Resolution regarding the 2022 Annual Amendment to the Comprehensive Plan on June 21, 2022, Planning and Development Services staff are providing additional information regarding the City's noise ordinance and the noise study performed in the review of the NewCold application. Staff will be available at the City Council study session on June 21, 2022 to answer any additional questions from the City Council.

The City of Tacoma enforces a noise ordinance (<u>Tacoma Municipal Code 8.122</u>) that sets community standards for sound levels so that all people can enjoy our neighborhoods. Excessive noise interrupts residents from enjoying Tacoma's natural environment. Noises that last longer than one minute, are distinctly louder than other noises in the area and are reoccurring are likely noise violations. Common noise violations include:

- Construction between the hours of 9PM-7AM
- Music heard from more than 100 feet away (example: loudspeakers)
- Noise from gym classes or from other commercial activity between the hours of 9PM-7AM
- Commercial equipment that exceeds allowable ambient levels (example: loud HVAC)

The noise study performed in response to the NewCold application can be found on pages 49-55 of the Determination of Non-Significance and Environmental Checklist.

- City-funded Temporary and Emergency Shelter Performance: The City posts weekly information about its Temporary and Emergency Shelter locations including current census, number of available beds and exits to housing. This information can be found at: <a href="https://cms.cityoftacoma.org/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf">https://cms.cityoftacoma.org/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf</a> and is updated weekly.
- 6. <u>Encampment Outreach</u>: The City's Homeless Engagement and Alternatives Liaison (HEAL) Team (formerly the Homeless Outreach Team) performs encampment outreach throughout the week to provide individuals opportunities to connect to shelter, behavioral health, substance use and employment services. For the week of June 6-10, 2022, **staff visited six locations**. **This resulted in thirteen individuals being contacted and four individuals connected to resources**.
- 7. Rental Assistance: The rental assistance portal is open! Residents may find more information at <a href="https://www.piercecountywa.gov/7142/Rental-Assistance">https://www.piercecountywa.gov/7142/Rental-Assistance</a>. The program provides up to 12 months of back assistance dating back to March 2020 as well as three months future assistance and serves households up to 80% of Pierce County Area Median Income. Applicants may also qualify for utility assistance through the program. Since 2021, the City has provided 950 households with \$6,853,572 in rental assistance (this is an increase of 10 households and \$88,334, in assistance over last report). The City has now fully expended its ERA 1 award and its set aside for utility assistance from ERA 2 funds. Households needing utility assistance are still able to access that assistance through the portal and are supported by available funding from Pierce County. When we launched this program in 2020, we set a goal of having at least 45% of the households served headed by a person of color, to date, 65% of the households served are headed by a person of color. The City's Rental Assistance Fund at the Greater Tacoma Community Foundation has received 30 gifts totaling \$32,820.
- 8. <u>Senior Meal Delivery</u>: Access to healthy meals and social and emotional supports are important to our senior population. The City's contracted partner ensured in person, pickup, and delivery of 228 meals for the week of June 6 June 10, 2022. **Lunches provided are available to Tacoma seniors (age 60 years and older) Monday through Friday on a first come-first serve basis, from 12 PM to 12:30 PM.**

Lunch at Beacon Activity Center:

- Sit-down lunches are available on Monday and Tuesday
- "To Go" lunches are available on Wednesday, Thursday and Friday

Lunch at Lighthouse Activity Center:

- Sit-down lunches are available on Thursday and Friday
- "To Go" lunches are available on Monday, Tuesday and Wednesday
- 9. Please see the attached City of Tacoma Weekly Meeting Schedule.
- 10. Police Chief Avery Moore provides the attached **Weekly Crime Report**.

# STUDY SESSION/WORK SESSION

**COPY:** City Council, City Clerk, EIC Coordinator, LEAP Coordinator, and Ryan Foster,

Finance/Purchasing

SUBJECT: Purchase of New Heart Monitors, Automated External Defibrillators (AEDs) and

Associated Equipment and Supplies

Request for Bid Specification No. FD21-0464F, Contract No. CW2250613

**DATE:** June 1, 2022

Pursuant to the City of Tacoma March 12, 2020, state of emergency proclamation in response to COVID-19, made in accordance with Tacoma Municipal Code Chapter 1.10., contract awards for purchases must be approved by the City Manager or delegee.

### **RECOMMENDATION SUMMARY:**

The Tacoma Fire Department (TFD) recommends a contract be awarded to Philips North American LLC (Philips), Cambridge, MA, in the amount of \$918,648.16, plus applicable taxes, for an initial contract term of three years with the option to renew for three additional one-year terms, for a projected contract amount of \$918,648.16, plus applicable taxes, for the purchase of new heart monitors, AED's and associated equipment and accessories.

## STRATEGIC POLICY PRIORITY:

- Strengthen and support a safe city with healthy residents.
- Ensure all Tacoma residents are valued and have access to resources to meet their needs.

The proposed contract will provide necessary replacements for our current aging heart monitors and associated equipment. This new equipment will allow TFD staff to respond effectively to emergency medical service (EMS) incidents in TFD's service area. This contract will allow each of TFD's medic units to receive a replacement heart monitor now and over the life of the contract and a replacement for all AEDs, ensuring that all Tacoma residents have access to the best medical devices during their time of need.

### **BACKGROUND:**

The Tacoma Fire Department completed a Request for Information (RFI) that was initiated in March 2021. This RFI process included an initial round of virtual demonstrations, an additional round of demonstrations that involved a brief tutorial on the user interface followed by a 30-minute usage/demo in the back of an ambulance. These steps were followed by a 30-day live field trial of the Philips heart monitor to ensure the best decision was being made for the TFD. In total, the process lasted a little over a year and involved a dedicated group of paramedics who completed the evaluations at each stage. At the completion of the RFI, the Philips heart monitor and AED were selected and a Request for Bid was issued to select a vendor.

ISSUE: The heart monitors currently used by the Tacoma Fire Department are 10+ years old and have reached end of life. As such, they need to be replaced to ensure the department's paramedics have the necessary life-saving equipment they need.

ALTERNATIVES: The alternative to executing this contract would be to keep and maintain the equipment that we currently have. Our current equipment has reached end of life and is both costly and time-consuming to maintain which could leave us without the necessary life-saving equipment our paramedics need in an emergency. Contracting with Philips is preferable as it will allow us to purchase new modern equipment.

**COMPETITIVE SOLICITATION:** Request for Bid Specification No. FD21-0464F was opened Tuesday, May 17, 2022. Three (3) companies were invited to bid in addition to normal advertising of the project. One (1) submittal was received.

Respondent <u>Location</u> <u>Submittal Amount</u>

Philips North America LLC Cambridge, MA \$ 918,648.16

Pre-bid Estimate: \$1,000,000

The recommended award is eight percent below the pre-bid estimate.

CONTRACT HISTORY: New contract.

SUSTAINABILITY: Per Resolution 40509, the City has made a commitment to support initiatives that foster a climate emergency mobilization effort to combat global warming. Philips has been reporting on their sustainability efforts since as far back as 1999 and continues to focus on goals each year that increase sustainability. In 2020, new sustainability targets were introduced including maintaining a zero KTonnes net operational carbon footprint and that there would be zero waste sent to landfills by 2025.

EIC/LEAP COMPLIANCE: There are no EIC requirements for this project. The Local Employment and Apprenticeship Training Program (LEAP) requirements are None.

### City Manager Action Memorandum

 $\mathcal{M}$ 

TO: Elizabeth Pauli, City Manager

**FROM:** Jeffrey A. Jenkins, Interim Director, Public Works

Darius Thompson, Engineering Project Manager, Public Works

**COPY:** City Council, City Clerk, EIC Coordinator, LEAP Coordinator, and Tina Eide,

Senior Buyer, Finance/Purchasing

**SUBJECT:** Foss Waterways Site 10, 12, and Municipal Dock Bulkhead Replacement

Request for Bids - Specification No. PW22-0105F, Contract No. CW2250772

**DATE:** June 2, 2022

Pursuant to the City of Tacoma March 12, 2020, state of emergency proclamation in response to COVID-19, made in accordance with Tacoma Municipal Code Chapter 1.10., contract awards for purchases must be approved by the City Manager or delegee.

### **RECOMMENDATION SUMMARY:**

The Public Works Department recommends a contract be awarded to Quigg Bros, Inc, Aberdeen, WA, in the amount of \$3,267,490, plus a 10 percent contingency, for a cumulative total of \$3,594,239, plus applicable taxes, budgeted from Foss Waterway Development Authority funds, for installation of sheet pile walls at three sites along the Thea Foss Waterway.

## STRATEGIC POLICY PRIORITY:

- Strengthen and support a safe city with healthy residents.
- Assure outstanding stewardship of the natural and built environment.

This Bulkhead replacement is to provide safe, long-term access to the parking and esplanade walkway along the Thea Foss Waterway.

### **BACKGROUND:**

The existing shoreline areas at Site 10, 12, and Municipal Dock are currently failing and deteriorating. The purpose of the project is to stabilize the upland sites and prevent further decline of the currently established upland conditions. The proposed sheet pile walls will accommodate safe public access and encourage future development of the three sites.

ISSUE: This project will install a sheet pile wall at three sites along the Thea Foss Waterway: Site 10, 12, and Municipal Dock.

ALTERNATIVES: The alternative to this project is to not improve the shoreline at these three sites and the shoreline will continue to deteriorate.

# **COMPETITIVE SOLICITATION:**

Request for Bids Specification No. PW22-0105F was opened on April 19, 2022. No companies were invited to bid in addition to normal advertising of the project. Four submittals were received.

Quigg Bros, Inc submitted a bid that resulted in the lowest submittal after consideration from our Construction Management group. The table below reflects the amount of the base award.

Respondent (RFB)	Location (city and state)	Submittal Amount	Responsiveness
Quigg Bros Inc	Aberdeen, WA	\$3,267,490	Responsive
Orion Marine Contractors, Inc	Tacoma, WA	\$3,685,281	Responsive
Ceccanti, Inc	Tacoma, WA	\$3,974,712	Responsive
American Construction Co, Inc	Tacoma, WA	\$4,174,405	Responsive

Pre-bid Estimate: \$3,638,739

The recommended award is 10 percent below the pre-bid estimate.

Based on the estimated working days, staff believes this project will result in 6,000 labor hours.

CONTRACT HISTORY: New contract.

SUSTAINABILITY: This project will improve the City's infrastructure and the safety of residents during motorized and non-motorized travel. Grouping the three sites together into one contract leverages the City's buying power.

EIC/LEAP COMPLIANCE: The recommended contractor is in compliance with the Equity in Contracting (EIC) Regulation requirements per memorandum dated April 21, 2022. The EIC requirements for this project are Minority Business Enterprise (MBE): 6 percent, Women's Business Enterprise (WBE): 2 percent, and Small Business Enterprise (SBE): 5 percent. The EIC utilization levels of the recommended contractor, Quigg Bros, Inc are MBE: 6 percent, WBE: 2 percent, and SBE: 6 percent. The Local Employment and Apprenticeship Training Program (LEAP) requirements are Local Employment Goal of 15 percent and Apprentice Utilization Goal of 15 percent.

**FROM:** Adam S. Cook, Tacoma Venues & Events Director **COPY:** Mayor, Deputy Mayor, City Council, Kurtis Kingsolver

**SUBJECT:** Tacoma City Theaters Branding

**DATE:** June 03, 2022

Tacoma Venues & Events is pleased to offer this informational update about the branding project for the City of Tacoma owned theaters (Pantages, Rialto, Theater on the Square).

#### **BACKGROUND:**

Tacoma Venues & Events (TVE) contracted ASM Global to take over management of the City of Tacoma's Pantages Theater, Rialto Theater, and Theater on the Square in September 2021.

Prior to this, the theaters collectively had been known under the previous management company's name, most recently "Tacoma Arts Live" and prior to that as "Broadway Center for the Performing Arts". Neither the individual theaters nor the overall group of theaters had their own identity separate from the previous manager.

Upon the change in management, this left the theaters devoid of both a collective name and critical marketing assets (websites, digital domains, brand recognition, etc.).

## **PROCESS:**

TVE & ASM Global partnered to undertake a rebranding of both the individual and collective theater brands.

Local firm, Hemisphere Marketing & Design, was contracted by ASM Global to design and develop a unified identity for this group of three theaters including a name and logo representation, as well as individual logos for each theater.

Hemisphere, TVE, and ASM Global, engaged community stakeholders and the resident arts organizations to gather perceptions and understand how the theaters should be represented. Stakeholder feedback and input was gathered through surveys, focus groups and direct interviews.

After further review of several designed options with multiple stakeholders, the following branding was selected based on its ability to capture the unique brand of each individual theater while also packaging them together and recognizing their cultural footprint within the Theater District.

The brand will be utilized starting the middle of June, allowing activation for the 2022-2023 season. Once implemented, the theaters will be showcased on one website, currently under construction at www.tacomacitytheaters.org.

City of Tacoma Memorandum

Kurtis D. Kingsolver, P.E., Interim Deputy City Manager

**FROM:** Jeffrey A. Jenkins, Interim Public Works Director

**SUBJECT:** Responses to City Council Question

**DATE:** June 15, 2022

### **SUMMARY:**

At the May 10, 2022 City Council Study Session, Council Member Hines asked staff to provide a summary of transportation grant programs and project eligibility.

Tacoma has been successful in obtaining transportation grants. There are several different grant programs. Each grant program has its own focus on different aspects of transportation, and each has its own criteria for selecting which projects it will support with its grant funds. Grants are typically competitive: many cities and counties submit applications and compete for the grant awards, but not all applications are awarded a grant. Most grants also require a share of the project cost to be paid by the City. The 2015 Voted Streets Initiative Fund has provided a source of match funds for grant applications, but expires in 2026.

The attached table provides a summary of typical transportation grant programs, project eligibility, and match requirements.

# Sector 4 Weekly Briefing for 06 June 2022 to 12 June 2022

The data is not National Incident Based Reporting System (NIBRS) compliant. Do not compare the results with any report using that standard. The data is dynamic and is subject to change and/or revision.

The number of distinct offenses listed on a report are counted. This does not represent reports or individuals. All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases.

# CITY OF TACOMA, WASHINGTON OFFICE OF THE CITY COUNCIL COUNCIL CONSIDERATION REQUEST

**TO:** Mayor & City Council

**FROM:** Council Member Kristina Walker and Council Assistant Claire Goodwin

**COPIES TO:** Elizabeth Pauli, City Manager; Bill Fosbre, City Attorney

SUBJECT: Council Contingency Fund Request - LGBTQ+ Pride Painting - June 28,

2022

**DATE:** June 15, 2022

I ask for your support for a Council Contingency Fund expenditure of \$2,500 to fund three LGBTQ+ Pride painting projects including temporary rainbow crosswalks, permanent rainbow bricks, and temporary rainbow barriers.

## **LEGISLATIVE INTENT:**

**Council Contingency Fund Request:** Every July, the City of Tacoma joins in celebrating and honoring the LGBTQ+ community as valuable, creative members of a diverse population in the south Puget Sound region through the annual Tacoma Pride Festival and affiliated Pride events. The month of July in Tacoma brings celebrations throughout the month and includes a festival, block party, film screenings, a Council proclamation, and flying the inclusive Philadelphia Pride flag over municipal facilities.

As part of the annual Pride celebrations, Downtown on the Go! (DOTG) has painted temporary rainbow crosswalks and hears from community members about how impactful permanent rainbow paint would be. Pride is a celebration of the LGBTQ+ community, but seeing Pride colors outside of July shows year-round acceptance of LGBTQ+ community members and there is a communicated desire for it. As the LGBTQ+ community experiences uncertainty across the nation with an increase of hateful language and legislation, this is one small way that Tacoma can show it is not only an LGBTQ+ friendly city, but one that celebrates the community.

The funding of \$2,500 is requested to fund three Pride painting projects led by DOTG in consultation with the City's Public Works Department and Office of Arts and Culture, in addition to the DOTG staff time required to accomplish the projects. These include:

- 1. Temporary Rainbow Pride Crosswalks: In collaboration with The Rainbow Center, paint and supplies will support two years of temporary Pride crosswalks on Pacific Avenue to coincide with the festivals.
- 2. Permanent Rainbow Bricks: In collaboration with The Mix, the curb bricks at St. Helens Avenue and 7th Street in front of The Mix will be painted in randomized Progressive Pride Flag colors. This will be permanent and supplies will remain with The Mix for ongoing maintenance as needed. Funds will support the cleaning of the bricks, priming, supplies, painting, and maintenance.
- 3. Temporary Rainbow Barriers: In collaboration with The Mix and likely Artist & Craftsman Supply, the concrete barriers on St. Helens Avenue extending north of The Mix from 7th to 6th Streets will be painted in Progressive Pride Flag colors with an additional guided community painting event to finalize the content.

# **FUNDING REQUESTED:**

\$ 2,500

# **COMMUNITY ENGAGEMENT/ (CUSTOMER RESEARCH):**

This proposal impacts all users of the public infrastructure at the named intersections, with a particular focus on members of the LGBTQ+ community. The intent is to foster a sense of belonging and support for LGBTQ+ community members in Tacoma. Having attended Pride planning meetings and working collaboratively with DOTG, The Mix, The Rainbow Center, and others, seeing Pride colors outside of July shows year-round acceptance of LGBTQ+ community members and there has been an expressed desire from community members for it.

# **2025 STRATEGIC PRIORITIES:**

## **Equity and Accessibility:**

As a group that is currently facing discrimination and a target for discriminatory legislation nationwide, this project will positively impact inclusion of members of the LGBTQ+ community by signaling the acceptance and welcoming nature of the City of Tacoma through Pride painted crosswalks, bricks, and barriers.

# **Civic Engagement:** *Equity Index Score*: Low Opportunity

Increase the percentage of residents who believe they are able to have a positive impact on the community and express trust in the public institutions in Tacoma.

**Livability:** *Equity Index Score*: Low Opportunity

Increase positive public perception of safety and overall quality of life.

# Explain how your legislation will affect the selected indicator(s)?

This proposal will increase the percentage of residents who believe they are able to have a positive impact on the community and express trust in the public institutions in Tacoma by supporting this community-led initiative that fosters goodwill and inclusion of the city's LGBTQ+ community. This proposal will also increase the positive public perception of safety and overall quality of life by funding visual representations of acceptance and inclusion of members of a minority group facing discrimination across the country.
