

MOTION FOR CITY COUNCIL CONSIDERATION

June 21, 2022

I MOVE TO AMEND Ordinance No. 28819 on page 2, line 23, to add the following WHEREAS, to read as follows:

“WHEREAS, in future site rezoning or permit processes for this site the City Council requests that the City’s administration consider conducting a cumulative traffic impact study of the existing facility and any proposed expansion with an emphasis on multi-modal conflicts specifically assessing potential conflicts among trucks, bicycles, other non-motorized transportation and pedestrians, and”

This amendment would: Add an additional Recital requesting that as part of future site rezoning or permit processes the City administration consider conducting a cumulative traffic impact study of the existing facility and any proposed expansion with an emphasis on multi-modal conflicts specifically assessing potential conflicts among trucks, bicycles and pedestrians.
