LOCAL NO. 483
INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
SUPERVISORS' BARGAINING UNIT**

PREAMBLE

For the purpose of maintaining cordial relations between the City of Tacoma, hereinafter designated as the "City" and the party of the first part, and Local No. 483, International Brotherhood of Electrical Workers, hereinafter designated as the "Union", party of the second part, the parties hereto do hereby enter into, establish and agree to the following conditions of employment.

The City and the Union have a common and sympathetic interest in the performance of municipal functions. Therefore, a working system and harmonious relations are necessary to improve the relationship between the City, the Union, and the public. All will benefit by continuous peace and by adjusting any differences by rational common sense methods. Progress in industry demands a mutuality of confidence between the City and the Union. To these ends this Agreement is made.

The City shall not be required to take any action under this Agreement which is in violation of federal or state law, City Charter or the ordinances of the City of Tacoma.

The Union agrees that its members, who are employees of the City, will individually and collectively perform efficient work and service, and that they will avoid and discourage waste of materials, time, and manpower; and that they will use their influence and the best efforts to protect the property of the City and its interests and to prevent loss of tools and materials; and that they will cooperate with the City in promoting and advancing the welfare of the City and the service at all times.

ARTICLE 1 - TERM OF AGREEMENT

This Agreement shall remain in full force and effect from January 1, 2022, to and including December 31, 2025; provided, however, that this Agreement shall be subject to such change or modification during the term of agreement as may be mutually agreed upon by the parties hereto. Should either party desire to modify this Agreement after the expiration date of December 31, 2025, notice of such desire shall be given 90 days in advance of December 31, 2025.

ARTICLE 2 - UNION RECOGNITION AND DUES DEDUCTION

Section 2.1 - Union Recognition The Union shall be the exclusive bargaining agent in all matters of wages, hours and employment conditions in the application of this Agreement to the employees within classifications as set forth hereafter in Article 6.

Section 2.2 - Leave for Business Manager/Representative The Director of Public Utilities or City Manager will approve granting of leave of absence without pay for the period covered by this Agreement without loss of Civil Service status and/or without loss of continued accrual of seniority, and aggregate City service or tenure status for all purposes, to no more than two (2) employees of the City who are members of the Union, and whom the Union may desire to have act as its Business Manager/Representative to be locally engaged in the business of the Union.

Section 2.3 The City will inform new bargaining unit employees of the Union's exclusive representation status. The City will provide union access to new employees entering the bargaining unit within ninety (90) days of hire. The City will allow the Union thirty (30) minutes to meet with such individuals during work hours and at their usual worksite or a mutually agreed upon location. During such meetings, an employee designated by the Union will be permitted, for up to thirty (30) minutes and without loss of regular straight-time pay, to meet with new represented employee(s). The Employer shall incur no costs for travel time or mileage, nor shall the Union use City vehicles or resources in the conduct of this union business.

Section 2.4 Deductions The City agrees to deduct from the pay of each employee, who has so authorized it, the Union initiation fees, monthly dues, and assessments as certified by the secretary of the Union. The City will rely on information provided by the Union regarding the authorization and revocation of deductions, and the Union will provide such information to an email address provided by the City. Upon receiving notice of the employee's authorization from the Union, the City will deduct from the employee's pay membership dues and remit the same to the Union no later than the second payroll cycle following receipt of the authorization. The amounts deducted shall be remitted monthly by the City to the Union on behalf of the employees identified by the Union as authorizing deduction(s). The Union shall provide the City with at least one full pay period notice of any change in the amount of Union initiation fees, monthly dues, and assessments. The Union agrees to refund to the City any amounts paid to it in error on account of the provisions of this Section upon presentation of proper evidence thereof. There shall be no retroactive deduction of Union initiation fees, monthly dues, or assessments.

Upon receipt of an employee request for authorization of payroll deduction of Union initiation fees, monthly dues, or assessments, the City will forward the request to the Union electronically within two weeks. The City will take no action upon receiving an employee request until receiving confirmation from the Union to begin deductions.

The employee's authorization will remain in effect until expressly revoked by the employee by written notice to the Union in accordance with the terms and conditions of the authorization. The cancellation will become effective no later than the second payroll cycle after receipt of the confirmation from the Union that the employee has revoked authorization for deduction.

Section 2.5 The City will furnish to the Union a roster and pay status of current bargaining unit employees. It is understood that this tabulation will be used by the Union for the sole purpose of compiling the Union dues formula and that the Union will not divulge any information from the subject tabulation to any other person or agency.

Section 2.6 The Union agrees to indemnify and save the City harmless against any liability which may arise by reason of any action taken by the City to comply with the provisions of this Article, including reimbursement for any legal fees or expenses incurred in connection with such action.

Section 2.7 The Business Manager or Business Representative of the Union may, after notifying the City of Tacoma official, or their designated management representative in charge of the workgroup, visit the work location of employees covered by this Agreement for the purpose of investigating conditions on the job. There shall not be any interference with the duties of employees or the operations of the Department.

Section 2.8 The City recognizes and will not interfere with the right of their employees to become members of the union and agrees there shall be no discrimination, interference, restraint or coercion by the City against any employee because of their membership in the union.

Section 2.9 The City agrees to use reasonable efforts to notify the Union prior to releasing any requested information when the City receives a Public Disclosure Request specifically asking for the name, date of birth, membership status, duty station/location, address, or work email address of all of the members of the Union's bargaining unit. The Union agrees to use reasonable efforts to notify the City prior to filing any court action to prevent the City from releasing information under such a request. The parties' obligations under this section are not subject to grievance.

Section 2.10 The City agrees to provide space for a Union bulletin board at each major work site. Postings by the Union on such boards are to be confined to official business of the Union.

ARTICLE 3 - MANAGEMENT RIGHTS

The Union recognizes the prerogative of the City to operate and manage its affairs in all respects in accordance with its lawful mandate, and the powers of authority which the City has not specifically abridged, delegated, or modified by this Agreement are retained by the City, including but not limited to the right to contract for services of any and all types.

The direction of its working force is vested exclusively in the City. ARTICLE 4 - STRIKES AND LOCKOUTS

It is recognized that the City is engaged in a public service requiring continuous operation, and it is agreed that recognition of such obligation of continuous service during the term of this Agreement is imposed upon both the City and the Union.

The Union will take every reasonable means within its power to induce employees engaged in strike, work stoppage, or slowdown, in violation of this Agreement, to return to work; but the Union, its officers, representatives or affiliates shall not be held responsible for any strike, work stoppage, or slowdown which the Union, its officers, representatives or affiliates shall have expressly forbidden or declared in violation hereof. APPENDIX B

This Appendix expires independently from the Collective Bargaining Agreement to which it is attached. The following text is contained in the Joint Labor Agreement for the period 2020-2021, extended through December 31, 2022 by Letter of Agreement:

3.4 Payroll Deduction.

3.4.1 Union Dues. As evidence of its recognition of employee membership in unions and organizations affiliated with the Joint Labor Committee and other bona fide unions and employees organizations and professional societies, the City of Tacoma agrees that upon receiving notice of an employee's authorization from the Union, it will deduct from the wages payable by the employer to such member, in the manner provided by law, such amounts as such member shall authorize, as dues to the organization, and transmit such dues to the organization. The City shall be given one full pay period advance notice of all dues changes. There shall be no retroactive deduction of dues.

3.4.2 Voluntary Contribution to Labor Funds, Committees or Subsidiary Organizations. The City will deduct from the pay of each employee, each month, the amount the employee wishes to voluntarily contribute to a fund, committee or subsidiary organization maintained or established by a labor organization; provided that the employee has submitted a written original authorization form signed by the employee to the City's Payroll Department, and further provided that a minimum of twenty-five (25) employees have authorized a contribution to the same fund, committee or organization. The first deduction will take effect at the end of the month following the City's receipt of sufficient authorization forms. The deduction will occur once per month on the second pay period of the month.

ARTICLE 6 - ENUMERATION OF BENEFITS

6.1 Domestic Partners. The City will make available to domestic partners benefits, including insurance, paid leave and statutory Family and Medical Leave, on the same basis that those benefits are provided to employee spouses. Domestic partners will be recognized if the domestic partnership is registered with or recognized by the State of Washington pursuant to RCW 26.60; provided, that the City will continue to recognize domestic partnerships on file with the City as of December 31, 2016, until the participating employee's separation from employment or dissolution of the domestic partnership, whichever occurs first.

6.2 Medical Insurance. The City of Tacoma and the Joint Labor Committee have negotiated and put in effect medical insurance programs which will continue in effect for the duration of this Agreement. During the term of this Agreement, the City will provide medical insurance to employees and their eligible dependents through the plans described in Appendix A.

6.2.1 Eligibility. Permanent, project, appointive, and temporary pending exam employees and their dependents are eligible for coverage beginning on the first day of the calendar month following the date of hire, unless the date of hire is also the first working day of the calendar month, in which case benefits eligibility begins on the date of hire. All other temporary employees and their dependents are eligible for coverage beginning on the first day of the

calendar month following 60 days of continuous employment from the date of hire.

- 6.2.2 Default Options. If permanent, project, appointive and temporary pending exam employees fail to enroll or waive medical coverage within the required enrollment period, the employee will be enrolled automatically in the City's default medical plan. The default plan shall be the Regence BlueShield PPO Plan. If a temporary employee fails to timely enroll or waive coverage, the employee will be determined to have waived coverage, until such time as they enroll pursuant to a qualifying life event or an open enrollment period.
- 6.2.3 City Payment of Claims/Premiums. Except as provided below, the City will pay the claims or premiums (according to the plan selected by the employee) associated with the medical insurance selected by the employee and eligible dependents from the City's Health Care Trust. The City will not use reserve funds for purposes other than paying costs associated with the maintenance and administration of its health insurance plans without the express negotiation and consent of the Joint Labor Committee.
- 6.2.4 Employee Contributions to Premiums. Effective January 1, 2020 through December 31, 2020, Employees selecting employee-only coverage will contribute \$40 per month towards the premium costs of medical insurance. Employees insuring dependents will contribute \$80 per month towards the premium costs of medical insurance.

Effective January 1, 2021, Employees selecting employee-only coverage will contribute \$50 per month towards the premium costs of medical insurance. Employees insuring dependents will contribute \$100 per month towards the premium costs of medical insurance.

Effective January 1, 2020, in addition to these amounts, part-time employees working at least twenty (20), but less than thirty (30) hours per week will be responsible for the remainder of the premium cost of the plan they have selected after the City has made a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Employees will be eligible for benefits based on assigned work schedule. The work schedule shall be determined monthly, for pay periods in the upcoming month. Such schedules will be rounded up to the nearest four (4) hour increment. Part-time employees working thirty (30) or more hours per week will make contributions equal to those of full time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

- 6.2.5 Wellness Credit. Employees participating in wellness will receive a \$20 per month credit toward their premium contribution for medical insurance coverage under the Regence PPO Plan or Kaiser Permanente HMO Plan, or a \$40 per month credit toward their premium contribution for coverage under the Regence HDHP/HSA Plan. Employees in a temporary status are not eligible to receive the credit.

Employees or their eligible dependents may not be insured on more than one City medical insurance plan. If an employee has a spouse/domestic partner or adult child under the age of 26 working for the City, and each completes the participation requirements of the Wellness Incentives, each employee will receive

the Wellness Credit toward the employee premium contributions for medical insurance coverage.

- 6.2.6 Contributions to HSA Accounts. Employees who select the Regence HDHP/HSA Plan will receive the following annual contributions to a health savings account. Contributions will be deposited on a monthly basis. Employees may contribute to their own accounts up to the maximum dollar value permitted by applicable law.
- a. Employees Who Participate in Wellness – \$1250 per year for employees selecting employee-only coverage; \$2500 per year for employees insuring one or more dependents.
 - b. Employees Who Do Not Participate in Wellness – \$500 per year for employees selecting employee-only coverage; \$1000 per year for employees insuring one or more dependents.
- 6.3 Dental and Vision Insurance. The City will provide dental and vision insurance to employees and eligible dependents according to the terms of its insurance plans. The City will not make changes to its dental or vision insurance plans during the term of this Agreement without first bargaining with the Joint Labor Committee. The City will pay the full premium cost for dental and vision insurance for employees and eligible dependents. Part time employees working at least twenty (20), but less than thirty (30) hours per week will be responsible for a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Part-time employees working thirty (30) or more hours per week will make contributions equal to those of full time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.
- 6.4 Dual Coverage. No City employee or eligible dependent may be insured under more than one City medical, dental, or vision insurance plan. Employees whose spouses/domestic partners/children up to age 26 are eligible for medical insurance benefits through the City will share the costs of insurance as follows:
- 6.4.1 Employees Choosing the Same Plan – One spouse/domestic partner will be placed on the other's medical, dental, or vision insurance, and the primary spouse/domestic partner will pay the appropriate premium cost for family coverage.
 - 6.4.2 Employees Choosing Different Plans – If spouses/domestic partners elect coverage under different plans, they may not provide coverage to their spouse/domestic partner on their medical, dental, or vision insurance plan. Each employee will pay the appropriate cost share (individual or family) depending on whether they include children on their plan.
 - 6.4.3 Children up to Age 26 – Benefit-eligible employees whose parents are City employees must elect coverage in their name (paying the applicable premium contribution) or coverage as a dependent on their parent's plan (with no premium contribution), but may not receive coverage under two medical, dental or vision insurance plans.
- 6.5 Opt Out With Proof of Insurance. Subject to any applicable legal restrictions imposed by the Employer's medical, dental and vision insurance providers, full-time

and part-time employees may choose to opt out of the Employer provided medical, dental and/or vision insurance. To be eligible to opt out of the medical, dental and/or vision insurance, full-time permanent, project, appointive, and temporary pending exam employees shall be required to: (i) provide the Employer with written proof of alternative medical, dental and vision insurance coverage; and (ii) notify the Employer in writing within thirty (30) calendar days if he/she should lose their alternative medical, dental and vision coverage.

There is no limit to the number of sick leave days an employee may accrue. Part-time employees shall accrue sick leave on a prorated basis according to the percentage their FTE bears to full-time.
 - 6.7.2 An employee separated from service due to death or retirement for disability or length of service is compensated to the extent of twenty five percent (25%) of their sick leave accruals. An employee separated in good standing from service for any other reason who has a minimum of ten (10) days accrual, is compensated to the extent of ten percent (10%) of their sick leave accruals, up to a maximum accrual of one hundred twenty (120) days.
 - 6.7.3 Permissible uses of sick leave are described in Tacoma Municipal Code Sections 1.12.230 – 1.12.232.
- 6.8 Personal Time Off shall be as provided in Section 1.12.248 of the Tacoma Municipal Code. This section provides in part for the following:
 - 6.8.1 Employees enrolled in the Personal Time Off (PTO) Plan shall accrue PTO hours for each bi-weekly pay period pursuant to the following schedule. Employees receive PTO in lieu of vacation and sick leave.

Completed Years of Aggregate Service	Hours per Year	Hours per Pay Period
Completion of years 0, 1, 2, 3	144	5.54
Completion of years 4, 5, 6, 7	168	6.46
Completion of years 8, 9, 10, 11, 12, 13	184	7.08
Completion of years 14, 15, 16, 17, 18	208	8.00
Completion 19 years	216	8.31
Completion of 20 years	224	8.62
Completion of 21 years	232	8.92

Completion of 25 years	264	10.15
Completion of 26 years	272	10.46
Completion of 27 years	280	10.77
Completion of 28 years or more	288	11.08

- 6.8.2 Employees shall accrue PTO on a prorated basis according to the percentage their FTE bears to full-time. Employees' PTO accrual rates shall be established as of January 1 of each calendar year and shall be based on the rate applicable to the number of years of aggregate service the employee will complete within that calendar year. An employee may accrue a maximum of 960 hours of PTO.
- 6.9 On-the-job injury shall be as provided in Section 1.12.090 of the Tacoma Municipal Code. That section provides in part:
- 6.9.1 In the case of a disability covered by State Industrial Insurance or Worker Compensation, the first three (3) calendar days shall be paid at the regular normal pay and charged to earned leave, in the event the time loss is less than fifteen (15) calendar days.
- 6.9.2 For one-hundred-twenty (120) working days, the City will pay a supplement payment such that State payment plus City supplement equals eighty-five percent (85%) of regular normal pay.
- 6.9.3 Pursuant to Ordinance 27753, adopted November 18, 2008, after the payment and use of the one hundred twenty (120) working days, the employee may request to use accumulated sick leave and/or planned time off (PTO) balances to supplement the time loss pay such that the combination of the supplement and the time loss pay equals eighty-five percent (85%) of the employee's normal wage (the employee's rate at the time of injury plus any longevity pay to which the employee is eligible). If the employee elects to use paid sick leave and/or PTO the election will continue until such balances are exhausted or until the employee returns to work. Hours deductions from the employee's PTO or sick leave balances shall be determined by dividing the supplement by the employee's regular hourly wage. Example: Assume a supplement amount of \$596 dollars is necessary to bring the total to 85%. If the employee's regular wage is assumed to be \$23.84, the deduction from sick leave and/or PTO would be $\$596/\$23.84=25$ hours.
- 6.9.4 Any employee who becomes disabled prior to completing thirty (30) working days' employment with the City, shall receive the compensation disability allowance for a maximum of thirty (30) working days.
- 6.9.5 The above does not apply to Police and Fire commissioned hired prior to October 1, 1977, however, such employees shall have on-the-job injury claims charged against their sick leave accruals in the same manner as other employees of the City.
- 6.9.6 For the purposes of this Section, regular normal pay shall be that rate of the classification in which they were working in on the date of injury.
- 6.10 Group Life Insurance shall be as provided in Section 1.12.096 of the Tacoma Municipal Code. The City will pay one hundred percent (100%) of the cost of premiums for those employees electing to participate. The amount of insurance an employee may purchase is based on their annual salary rounded to the next highest \$1,000 of coverage.

6.11 Longevity pay may be provided to employees of member unions pursuant to the terms of Ordinance 20938, which reads in part as follows:

6.11.1 Regular, probationary, and appointive employees who through union agreement have elected the option of longevity pay shall receive additional compensation based on a percentage of their base rate of pay received for the class in which they are currently being paid. No application of rate may be used in computing longevity pay.

6.11.2 Eligible employees shall receive longevity pay in accordance with the following schedule:

From 5 through 9 years aggregate service	1% per month
From 10 through 14 years aggregate service	2% per month
From 15 through 19 years aggregate service	3% per month
20 years or more aggregate service	4% per month

6.11.3 Eligibility for longevity pay shall be determined by the length of aggregate City service and will be paid to an employee at the first of the calendar year in which any of the above stipulated periods of aggregate service will be completed.

6.12 Holidays shall be as provided in Section 1.12.200 of the Tacoma Municipal Code. This section provides in part that the following and such other days as the City Council, by resolution, may fix, are holidays for all regularly employed full-time employees of the City and shall be granted to employees or days off in lieu thereof.

New Year's Day (January 1)

Presidents' Day (third Monday in February)
Memorial Day (last Monday in May)
Juneteenth (June 19)¹
Fourth of July

Floating holidays may not be carried over from one calendar year to the next, and may not be converted to cash in any circumstances. To be eligible for these floating holidays, employees must have been or scheduled to be continuously employed by the City for four (4)

- 6.12.3 Full time employees working alternate schedules who are normally scheduled to work more than eight (8) hours on a day observed as a holiday may use vacation leave, personal time off, compensatory time, or leave without pay at the employee's option to make up the difference between the employee's normally scheduled shift and the eight (8) hours of holiday pay.
- 6.12.4 Unpaid Holidays. Employees will be granted two (2) unpaid holidays per calendar year for a reason of faith or conscience or an organized activity conducted under the auspices of a religious denomination, church, or religious organization. The employee will select the days on which to take the unpaid holiday(s) after consultation with his or her supervisor as provided by City policy. To the extent reasonably possible, employees should submit leave requests with at least thirty (30) calendar days' notice. Employees may elect to use accrued vacation leave, PTO, compensatory time or floating holidays to remain in paid status on a requested holiday to the extent that such leave is available on the requested date under applicable policies, procedures and/or collective bargaining agreements governing the use of paid leave. An unpaid holiday requested pursuant to City policy will not be denied unless the employee's absence would impose an undue hardship on the City, as defined by applicable rule or regulation.
- 6.13 The City shall contribute up to \$3.00 per month for long term disability coverage for all permanent non-commissioned City employees.
- 6.14 The City will maintain an Internal Revenue Service Code Section 125 flexible benefits plan. The City shall pay the monthly per participant administrative fee. Employees cannot utilize this plan for Long Term Disability premium payments. Employees who participate in the City medical plan will be eligible to participate in the Section 125 flexible benefits plan. The maximum annual allowable employee contribution for medical reimbursement shall be based on IRS regulations. At the end of each year any unspent monies in employee flexible benefits accounts will revert to the Labor/Management Health Care Trust Account.
- 6.15 Wellness
- 6.15.1 Wellness Committee. The parties will maintain a Labor Management Health Care Committee (aka Wellness Committee) during the term of the Agreement to discuss and address issues regarding the City's insurance programs and wellness program. **Letter of Understanding
between
City of Tacoma, Fire Department
and
Local 483, International Brotherhood of Electrical Workers
Supervisors' Unit**

**Subject: Fire Electrical Maintenance Supervisor
Original Date - January 1, 2005**

It is acknowledged by Local 483, International Brotherhood of Electrical Workers, Supervisors' Unit (the Union), that the Tacoma Fire Department (TFD) is facing unprecedented challenges due to recent constraints in their operating budget. In recognition of the need to find ways to meet the specific business needs of the Fire Department Fire Electrical Maintenance Section in a manner that accomplishes the need for monetary constraint while still providing the highest level of productivity, the Union and the City of Tacoma (City), through its agent TFD, agree to the following interim workplace changes.

Background: TFD has had the goal of adding staff to the Fire Electrical Maintenance Section to allow it to better serve its customers and has attempted to reach this goal for several years. At *one* time this work section had a support staff of four employees and a Fire Electrical Maintenance Supervisor. Today this work section is comprised of three employees and their supervisor. This staffing level has resulted in lower levels of production when staff must work alone, and it could potentially impact the long-term reliability of this vital fire communication system. However, due to budget constraints, not only is it impossible for TFD to add an additional fire maintenance electrician in the near future, but also the unit would be further negatively impacted without the solution reached by the Agreement.

Agreement: *In order to recognize the needs of the Department and to ensure the highest level of system reliability and work assignment productivity, the Union recognizes the ability of TFD to assign the Fire Electrical Maintenance Supervisor to field-related duties for a maximum of three days a week. The new duties to be performed by the Fire Electrical Maintenance Supervisor are duties normally performed exclusively by the classification of Fire Maintenance Electrician. The Union also recognizes that TFD will assign some of the normal duties previously performed by the Fire Electrical Maintenance Supervisor to personnel in other areas of TFD as deemed necessary. During this interim period of field assignment, the Fire Electrical Maintenance Supervisor will continue to receive his regular Fire Electrical Maintenance Supervisor level of compensation and benefits. The City and the Union will review this interim assignment/agreement no later than January 1, 2006, to determine if continuation of this agreement is necessary.*

Ratification: All acts consistent with this Agreement and consistent with the prior oral agreement of the parties are hereby ratified.

Termination: This Letter of Understanding will remain in effect until terminated by mutual agreement between the Union and the City, or unilaterally by either the Union or the City with a written 30-day notice.

**Subject: Traffic Field Operations Supervisor Performing Work of Field Crews
Effective Date: April 20, 2020**

The intent of this Letter of Understanding is to assist in addressing a temporary staffing issue in the Public Works Traffic Signal and Streetlight Shop (TSSL Shop). Several journey level electricians retired in 2019, and the City has backfilled each of those vacated positions with new apprentices. However, the City is unable to perform the required work with the number of new apprentices, combined with the requirements associated with journey level electrician to apprentice ratios. This Letter of Understanding will allow the Traffic Field Operations Supervisor (supervisor) to perform the work of the field crews under the outlined conditions to assist in meeting the workload demand and assisting in the training of the new apprentices. This Letter of Understanding is valid for the terms of the contract; however, both parties acknowledge that this is a temporary allowance to address a temporary condition, with resolution anticipated by December 2023.

Traffic Field Operations Supervisor, Glen Yotter, was promoted in 2019 from a journey level Signal and Lighting Electrician, Senior position, completed the City of Tacoma signal and lighting apprenticeship program, and is a Qualified Electrical Employee as defined by Washington Administrative Code (WAC) 296-45. Furthermore, Mr. Yotter still currently possesses all of the necessary certifications required for a Signal and Lighting Electrician. As such, the supervisor may perform the work of Journey Level Signal and Streetlight Electricians under the following conditions:

1. Apprentice Oversight and Training:
 - a. The Traffic Field Operations Supervisor may provide oversight and training of apprentices working in the shop.
 - b. Apprentices may periodically job-shadow the supervisor to further their education and understanding of the body of work performed by the shop.
 - c. The supervisor shall be considered a journey level electrician for the purposes of meeting required ratios for apprentices and other non-qualified workers.

2. Journey Level Electrician Coverage:
 - a. The Traffic Field Operations Supervisor may provide coverage for unscheduled leave of a journey level electrician.
 - b. The Traffic Field Operations Supervisor may provide coverage for scheduled leave of a journey level electrician for beginning and end of shift (such as coverage for scheduled doctor's appointments of journey level electricians, etc.).
 - c. Coverage for unscheduled and scheduled leave shall only be used to resolve an apprentice to journey level electrician ratio issue. As such, the supervisor shall not be paired with a journey level electrician while providing leave coverage.

- d. Coverage for unscheduled and scheduled leave may include independent work, such as performing locates and inspections, as needed provided this will not disrupt other set ups to Inspector/Locator that would occur.
3. Standby and Overtime:
- a. The Traffic Field Operations Supervisor shall not be included in the rotation of the standby phone.
 - b. The supervisor shall not participate in scheduled overtime at any time, but may participate in unscheduled overtime when providing leave coverage while paired with an apprentice.
 - c. The supervisor may respond to emergency call outs (as the second person on the crew) if no other electrician on the overtime call out list can be reached. Determination of crew makeup, taking into consideration apprentice competencies, shall remain the responsibility of the electrician on standby as stated in Section 18.8 of the current 483 Power Collective Bargaining Agreement.

The City shall provide Flash Rated clothing, boots, and cover expenses associated with maintaining a Commercial Driver's License (as if a journey level electrician) for the Traffic Field Operations Supervisor as needed, for as long as this Letter of Understanding is active. The City will provide training as required for the supervisor to maintain all necessary certifications, for as long as for as long as this Letter of Understanding is active.

The Traffic Field Operations Supervisor has an Overtime Compensation Designation of "Category E" which requires compensation for overtime when assigned to work outside of normal work hours due to emergencies. As such, when performing emergency overtime as a supervisor, compensation will be at time-and-a-half overtime in accordance with the IBEW 483, Supervisor's Unit, Collective Bargaining Agreement and the Tacoma Municipal Code. However, should an unscheduled overtime or emergency situation arise where the Traffic Field Operations Supervisor is required to work overtime hours performing work of the Signal and Lighting Electrician, the supervisor shall receive double overtime while performing such work. Such occurrences should be limited. Due to the emergent nature of these occurrences, notification shall be provided to management within one business day of working overtime in this capacity.

The need for this Letter of Understanding is based on successful completion of the apprenticeship program of current apprentices and anticipated retirements of existing journey level Signal and Lighting Electricians. Apprentices are anticipated to complete their apprenticeship as follows:

- Two (2) anticipated by July 2021
- Three (3) anticipated by May 2023
- One (1) anticipated by December 2023

Upon successful completion of the apprentice program by each class, the need for this Letter of Understanding will be reviewed by both parties. This agreement may need to be in place until staffing issues are resolved in 2023, however, should the staffing issue resolve prior to this date or if this arrangement is no longer needed or deemed necessary, either party may revoke this agreement with fifteen working days' notice to the other party.

Nothing in this LOU is intended to be used as a precedent for future contract negotiations or other similar matters.
