

## WEEKLY REPORT TO THE CITY COUNCIL

January 26, 2023

Members of the City Council City of Tacoma, Washington

## **Dear Mayor and Council Members:**

## ACTION REQUIRED

1. This is a reminder to complete your F1 and Disclosure of Remote Interest forms and return to the City Clerk's Office by April 15, 2023.

## ITEMS OF INTEREST

- 2. Chief Government Affairs Officer Sonja Hallum provides the attached **Council Action Memorandum** outlining a **Resolution to amend Tacoma's 2023 Legislative Agenda to include the City Council's position on controlled substance laws, support for Pierce County Council legislative agenda items and immigration related bills.**
- 3. City Manager's Office Management Fellow Cathy Sims provides the attached **Council Action Memorandum** for a **Resolution appointing three individuals to the Mayor's Youth Commission of Tacoma 's leadership team** with and expiration date of June 30, 2023.
- 4. Public Works Interim Director Josh Diekmann provides the attached **Public Works Engineering Capital Projects** memorandum.
- 4. Please see the attached City of Tacoma Weekly Meeting Schedule.
- 5. Police Chief Avery Moore provides the attached Weekly Crime Report.
- 6. <u>Community Meeting for Holy Rosary Safe Parking Site</u>: Neighborhood and Community Services hosted a community meeting at Holy Rosary on January 18, 2023, to discuss opening a safe parking location on site. Thirty-five community members attended this inperson meeting. The safe parking site will be in the parking lot on the back side of the parking lot at Holy Rosary campus.

The site will be operated by Catholic Community Services starting in February 2023 and will prioritize families and individuals who are using their vehicles to shelter. The site is expected to serve up to 40 individuals and/or up to 20 vehicles and expected to provide access to hygiene services such as bathroom, showers, and laundry for residents who are staying on site. The site will serve individuals and families and residents will have access to case management to assist with permanent housing solutions.

Weekly Report January 26, 2023 Page Two

The site will initially allow cars, trucks, and vans to park on site and after 90 days we will evaluate to determine if we are able to allow recreational vehicles to use this site.

- 7. <u>Warming Center Update</u>: For the 2022-2023 winter weather season, the City of Tacoma has partnered with funded shelter providers to ensure that unsheltered individuals have access to indoor shelter options. These efforts have expanded the City's shelter capacity by 145 beds.
  - The Rescue Mission will operate an inclement weather shelter at Holy Rosary Church until the end of March 2023, this shelter provides 50 beds; anyone wishing to access these beds should go to the main Rescue Mission campus.
  - The Rescue Mission (425 South Tacoma Way) and Catholic Community Services' Nativity House (702 S. 14<sup>th</sup> Street) will be providing overflow shelter beds for a total of up to 75 individuals during acute inclement weather events (when the forecast is for 35 degrees with wind/rain or 32 degrees and colder).
  - Life Enrichment Group (415 S. 13<sup>th</sup> Street) will be offering 20 overflow beds for young adults 18-24 years of age. In the event of acute inclement weather.
  - Lighthouse Activity Center (5016 'A' Street) in the event of acute inclement weather, will be open during the day from 8:30 AM 5:30 PM for all community members. For more information on inclement weather response
- <u>City-funded Temporary and Emergency Shelter Performance</u>: The City posts weekly information about its Temporary and Emergency Shelter locations including current census, number of available beds and exits to housing. This information can be found at: <u>https://www.cityoftacoma.org/UserFiles/Servers/Server\_6/File/cms/NCS/City%20Authori zed%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf</u> and is updated weekly.
- Encampment Outreach: The City's Homeless Engagement and Alternatives Liaison (HEAL) Team (formerly the Homeless Outreach Team) performs encampment outreach throughout the week to provide individuals opportunities to connect to shelter, behavioral health, substance use and employment services. For the week of January 16 – 20, 2023, staff visited eleven locations. This resulted in 42 individuals being contacted and 3 individuals accepting resources.
- 10. <u>Emergency Rental Assistance</u>: The Pierce County Rental Assistance program stopped on August 1, 2022; however, applications will be processed normally until all funds have been distributed, this includes both Pierce County and City of Tacoma funds. This closure will not affect applications already in process. Since 2021, the City has provided 1,106 households with \$8,307,095 in rental assistance (this is an increase of 0 household and \$-0-, in assistance over last report). The City has now fully expended its ERA 1 award and its set aside for utility assistance from ERA 2 funds. When we launched this program in 2020, we set a goal of having at least 45% of the households served headed by a person of color, to date, 65% of the households served are headed by a person of color. The City's Rental Assistance Fund at the Greater Tacoma Community Foundation has received 31 gifts totaling \$33,335.

## STUDY SESSION / WORK SESSION

11. The Joint City Council / Tacoma Public Library Board Study Session of Tuesday, January 31, 2023, will be conducted as a hybrid meeting. This meeting can be attended in-person at the Tacoma Municipal Building, Council Chambers located at 747 Market Street on the 1<sup>st</sup> floor or be heard by dialing (253) 215 – 8782 or through Zoom at: <u>www.zoom.us/j/89496171192</u> and entering the meeting ID 894 9617 1192; and passcode 896569 when prompted. This meeting will be broadcast on TV Tacoma and live streamed on Facebook.

The Joint City Council / Tacoma Public Library Board discussion item will include: (1) **Tacoma Public Library 2022 Annual Report.** Immediately following the Joint Study Session, there will be a regular City Council Session. Discussion items will include: (2) **Other Items of Interest: State v. Blake Presentation Follow-up Discussion;** (3) **Committee Reports;** (4) **Agenda Review and City Manager's Weekly Report.** 

On our first agenda item, Tacoma Public Library staff will be providing their **2022 Annual Report.** 

Under other items of interest, the following item will be discussed:

- State v. Blake Presentation Follow-up Discussion
- 12. The updated **Tentative City Council Forecast and Consolidated Standing Committee Calendars** are attached for your information.

## MARK YOUR CALENDARS

- 13. You are invited to the below events:
  - Lincoln District Lunar New Year Celebration Join Lincoln District businesses and residents for a day of lion dancers, firecrackers, food, and family fun. Shop the pop-up marketplace and eat at one of the many neighborhood restaurants or from food trucks. January 28, 2023, 10 am, Tacoma Lincoln District.
  - Downtown on the Go Talk Tacoma 2023 Series Who Are We Building For? Housing & Access in Tacoma. January 27, 2023, 12-1 pm., Metro Parks Tacoma Headquarters, Board Room, 4702 S. 19<sup>th</sup> St., Tacoma, WA 98405.
  - District 5 Town Hall with Council Member Bushnell Saturday February 25, 2023, 12 pm, Star Center 3873 S. 66<sup>th</sup> St. Tacoma, WA 98409.
  - Asia Pacific Cultural Center Annual New Year Celebration Asia Pacific Cultural Center, 4851 South Tacoma Way, Tacoma, WA 98409, February 25, 2023, 11 am to 6 pm.

Weekly Report January 26, 2023 Page Four

> • **Tacoma's Annual St. Paddy's Day Run** - Saturday March 11, 2023, 8 am, Downtown Tacoma, 815 Pacific Ave, Tacoma WA. For information and registration please visit: <u>https://tcmaevents.com/st-paddys-day-run-tacoma/</u>

> > Sincerely,

Eli ane

**City Council Action Memorandum** 

Elizabeth Pauli, City Manager
Sonja Hallum, Chief Government Affairs Officer
City Council; City Clerk
<b>Resolution</b> — Amendment to 2023 State Legislative Priorities
January 19, 2023

## **SUMMARY AND PURPOSE:**

A Resolution to amend Tacoma's 2023 State Legislative Agenda to include the City Council's position on controlled substance laws, support for Pierce County Council legislative agenda items, and immigration related bills. Exhibit A will provide Government Affairs staff with policy direction to inform legislative strategy and advocacy as the State Legislature considers revisions to possession of controlled substances statutes and related budget appropriations.

### **COUNCIL SPONSORS:**

Mayor Victoria Woodards

### **BACKGROUND:**

The City Council adopted the Tacoma Citywide 2023 Legislative Agenda on December 6, 2023. At that time the following issues were not yet available for consideration by the Council:

### **Controlled Substances Legislation**

The Washington State Supreme Court invalidated Washington's strict liability drug possession statute which made simple possession a felony. In response, the State Legislature passed ESB 5746, which made possession of a controlled substance a misdemeanor offense and required two referrals to treatment services before a person could be criminally charged with the offense. The legislature's new framework for possession of controlled substance offenses expires July 1, 2023. There are legislative proposals introduced this session and City Government Affairs staff need policy direction from the Council in order to advocate on behalf of the City's public safety needs.

The "War on Drugs" led to harsh sentences for low-level and non-violent drug crimes, including possession of a controlled substance. The impact of the enforcement of these drug laws has resulted in profoundly unequal outcomes for communities of color. The impacts of these convictions extend beyond incarceration and fines. Convictions for these offenses impact many other areas of the person's life including voting rights, employment, business loans, student aid, public housing and other public assistance, and can impact immigration status.

The City of Tacoma is committed to becoming an anti-racist organization and in ensuring that race is not determinative of outcomes in government systems and services. In alignment with these values, any legislation that permits a person to be charged with a crime for possessing a controlled substance should be limited in seriousness to no greater than a gross misdemeanor and should include the ability to avoid having the offense on the person's records if they complete substance use disorder treatment.

## **City Council Action Memorandum**

## Pierce County Council Legislative Agenda

At the time the City Council adopted the Tacoma Citywide 2023 Legislative Agenda, the Pierce County Council had not yet adopted their legislative priorities. The Pierce County Council has since adopted their priorities and the amendment before the Council today is to include the shared priorities in the city legislative agenda. This amendment will provide direction to Government Affairs staff to partner with the County to achieve positive legislative outcomes in the 2023 legislative session.

The Pierce County state legislative priorities to be included are:

- 1) **Housing and Homelessness** Support for state funding for the Pierce County Village, a permanent supportive housing development.
- 2) **Infrastructure** Support for state funding for county ferry system operations, maintenance, and preservation, including funding for MC Christine Anderson engine replacement project.

## **Immigration**

There are several bills that may be considered by the legislature related to the Northwest ICE Processing Center. The current state legislative agenda includes support for policies that limit transfers into the detention facility and other proposals to regulate the facility, as well as funding and policies to assist those within the facility. The language does not extend to other bills related to the detention center. This amendment will give direction to the Government Affairs staff to monitor and engage on bills that affect the health, safety, or welfare of the individuals in the detention facilities and other information that may lead to individuals being placed into the facility.

## **COMMUNITY ENGAGEMENT/ CUSTOMER RESEARCH:**

The public will have opportunities to provide comment during the City Council's discussion and adoption of a position.

## **2025 STRATEGIC PRIORITIES:**

## Equity and Accessibility: (Mandatory)

As directed by Resolution 40622 as enacted by the City Council, the 2023 State and Federal Legislative Agendas were developed using the theme of anti-racist systems transformation.

Livability: Equity Index Score: Select Index Score.

Increase positive public perception of safety and overall quality of life.

## Explain how your legislation will affect the selected indicator(s).

This amendment will provide direction to Government Affairs staff as to how to advocate for possession of controlled substance policy and budget provisions that will impact public safety in the city.

## **City Council Action Memorandum**

## **ALTERNATIVES:**

Alternative(s)	Positive Impact(s)	Negative Impact(s)
<ol> <li>Not adopting amendment.</li> </ol>	None	Government Affairs staff will lack policy direction on effective engagement with state legislators on City public safety priorities.

## **EVALUATION AND FOLLOW UP:**

Performance on state advocacy is evaluated based on progress in achieving the stated goals at the end of the 2023 legislative session. This includes meaningful progress or passage of policy bills and funding requests fulfilled.

## **STAFF/SPONSOR RECOMMENDATION:**

Government Affairs staff recommend Council adoption this amendment to ensure legislative advocacy is effective and strategic.

## **FISCAL IMPACT:**

## N/A

Fund Number & Name	Cost Object (cc/wbs/order)	Cost Element	Total Amount
TOTAL			

## What Funding is being used to support the expense?

Regional and State 5800

# Are the expenditures and revenues planned and budgeted in this biennium's current budget? No, PLEASE EXPLAIN BELOW

Any work on the policy position relating to this amendment is already provided for in the GRO budget.

#### Are there financial costs or other impacts of not implementing the legislation? No Will the legislation have an ongoing (recurring fiscal impact?

Will the legislation have an ongoing/recurring fiscal impact? No

# Will the legislation change the City's FTE/personnel counts? No

## **TACOMA CITYWIDE 2023 LEGISLATIVE AGENDA**

#### **General Government State Legislative Priorities**

Affordable Housing, Permanent Supportive Housing, and Shelter: The City of Tacoma is working fervently to increase the availability of affordable housing, permanent supportive housing, and shelter space within the Tacoma community. We currently operate 1,140 shelter beds. By 2025-26, the City anticipates needing funding for an additional 425 shelter beds. The City has adopted an Affordable Housing Action Strategy, enacted a sales tax increase, sales tax credit, progressive land use code to increase density, worked with community partners to secure Housing Trust Fund and Rapid Acquisition Housing funds, and more. The City of Tacoma asks for the Legislature's continued partnership on the following requests:

- \$1.95 million to acquire and preserve a .48 acres property for affordable housing near 13<sup>th</sup> and Tacoma Avenue, near the Main Library, hospitals, and transit. Once acquired, the City would issue an RFP to identify a nonprofit housing provider to construct a mixed-use commercial property of between 200 and 250 units for individuals making 60-80% of the area median income.
- Ongoing funding for the partnership between WSDOT and the City of Tacoma to remove homeless encampments from right-of-way, place individuals within shelter, and undertake reclamation activities (including but not limited to abating graffiti).
- Increased state funding for programs supporting the acquisition, construction, and operation of shelters, permanent supportive housing, and affordable housing, such as the Housing Trust Fund, rapid acquisition funding, and more. The City is currently operating 400 temporary shelter beds, with the goal of transitioning many of these slots to permanent supportive housing as it is constructed.
- A statewide policy to allow and incentivize middle housing types in a manner consistent with Tacoma's Home in Tacoma ordinance, such as pre-approved construction plans.
- Expand the multifamily property tax exemption to allow market-rate commercial and residential buildings to be converted into quality affordable housing units.
- Rental assistance and tenant protections to continue to keep individuals housed.
- Enhance homeownership opportunities among BIPOC communities through assistance to homebuyers, modifications to existing programs to support homeownership, and reductions in legal liability for condominium developers and clarity to condominium-ize duplexes and triplexes.
- Support for policies that provide opportunities for those on limited incomes to remain housed, including allowing senior residents to age in place.

Behavioral Health System & Vulnerable Populations: The City supports creating greater access to community-based behavioral health services to include substance use disorder treatment and dual diagnosis treatment facilities. This includes supporting build out of infrastructure, facilities and systems to support the new 988 system and associated crisis response. Additionally, the City supports funding for programs that serve our most vulnerable populations, including Housing & Essential Needs (HEN) and Aged, Blind, and Disabled (ABD) Cash Assistance Program.

The City also encourages the Legislature to advance policies and funding that support a behavioral health work force. This includes reducing the barriers posed by regulations/certifications on workforce entry into behavioral and medical health fields without improperly impacting quality of care, and investing in local workforce development systems to directly support upskilling and reskilling workers on behalf of behavioral healthcare providers.

Police Transformation & Public Safety: The City recognizes that alternative response programs are an integral component of fully meeting community and public safety needs. The City is committed to implementing alternative response programs and requests state support to help communities establish programs such as co-responder, diversion and other programs that provide options beyond law enforcement for responding to situations involving individuals suffering from behavioral health issues. The City also supports increased funding for community court, an alternative problem-solving court program designed to address the underlining challenges leading to criminal activity through access to services.

The City appreciates the work of the State to establish independent investigations of police use of force and asks that the Legislature continue efforts by establishing independent prosecutions for incidents involving fatal use-of-force and deaths occurring in police custody.

Additionally, the City supports legislative solutions to address illegal street racing, including the impound or forfeiture of vehicles used in illegal street racing. The City will monitor the Legislature's efforts to clarify and educate around policing policies, including when officers engage in vehicular pursuits. The City will monitor proposals related to the possession of controlled substances to ensure that dual needs of community safety and honoring substance abuse as a disorder requiring treatment.

<u>Controlled Substances</u>: The City supports legislation that makes possession of a controlled substance a criminal offense with seriousness category of no greater than a gross misdemeanor. The City supports possession of a controlled substance being a criminal offense only so long as the individual who is charged has the ability to avoid the conviction if they are able to complete substance use disorder treatment. The City supports state funding to ensure access to treatment and opposes the total removal of local land use controls related to the siting of treatment type facilities.

<u>Multimodal Transportation System:</u> The City of Tacoma is dedicated to building out a local transportation network that supports all modes, is well maintained, and safe. As such, the City supports:

- Increased funding to maintain and preserve local roadways and trails. The City's street
  maintenance backlog for pavement alone is approximately four times its annual budget.
- Policies and investments that facilitate accessible transit, bicycle, and pedestrian infrastructure.
- Timely delivery of projects funded in the 2022 Move Ahead Washington transportation package, including the Puyallup Avenue Complete Streets Project, HOV lanes on I-5 from 38<sup>th</sup> to Joint Base Lewis McChord, the Tacoma to Puyallup Trail, and Schuster Parkway Promenade.

Additionally, the City requests funding for the following projects:

 \$650,000 to complete phase two of an access revision report to improve access from I-5 into the Tacoma Mall subarea, envisioned to become an urban center for housing and mixed-use development. Formatted: Font: Bold

Formatted: Font: Bold, Not Italic

• \$4 million to assist the City in applying to federal grant programs to complete Phase II of Fishing Wars Memorial Bridge replacement— a deteriorating bridge that provides access to the west side of the Port of Tacoma.

<u>Climate Action</u>: Tacoma has declared a climate emergency and adopted a local climate action plan. The City asks that the state continue to take bold steps to advance transformative climate policies and funding to decarbonize the economy, including but not limited to transitioning to zero emission medium- and heavy- duty vehicles, increased funding for transitioning homes and buildings to clean energy through heat pumps, and advancing local tree canopy policies. As the state leads the nation in making this transition, the City encourages the state to recognize that historically underrepresented, underserved, and vulnerable communities that are expected to experience the first and worst impacts of climate change. The state should equitably uplift these communities by allocating state funding to ensure parity in accessing new technologies.

Downtown Tacoma Main Library: The City requests full funding to the Library Capital Improvement Program to allow the City to receive a \$2 million grant to renovate the Main Library in downtown Tacoma. Through the remodel, there will be space dedicated to in-person library services as well as four partner spaces for local non-profits to occupy. Co-locating with non-profits that offer programing and public services that are non-traditional but complementary to library spaces will increase traffic for all organizations. The total cost of the renovation is \$7 million.

**Equitable Fiscal Structure:** The City encourages the Legislature to reform the tax code and identify revenue sources that are fair, adequate, and stable to meet the needs of state and local government. As part of this work, local jurisdictions should be allowed the option to increase property tax levies with inflation, instead of the current 1% annual growth limit. The City asks for the state to increase revenue sharing with city governments to accomplish shared objectives.

Northwest ICE Processing Center: The City supports policies that limit transfers into the Northwest ICE Processing Center (NWIPC) and any other proposals to further regulate the facility. The City also supports funding and policies to assist those within NWIPC, including providing funding to assist those within the facility to make calls to report sexual assaults. The City will monitor and engage on bills that affect the health, safety, and welfare of individuals in the detention facility and other bills that may impact individuals sharing of information or individuals being placed in the facility consistent with the position of the City Council.

<u>Cheney Stadium Improvements</u>: The City joins communities around the state to request \$24 million to improve baseball stadiums that also serve as community gathering locations. If this joint request were funded, Cheney Stadium would receive \$3 million to make improvements to the stadium. These improvements are needed to meet community needs and retain minor league baseball teams.

South Tacoma Fire Station: The City requests \$2 million to replace Fire Station #7, currently located on South 56<sup>th</sup> Street. The current fire station lacks the ability to support modern firefighting activities. \$2 million in state funds would be matched with \$2 million in city real estate excise tax revenues to fund property acquisition, final design, and begin construction of a new fire station to serve the South Tacoma community.

Formatted: Space After: 8 pt, Line spacing: Multiple 1.08 li

#### **Collaboration with Community Partners**

The City of Tacoma recognizes that a thriving community requires strong communication, collaboration, and innovation with our partners. The Tacoma Anchor Institutions Network is comprised of organizations rooted in Tacoma that have joined together to advance common goals to build community wealth, resilience, and improve opportunities for all. The collective priorities of the Anchors are aligned with the community-crafted Tacoma 2025 Strategic Plan. Place-based partners include:

- Metro Parks Tacoma: The City supports sending voters a constitutional amendment allowing for a simple majority vote for construction bonds and support of Metro Parks' participation in a multi-year pilot project that directs the state Department of Children, Youth and Families (DCYF) to explore the creation of a "parent" childcare license for organizations that operate multiple sites.
- **Tacoma Housing Authority**: The City supports ongoing operations funding for the Tacoma Housing Authority's Arlington Youth campus.
- Tacoma-Pierce County Health Department: The City supports the public health system's 2024-25 biennium budget request to provide an additional \$50 million to help the system prepare for emerging diseases and the expansion of Potentially Preventable Hospitalizations work in the communities that have the highest rates of preventable hospitalizations.
- Pierce Transit: The City joins Pierce Transit in supporting new opportunities to enhance public safety and community well-being by elevating public transportation's role in the behavioral health continuum of care for the riding public.
- **Port of Tacoma**: The City supports the Port of Tacoma in advocacy efforts to streamline the awarding of Remedial Action Grants through the Department of Ecology.
- **Sound Transit**: The City supports Sound Transit's efforts to seek state funding to support the target delivery dates for the agency's projects and services.
- South Sound Housing Affordability Partners: The City of Tacoma is a member of South Sound Housing Affordability Partners (SSHAP), a coalition of elected officials representing Pierce County, various South Sound cities, and the Puyallup Tribe of Indians. The City supports SSHAP's efforts to create housing stability, increase affordable housing subsidies, and facilitate housing supply.
- South Sound Military and Communities Partnership: The South Sound Military and Communities Partnership (SSMCP) is a collaborative partnership of more than 50 members to issues impacting the communities surrounding Joint Base Lewis McChord (JBLM). The City supports SSMCP's efforts to fund and improve the Defense Community Compatibility Account, secure state funding for a statewide economic impact analysis of the defense and military sector and construct improvements on I-5 from Mounts Road to Tumwater & Nisqually River Delta.
- **United Way:** The City welcomes additional funding from the state to bolster Tacoma's program in partnership with United Way for a guaranteed income pilot programs in Washington State.

- Tacoma Public Schools: Fully Fund Special Education: The City supports TPS in advocating for fully funding programs and personnel, including: special education and McKinney-Vento (homeless) liaisons/social workers, psychologists (mental health), nurses (IEP supports), technology staff, custodians, security personnel, transportation services and parent involvement coordinators.
- Higher Education: The City supports preserving funding for community and technical colleges, including Tacoma Community College and Bates Technical College. The City supports UW-Tacoma's capital funding request for \$7.7 million to acquire properties within its campus master plan to accommodate projected growth.
- Tacoma-Pierce County Chamber of Commerce: The City supports the Tacoma-Pierce County Chamber of Commerce in supporting the protection of the Puget Sound Gateway Package, timely delivery of transportation funds, and funding to complete the Fishing Wars Memorial Bridge project.
- Joint Municipal Action Committee: Members of the Joint Municipal Action Committee (JMAC) continue efforts to align common community initiatives under three strategic themes: 1) Justice, Equity, Diversity and Inclusion (JEDI); 2) public health and safety; and 3) community wealth building. Areas of interest include, but are not limited to, leveraging the collective impact of local purchasing, removing barriers to government contracts, connecting youth pipelines to careers, ending homelessness, and dismantling systems that perpetuate systemic racism. Leverage legislative opportunities to advance these priority issues with community partners in a collaborative, open manner that supports and respects our collective efforts to benefit our city and region.
- Rebuilding Hope! Sexual Assault Center of Pierce County: The City joins advocates and social service providers to support a request for \$131 million to protect and strengthen crime victims' services for survivors of domestic violence, sexual assault, child abuse, trafficking, immigrant victims of crime and other vulnerable populations in our community.
- State of Washington: The City supports funding for housing assistance for children and families in the state child welfare system, including potential collaborations between the Washington State Department of Children and Family Services and public housing authorities (PHAs) and non-profit housing organizations.
- Pierce County: The City supports Pierce County in many of its legislative priorities that align with the City's priorities. Additionally, the City supports Pierce County's funding request for permanent supportive housing in the Pierce County Village, and increased funding for the Pierce County ferry.

### Additional Support/Oppose/Monitor Issues for General Government

#### **Environmental Stewardship**

*Culvert and Stormwater Funding:* The City <u>supports</u> state investments in local culvert and stormwater projects to improve fish passage and water quality.

Formatted: Not Highlight

5 | Page

*Extended Producer Responsibility:* The City <u>supports</u> legislation that helps prevent waste and creates opportunities for reuse and recycling markets, including extended producer responsibility and product stewardship models.

*Biosolids:* The City's TAGRO "Tacoma Grow" products, a blend of pasteurized wastewater byproducts called biosolids, have been awarded the U.S. Environmental Protection Agency's highest rating for use in landscaping, vegetable gardens and indoor container gardens. The City <u>opposes</u> any legislation regulating biosolids that would impede the success of the best biosolids program in the country.

Asarco clean-up efforts: The City <u>supports</u> ongoing appropriation for the Department of Ecology's program to address legacy contamination from the Asarco smelter plume in Tacoma. Additionally, the City <u>supports</u> increased notification to homebuyers purchasing a property within the area impacted by the smelter plume.

*Clean Buildings:* The City <u>supports</u> policies and investments that reduce the carbon intensity of new and existing buildings, including expanding energy efficiency, green building standards, upgrades to public buildings, and other measures.

Wastewater Treatment Plants: The City <u>supports</u> funding to make improvements to its wastewater treatment plants and will engage on any legislative proposals impacting wastewater treatment plant operations, such as Ecology's nutrient general permit.

#### **Community & Economic Development**

*Small Business Support:* The City <u>supports</u> funding and policies that support small businesses, including subsidies and incubators to support disadvantaged businesses struggling with rising market-rate rents, and workforce challenges.

*Economic Development Tools*: The City <u>supports</u> expanded and new economic development tools, including expanding commercial office space development tools and other proposals.

*Workforce Development:* The City <u>supports</u> efforts to establish career pathways to jobs in the community, including identifying apprenticeship opportunities to support the public sector.

*Workforce Development Boards*: The City joins community partners to <u>support</u> a \$50 million allocation for a Workforce Impact Fund to empower local workforce development boards with flexible funding that brings solutions to job seekers and employers. This includes significantly expanding employer engagement, expanding investment in highly-skilled job ready individuals, intensifying focus on and outreach to priority at-risk and underserved populations, and expanding work-experience and earn-andlearn opportunities.

*Occupational Licensing Improvements*: The City <u>supports</u> the adoption of additional interstate licensure compacts and policy changes to expedite and ease the occupational licensing process for military spouses.

*Green Economy and Growth:* The City <u>supports</u> legislation that will develop green jobs including in urban forestry growth, renewable energy growth, natural storm water infrastructure, urban farming, and green technology development, making sure that these jobs are promoted within highly vulnerable communities.

*Social Equity in the Cannabis Industry*: The City <u>supports</u> legislation establishing greater equity within the cannabis industry, including providing technical and financial assistance to social equity applicants to reduce barriers to entry in the industry and help these new businesses thrive.

*Transfer of Development Rights:* The City <u>supports</u> state policies and funding that support and enhance transfer of development rights programs.

#### **Public Works**

Wheelchair Accessible Rideshare Opportunities: The City <u>supports</u> alternative funding sources be identified to restore revenues to support accessible rideshare solutions. When the Legislature adopted statewide regulation of transportation network companies, the per-ride fee that Tacoma imposed to fund accessible rideshare solutions was eliminated.

*Vision Zero*: The City <u>supports</u> policy proposals and funding that improve traffic safety and have shared goals with Vision Zero, including but not limited to supporting the Washington Traffic Safety Commission's proposal to establish a scholarship to provide low-income students with driver's education.

*I-5 System Partnership*: The City <u>supports</u> advancing the work of the I-5 System Partnership, and asks that I-5 crossings, especially pedestrian and bicycle connectivity, be prioritized as part of the partnership. The City of Tacoma has allocated funding to establish crossings over I-5 and is seeking funding through the federal reconnecting communities' program.

*Road Usage Charge*: The City <u>supports</u> efforts to replace the fuel tax with a new revenue source, such as a road usage charge, to support the maintenance and operation of the state and local transportation network. In recognition that the transportation system is a state and local responsibility, funds from a new revenue source should be shared between state and local governments.

*Right-of-Way Management:* The City <u>opposes</u> legislation that infringes on the city's ability to manage and maintain the right-of-way, such as proposals mandating microtrenching and preempting local authority on the siting of small cell network facilities.

*Transportation Grant Programs:* The City <u>supports</u> ongoing and increased funding for transportation and freight mobility grant opportunities that have historically been offered through the Transportation Improvement Board (TIB), the Freight Mobility Strategic Investment Board (FMSIB), WSDOT Bicycle and Pedestrian Program, and the Safe Routes to Schools Program.

#### **Public Safety/Criminal Justice**

Basic Law Enforcement Academy Capacity: The City <u>supports</u> the Criminal Justice Training Commission's request for increased funding to offer additional Basic Law Enforcement Academy (BLEA) classes and establish regional offices to reduce barriers to training.

*Curbing Theft of Catalytic Converters*: The City <u>supports</u> measures that address the increasing trend in catalytic converter theft, such as making it more difficult to sell stolen catalytic converters for scrap.

Firearms: The City supports proposals that regulate firearms to curb gun violence.

#### Finance

State-shared Revenues: The City <u>supports</u> efforts to protect and enhance state-shared revenues, including but not limited to liquor taxes, marijuana taxes, and the criminal justice assistance account, including supporting efforts to increase the local share revenues collected by the Washington State from legal cannabis taxes, license fees, and penalties particularly legislation aimed at benefitting historically underfunded communities.

*Local Tax and Licensing Authority*: The City <u>opposes</u> legislative proposals that restrict the City's authority to impose a local business and occupation (B&O) tax and business license requirements. Additionally, the City supports legislation that clarifies that the city can collect B&O tax on royalties.

*Retirement Investments:* The City operates its own retirement program for city employees, as well as the city's LEOFF 1 retirement program, and will <u>oppose</u> any proposals that requires the City to cede these operations to the Washington State Investment Board, or that transfers reserves out of the programs.

#### Planning

*Local Control:* The City <u>supports</u> the state honoring local decision-making authority and the public process that supports local decision-making.

*Growth Management Act (GMA) Reform:* The City <u>supports</u> reforms to the GMA that further facilitate annexations, growth within urban centers, integrates planning for climate change, and provides dedicated planning funding to local jurisdictions to implement any new policies or responsibilities. Additionally, the City encourages the state to consider policies that address the financial challenges limiting annexations, including the funding needed to upgrade infrastructure in newly annexed areas.

#### **Systems Transformation**

*Equity and Empowerment*: The City hopes to work together in partnership with the Legislature to advance reforms that address the disparate impacts of systems and institutions on communities of color. The City <u>supports</u> statewide policies that bolster gender and racial equity in hiring and contracting.

Washington Future Fund: The City supports programs and funding that close generational wealth gaps.

*Election Reform:* The City <u>supports</u> legislation that increases voter participation, including supporting the option for jurisdictions to choose whether local elections are conducted on odd or even years, and the option to choose whether to utilize ranked choice voting.

#### **Neighborhood & Community Services**

Housing Justice Act: The City <u>supports</u> legislation that would ban discrimination against renters based on a prior criminal record.

*Homeless Encampments*: The City will <u>monitor</u> any legislation to change or enforce policies addressing homeless encampments on public right-of-way.

*Extreme Weather Protection:* The City <u>supports</u> funding for cities to establish extreme weather protection for our most vulnerable populations.

8 | P a g e

*Graffiti*: The City <u>supports</u> policies and funding for graffiti and tag removal, including allowing artistic graffiti in permitted areas.

#### **Tacoma Public Libraries**

*Challenges to Intellectual Freedom*: Tacoma Public Libraries <u>opposes</u> legislation that restricts intellectual freedom.

*Protecting Library Workers*: Tacoma Public Libraries <u>supports</u> protecting library employees in the same manner as all public sector employees (RCW 9A.36.031).

#### **General Government Federal Priorities**

**Together, We Will Change—Systems Transformation** The City hopes to work together in partnership with federal policy makers to advance reforms that address the disparate impacts of systems and institutions on communities of color. As part of this, the City calls on Congress to advance transformation policies with regard to policing and the criminal justice system, economic security, immigration, housing, climate justice, and infrastructure to better support communities that historically have not been well-served by existing systems and policies.

#### **Policing and Criminal Justice Systems Transformation**

Tacoma is undertaking an effort to analyze our existing policies in the Police Department and we are working to implement new initiatives and policies at the local level. We support comprehensive police reform legislation at the federal level that aligns with our local and state efforts. The City also supports federal investment in new and innovative programs and funding streams to support local governments in establishing alternative response programs.

#### **Economic Security**

#### **Guaranteed Income**

Mayor Woodards joined Mayors for a Guaranteed Income (MGI), a network of mayors who are studying or piloting guaranteed income (GI) projects in their communities. The City supports the priorities of this network and joins the Anchors Institutions Task Force in calling for the creation of a Fund for Anchor Institutions within a federal agency to rebuild in the wake of the COVID-19 pandemic by targeting low-income and historically disadvantaged communities of color.

#### Commission to Study and Develop Reparations Proposals

We also support the Commission to Study and Develop Reparation Proposals for African-Americans Act, to establish a commission to study and recommend reparation proposals in a report to Congress and examine federal and state policies that contribute to white supremacy.

#### **Civil Rights**

Equality Act The City urges Congress to pass the Equality Act, which prohibits discrimination based on sex, sexual orientation, and gender identity in areas including public accommodations and facilities, education, federal funding, employment, housing, credit, and the jury system.

#### **Human Dignity and Public Safety**

#### Immigration Reform

The City urges Congress to pass comprehensive immigration reform so that all residents may have an accessible path to citizenship and live without fear in the United States. The City shares concerns expressed by the Tacoma community for the health, safety, and welfare of detainees held in the

Northwest ICE Processing Center, a privately owned and operated immigration detention facility. The City finds that Immigration and Customs Enforcement (ICE)'s current operations are dehumanizing and we implore the federal government to replace it with an anti-racist agency that will humanely and equitably implement immigration laws and eradicate human trafficking. To that end, we support legislation that would end the practice of the Department of Homeland Security (DHS) contracting with privately run detention facilities, similar to the Department of Justice's prohibition on contracting with private prisons. The City also supports legislative efforts such as the Dignity for Detained Immigrants Act, which will ensure that all immigrants receive individualized and fair bond hearings by ending the use of mandatory detention of certain immigrants and requiring DHS to establish probable cause of removability in 48 hours. Likewise, the City also supports ending mandatory detention policies for immigrants in deportation proceedings, banning local law enforcement from aiding federal agents, and phasing out the practice of holding federal detainees in private detention centers and county jails.

**Gun Violence** The City applauds Congress on passing gun safety legislation in 2022 and supports further legislation and programs that contribute to community safety.

**Combatting Hate Crimes** In light of the recent surge in hate crimes against Asian Americans and other communities in Tacoma and across the country, the City calls for the creation of a Hate Crimes Commission. The City supports legislation that will create a bipartisan commission to investigate and expand reporting on hate crimes throughout the United States. This commission would be comprised of a group of 12 members appointed by House and Senate leadership who would have one year to prepare a report on the rise in hate crimes, potential causes of increase, and how to combat it.

Affordable Housing and Homelessness The City requests an increase in federal housing funding programs, and legislation to assess prevalence of housing discrimination. The City also seeks flexibility in federal funding to be able to deploy those resources toward communities in Tacoma that need them the most so that we may effectively address housing disparities.

#### Telecommunications

Access to high-speed broadband service in every community is essential to our ability to provide quality education, create more jobs, and increase small business growth. Local governments are central players in ensuring broadband connection to homes and businesses is achieved. Tacoma calls on the Federal Communications Commission and Congress to preserve local government authority to manage their rights-of-way to ensure the siting of cell towers and small cells is safe and appropriate.

<u>Protect Community Television Act</u> The City joins the National League of Cities and the U.S. Conference of Mayors in supporting this legislation, which would reverse the FCC order allowing franchise fees and EG Fees to be calculated-as they have been for over 35 years- as monetary only fees. The City supports Cable Franchise and EG Fees to continue to support the Office of Strategy, Engagement, and Communications, which would be reduced per the 2019 FCC order.

### **TACOMA PUBLIC UTILITIES**

#### **TPU-WIDE FEDERAL PRIORITIES**

- Actively pursue available funding: TPU will actively monitor federal and state funding opportunities and apply for funding consistent with current and emerging capital and operating needs.
- Infrastructure financing tools: TPU supports legislation that promotes the availability of tax-exempt municipal bonds and will support proposals that revoke changes made in 2017 relating to advance refunding. TPU supports providing comparable tax incentives to consumer-owned utilities. TPU also supports restoring Build America Bond payments back to their originally enacted levels.
- TPU supports programs to assist limited-income residents: TPU supports policies and additional funding for programs that provide assistance to limited-income residents.
- Support policies that address supply chain impacts: TPU supports policies that adequately address supply chain issues that affect service to customers and utility operations.

#### Tacoma Power – Federal

- Support proposals that maintain and improve BPA's competitiveness: TPU will continue to support federal proposals to maintain and improve BPA's cost competitiveness.
- **Carbon reduction policies:** TPU will actively engage in and seek to support proposals that decarbonize the economy at reasonable costs to customers and that appropriately acknowledge and credit hydropower as a carbon-free generating resource.
- Support investment in zero-emission transportation infrastructure and programs that advance the development of clean fuels: TPU will support additional funding for zero-emission transportation infrastructure and policies that advance the development and production of clean fuels, including electrolytic hydrogen.
- Support equal treatment of hydropower: Tacoma Power customers have invested in renewable, carbon-free hydroelectric generating facilities for decades. These facilities will continue to require significant reinvestment to ensure their future safe and reliable operation. TPU will continue to advocate for consistent tax treatment or

alternative approaches that support equal treatment of all renewable, carbon-free resources.

• Support legislation to maintain municipal utility control over poles and pole attachment rate setting: TPU supports legislation that would ensure that municipally owned utilities maintain their historic authority to safely manage pole attachments on utility poles.

#### Tacoma Water – Federal

- Support implementation of the Howard Hanson Dam Additional Water Storage Project: Tacoma Water continues to support federal authorization, appropriations, and actions necessary to complete the Howard Hanson Dam – Additional Water Storage Project. Any federal action must respect federal/non-federal cost share agreements already in place. TPU believes Howard Hanson Dam fish passage and the Additional Water Storage Project are critical to salmon and orca recovery as a construction-ready project with broad impact.
- Support funding of the Water Infrastructure Finance and Innovation Act (WIFIA): Tacoma Water supports appropriations to fully fund the Water Infrastructure Finance and Innovation Act (WIFIA).
- **Support funding of the Drinking Water State Revolving Fund:** Tacoma Water supports adequate appropriations for the Drinking Water State Revolving Fund.

#### Tacoma Rail – Federal

• **Explore opportunities for infrastructure funding:** Tacoma Rail intends to pursue funding opportunities for investments in locomotive modernization, track upgrades, decarbonization projects, and other infrastructure improvements.

#### **TPU STATE LEGISLATIVE PRIORITIES**

#### Tacoma Power -- State

• **Carbon reduction policies:** Washington lawmakers have indicated that they will continue to focus on legislative solutions aimed at decarbonizing Washington State's economy. TPU will actively engage in and seek to support proposals that decarbonize the economy at reasonable costs to customers and that appropriately acknowledge and credit hydropower as a carbon-free generating resource and align with existing and emerging regional organized markets.

- **Building decarbonization policies:** TPU will support reasonable policies to decarbonize the state's residential and commercial building sector, including proposals to provide state funding for limited-income customer fuel conversion and proposals for municipal electric utilities to adopt beneficial electrification plans. Any comprehensive building decarbonization policy must be based on sound cost/benefit analysis to understand the impacts on energy capacity and reliability.
- Support investment in zero-emission transportation infrastructure and programs that advance the development of clean fuels: TPU will support additional funding for zero-emission transportation infrastructure and policies that advance the development and production of clean fuels, including green electrolytic hydrogen.
- Support equal treatment of hydropower: Tacoma Power customers have invested in renewable, carbon-free hydroelectric generating facilities for decades. These facilities will continue to require significant reinvestment to ensure their future safe and reliable operation. TPU will continue to advocate for consistent tax treatment or alternative approaches that support equal treatment of all renewable, carbon-free resources.

#### Tacoma Water – State

•

**Support for infrastructure funding:** Tacoma Water supports funding for maintaining and preserving critical water system infrastructure. This includes funding for the Public Works Trust Fund, state revolving loan funds, grant funding, and other state resources. Low-interest loans and grants are vital for the long-term protection of many public water systems.

#### Tacoma Rail – State

• **Explore opportunities for infrastructure funding:** Tacoma Rail intends to pursue funding opportunities for investments in locomotive modernization, track upgrades, decarbonization projects, and other infrastructure improvements.

**City Council Action Memorandum** 

ТО:	Elizabeth Pauli, City Manager
FROM:	Cathy Sims, Management Fellow, City Manager's Office,
	Kurtis Kingsolver, Interim Deputy City Manager
COPY:	City Council and City Clerk
SUBJECT:	Resolution – Appointing individuals to the Mayor's Youth Commission of Tacoma –
	Requested for January 31, 2023
DATE:	January 19, 2023

## **SUMMARY AND PURPOSE:**

A resolution appointing the following individuals to the Mayor's Youth Commission of Tacoma leadership team to fill an unexpired term to expire June 30, 2023.

- Theo Wygle, Environmental Health Committee Chair
- Ellana Meas, Education, Arts, & Culture Committee Co-Chair
- Ava Sims, Education, Arts, & Culture Committee Co-Chair

## **COUNCIL SPONSORS:**

Mayor Woodards, Council Member Blocker, and Council Member Ushka

## **BACKGROUND:**

In 2019, Resolution 40502 established the formal structure of the Mayor's Youth Commission of Tacoma and appointed the inaugural leadership team. Each year since then, the Mayor's Youth Commission elects a 10-member Leadership Team from the general membership to serve a 1-year term: a Chair and Vice-Chair of the entire Commission, as well as a Chair and Vice-Chair of each of the four committees. The Leadership Team is confirmed by the City Council. The Leadership Team meets twice each month and hosts a General Assembly meeting once per month.

The Mayor's Youth Commission Leadership Team is presenting these students to represent all members of the Commission and have submitted their names for confirmation. At this time, 3 additional individuals are being recommended to the City Council for confirmation.

## **COMMUNITY ENGAGEMENT/ CUSTOMER RESEARCH:**

The recruitment for new leadership was led by the Mayor's Youth Commission, with support from the Commission Liaison from the City, Graduate Tacoma, and from the Foundation for Tacoma Students. The primary method of recruitment was through emails to existing members, social media campaigns through the Commission's Instagram, and through partner channels of the Foundation for Tacoma Students and the City.

## **2025 STRATEGIC PRIORITIES**

### Education: Equity Index Score: High Opportunity

Increase the number of quality after-school-learning opportunities distributed equitably across the city.

## **City Council Action Memorandum**

## Engagement: Equity Index Score: Moderate Opportunity

Increase the number of residents who participate in civic volunteering and voting. To that end, elected officials, boards, commissions, and volunteer leadership will reflect more of the diversity of the Tacoma community. Youth engagement will increase the percentage of residents who believe they are able to have a positive impact on the community, and express trust in the public institutions of Tacoma.

## Explain how your legislation will affect the selected indicator(s).

The Mayor's Youth Commission provides opportunities for after-school-learning, and engagement with City and community leaders. The Community Based Commission engages middle and high school students in a reciprocal opportunity to have young people engaged with government, impacting many of the Civic Engagement indicators.

## **ALTERNATIVES:**

Alternative(s)	Positive Impact(s)	Negative Impact(s)
1. Do not appoint new members		The Commission will have unfilled Leadership Team Seats
		for the remainder of the existing youth term ending June 30, 2023.

## **EVALUATION AND FOLLOW UP:**

Each year, the outgoing Leadership Team submits an annual report to the City Council that highlights what they have accomplished and outlines their ongoing goals/projects to be continued by the next Leadership Team. This serves as an opportunity for the Council to evaluate their work and engage in discussions with them on continued actions.

## **STAFF/SPONSOR RECOMMENDATION:**

Staff recommends the appointment of all individuals elected by the 2022-23 Mayor's Youth Commission members to the Mayor's Youth Commission Leadership Team for the 2022-23 service year.

Memorandum

TO:	Elizabeth A. Pauli, City Manager
FROM:	Josh Diekmann, P.E. PTOE, Interim Public Works Director/City Engineer
CC:	Kurtis D. Kingsolver, P.E., Interim Deputy City Manager
SUBJECT:	Public Works Engineering Capital Projects
DATE:	January 24, 2023

The Public Works Department is pleased to provide the attached update to our capital projects planning document. The purpose of this document is to provide additional information regarding funding, costs, and schedules for active capital projects within Public Works. Updates include changes to project schedules and funding, the addition of new projects, and deletion of projects that are complete. The document lists projects in categories according to work phase with projects in design listed first, followed by projects in advertisement, construction, and closeout. The update also includes Public Works support services for Tacoma Rail projects, Neighborhood and Community Services projects, Community and Economic Development projects, and others.

This project list is a result of the residents of Tacoma approving the Street Initiatives (Proposition No. 3 and Transportation Benefit District Proposition A) in November 2015 to fund additional maintenance and improvements to transportation infrastructure. The project funding sources include Propositions A and No. 3, other City funds, grants, gas tax, and City utility funds. Several of the projects are currently funded for design only with construction funding sources to be determined.

Please note this is a planning document that is subject to change as new funding becomes available and as progress is made on capital projects, whether it be in design and/or construction. Questions regarding this document can be addressed by Chris Larson, Public Works Engineering Division Manager, at 253-591-5538 or <u>clarson@cityoftacoma.org</u>.

Please contact the Finance Procurement and Payables Office at 253-502-8468 or <u>www.tacomapurchasing.org</u> to

confirm whether Bid Opening will be held.

# **Citywide Weekly Briefing for 16 January 2023 to 22 January 2023**

The data is not National Incident Based Reporting System (NIBRS) compliant. Do not compare the results with any report using that standard. The data is dynamic and is subject to change and/or revision. The number of distinct offenses listed on a report are counted. This does not represent reports or individuals. All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases. Beginning 1 October 2022, there was a change in how TPD reports certain Aggravated Assaults and Destruction offfenses.

# Sector 3 Weekly Briefing for 16 January 2023 to 22 January 2023

The data is not National Incident Based Reporting System (NIBRS) compliant. Do not compare the results with any report using that standard. The data is dynamic and is subject to change and/or revision. The number of distinct offenses listed on a report are counted. This does not represent reports or individuals. All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases. Beginning 1 October 2022, there was a change in how TPD reports certain Aggravated Assaults and Destruction offfenses.
