SUBJECT: Council Contingency Fund Request - Supporting Raising Girls' "One Bag Drive"

DATE: March 15, 2023

SUMMARY AND PURPOSE:

A resolution allocating \$10,000 from the Council Contingency Fund for the Raising Girls Non-Profit Organization's "One Bag Drive" to support the creation and distribution of 500 care bags with essential hygiene items to youth and young adults in Tacoma.

COUNCIL SPONSORS:

Deputy Mayor Kristina Walker Councilmember Olgy Diaz Councilmember Catherine Ushka

BACKGROUND:

Raising Girls addresses hygiene insecurity and period poverty by providing essential products to elementary, middle, and high students and young adults in the Puget Sound area. As a trusted community resource and a Tacoma non-profit, Raising Girls partners with schools and local organizations to distribute care bags to those in need. It believes that timely and reliable access to hygiene and period supplies is vital for the health and well-being of young people. Hand in hand with having access to essential hygiene products, Raising Girls aims to ensure that every youth they serve feels pride in who they are and understands the power they have to be unique individuals who can make a difference.

In 2022 alone, Raising Girls delivered 4,700 care bags, serviced 9 school districts, supported 74 schools, and had over 250 volunteers. As a Tacoma based non-profit, they fulfill requests for care bags of hygiene products for girls and boys across 34 Tacoma elementary, middle, & high schools including the School of the Arts and the Science and Math Institute with a focus on those that have the highest census of homeless and transitional students. They also distribute care bags through a number of Tacoma non-profits, community networks, and afterschool programs.

Care bags contain essential, full-sized hygiene items such as sanitary pads, tampons, body wash, lotion, combs, shampoo, conditioner, toothbrushes, toothpaste, washcloths, deodorant, hats, scarves, hair brushes, nail polish, lip balm/gloss, socks, and more. The bags are customized to meet the needs of students who may or may not be menstruating. Each bag also includes a handwritten inspiration card from a caring adult, reinforcing their aim for each recipient to feel personal power and pride in themselves.

The funding would support the purchase of materials for 500 individual care bags that can be made available to youth in the City of Tacoma. By supporting the purchase of items for Raising Girls to distribute, it becomes possible to eliminate humiliation, promote pride and share love to thousands of youth in the community.

COMMUNITY ENGAGEMENT/ CUSTOMER RESEARCH:

Part of the City's Equity and Empowerment Framework is to lead with the principle of purposeful community outreach and engagement. This request helps to engage community in preparing the care bags and distributing them and advances the City's mission to work with community partners and businesses to promote equity and inclusion within Tacoma and throughout the region, producing measurable improvements and disparity reductions.

2025 STRATEGIC PRIORITIES:

Equity and Accessibility: (Mandatory)

The City of Tacoma has a goal to improve outcomes for all communities in an effort to make it a place people want to live, work and play. Providing essential items by way of care packages to unserved and vulnerable populations helps to achieve equity of access to essential hygiene products and messages of adult care, advancing Tacoma's goal to be a city where everyone is able to reach their full potential.

Civic Engagement: *Equity Index Score*: Moderate Opportunity

Increase the percentage of residents who believe they are able to have a positive impact on the community and express trust in the public institutions in Tacoma.

Livability: *Equity Index Score*: Select Index Score.

Increase positive public perception of safety and overall quality of life.

Improve health outcomes and reduce disparities, in alignment with the community health needs assessment and CHIP, for all Tacoma residents

Explain how your legislation will affect the selected indicator(s).

Supporting local non-profits in their service to all Tacomans reinforces our commitment to access so that all those who live, play and work in Tacoma can thrive no matter how they are currently situated. Additionally, care bags are assembled by community volunteers, providing a number of individuals in the community with educational opportunities to learn about hygiene insecurity and period poverty and share love and care with youth across our community.

ALTERNATIVES:

Presumably, your recommendation is not the only potential course of action; please discuss other alternatives or actions that City Council or staff could take. Please use table below.

Alternative(s)	Positive Impact(s)	Negative Impact(s)
1. Do not participate	There is no positive impact.	The City of Tacoma will not support an initiative that targets
		underserved youth.
Participate at another funding level	The City of Tacoma could support a different number of care packages.	If there was a reduction in care bags, it would result in less youth being served.
3. Participate as a volunteer, without offering funds.	The City of Tacoma can elect to volunteer to distribute or compile packages and not spend any funds.	The City of Tacoma will not increase the materials available to increase the number of care packages created.

EVALUATION AND FOLLOW UP:

Raising Girls will distribute care packages with a focus on Tacoma high schools with the highest census of homeless and transitional students. This is a one-time sponsorship and additional data or follow up could be sought if the Council was interested in engaging in additional support going forward.

STAFF/SPONSOR RECOMMENDATION:

The sponsors recommend approval of this resolution authorizing the council contingency fund request in the amount of \$10,000 for Raising Girls One Bag Drive.

FISCAL IMPACT:

Council Contingency funds are set aside for unanticipated expenses or investments that the Council would like to fund as an elected body. An investment of \$10,000 in Council Contingency Funds will cover the cost for the creation of 500 care packages.
