

WEEKLY REPORT TO THE CITY COUNCIL

May 4, 2023

Members of the City Council
City of Tacoma, Washington

Dear Mayor and Council Members:

ITEMS OF INTEREST

1. The City of Tacoma's **Planning and Development Services Department (PDS)** received the **Tacoma Public School's Shining Star Community Partner Award!** PDS was recognized for their efforts to support TPS' capital development, replacement, and modernization projects. As part of this partnership, PDS and TPS jointly meet on a weekly basis to ensure that PDS is meeting the specific milestones needed for schools to open and operate on-time at the start of every school year. PDS has also put in place a process to escalate any issue so that the appropriate mitigation or action can be taken on an expedited basis to prevent any unnecessary delay or impact to their projects. In addition, PDS works to coordinate capital projects with both Environmental Services and Public Works to maximize the use of rate payer and taxpayer dollars and minimize any impacts to both the school district and the general public. To demonstrate the scale of this effort, TPS has invested \$1.5 Billion since 2000 on these projects. As with any partnership, PDS could not have participated without the amazing support provided from Tacoma Public Schools and their staff. This is truly a joint effort, success, and partnership!
2. As a part of the City of Tacoma's ongoing efforts to build upon the existing entrepreneurial ecosystem, **CED was awarded funding through the Washington State Commerce Department's Small Business Innovation Fund** to partner with the organization Devland to create the GROW Tacoma program. Through the GROW program, Devland has worked directly with 12 Tacoma businesses over the course of 8 weeks and provided them with individualized advanced level technical assistance to help them strategize and implement processes for growth. As a culmination of the program, **Devland and CED will be hosting a community business showcase during National Small Business Week this Saturday, May 6th from 4:00 PM to 7:00 PM at Edison Square (5415 S Tacoma Way, Tacoma, WA 98409).** At the showcase, each participating company will take a moment to introduce themselves, their offerings, and their unique contributions to Tacoma's thriving business landscape. After these brief presentations, attendees are encouraged to visit each vendor's table to learn more, ask questions, and form lasting connections.

Event Highlights:

- Brief presentations by each participating microbusiness
- Opportunity to connect with local entrepreneurs at vendor tables
- Discover unique products and services offered by Tacoma businesses
- Networking opportunities for attendees and business owners

3. **The Tacoma Dome officially turned 40 on April 21, 2023. In honor of this milestone, on April 28th and 29th we welcomed almost 4,000 community members and students to the T-Town celebration** where they were able to explore City Services, visit with over 120 exhibitors showcasing various trades and career opportunities in our region, and enjoy free food and fantastic entertainment. Tacoma Venues & Events will be celebrating a “Dome of our Own” the rest of this year with the production and screening of a Tacoma Dome Documentary and partnerships with local retailers for Dome branded items.
4. On April 27, 2023, **an international delegation met with Tacoma business leaders and toured the City as part of a site selection process through the SelectUSA program.** The delegation was made up of 31 companies confirming interest in establishing a Puget Sound location and brought to Tacoma by Greater Seattle Partners, a regional economic development entity. Countries represented included Canada, France, Korea, India, Taiwan, Poland, Japan, Ireland and Spain and investment interest included establishing sales offices, new client relationships, manufacturing facilities, startup locations and venture capital.

The Community and Economic Development Department organized the Tacoma event with support and participation from Tacoma Public Utilities, the Tacoma-Pierce County Chamber of Commerce, Economic Development Board for Tacoma-Pierce County, the Port of Tacoma, Startup 253, Tacoma Venues and Events, Travel Tacoma-Mt Rainer, and Workforce Central. Business leaders participating in panel discussions included Eli Moreno (Surge Tacoma), Chris Rye (TOTE Maritime), Quincy Henry (Campfire Coffee), Ryan Spence (The Fifth Floor), Nigel Sharp (Aquagga), Makoto Eyre (Homeostasis), Neetal Parekh (Innov8Social) and Matt Tollentino (Namatad). **Deputy Mayor Kristina Walker and Council Member Kiara Daniels made remarks and the group learned about environmental cleanups on the Tacoma Waterfront from Environmental Services Assistant Director Geoff Smythe.**

SelectUSA is a program of the United States Department of Commerce that focuses on job-creating investment in the United States. Since its inception in 2007, the program has secured \$146 billion in investment and the creation or retention of 166,000 jobs. The April visit was the first such visit to Tacoma as part of the program.

5. Tacoma Public Utilities provides the attached **May 10, 2023, Study Session and Public Utility Board meeting agendas**, there are no items scheduled to go to Council.
6. Please see the attached City of Tacoma **Weekly Meeting Schedule**.
7. Police Chief Avery Moore provides the attached **Weekly Crime Report**.
8. City-funded Temporary and Emergency Shelter Performance: The City posts weekly information about its Temporary and Emergency Shelter locations including current census, number of available beds and exits to housing. This information can be found at: https://www.cityoftacoma.org/UserFiles/Servers/Server_6/File/cms/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf and is updated weekly.

9. **Encampment Outreach:** The City's Homeless Engagement and Alternatives Liaison (HEAL) Team (formerly the Homeless Outreach Team) performs encampment outreach throughout the week to provide individuals opportunities to connect to shelter, behavioral health, substance use and employment services. **For the week of April 24 - 28, 2023, staff visited eight locations. This resulted in thirteen individuals being contacted and referred to community services and three individuals accepting shelter.**
10. **Holy Rosary Safe Parking Site:** **The safe parking site at Holy Rosary operated by Catholic Community Services (CCS) opened on Monday, April 17th, 2023.** Site referrals are made through the City's Homeless Engagement and Alternatives Liaison (HEAL) team as well as our contracted partners, Comprehensive Life Resources and Tacoma Rescue Mission Search and Rescue. Currently, there are fourteen individuals being served on site. Since opening, the site has connected one individual to permanent housing. As a reminder, the site is expected to serve up to 40 individuals and/or up to 20 vehicles and expected to provide access to hygiene services such as bathroom, showers, and laundry for residents who are staying on site. The residents will also have access to Case Management to assist with permanent housing solutions. We continue to assess operational needs and to support CCS and the site's needs as they may arise. CCS will form a Community Advisory Committee to review operations and progress of the site, address questions, concerns, and ideas from the public, and provide advisory input. Meetings details will be available next week at <https://cityoftacoma.org/cms/one.aspx?pageId=181803>.

Citywide Weekly Briefing for 24 April 2023 to 30 April 2023

The data is not National Incident Based Reporting System (NIBRS) compliant. Do not compare the results with any report using that standard. The data is dynamic and is subject to change and/or revision. The number of distinct offenses listed on a report are counted. This does not represent reports or individuals. All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases. Beginning 1 October 2022, there was a change in how TPD reports certain Aggravated Assaults and Destruction offenses.

**CITY OF TACOMA, WASHINGTON
OFFICE OF THE CITY COUNCIL
COUNCIL CONSIDERATION REQUEST**

TO: Mayor & City Council

FROM: Council Member Kiara Daniels and Council Policy Analyst Christina Caan

COPIES TO: Elizabeth Pauli, City Manager; Bill Fosbre, City Attorney

SUBJECT: **A Resolution acknowledging the devastating impact of gun violence in our country and in Tacoma; naming the disparity of those impacts on Black youths, boys, and children; affirming the City of Tacoma's ongoing commitment to decreasing violence in our community; and directing the City Manager to implement a range of immediate actions related to bolstering community safety and the wellbeing of Tacoma's youth. - Requested for May 16, 2023**

DATE: May 3, 2023

I ask for your support for a Resolution acknowledging the devastating impact of gun violence in our country and in Tacoma; naming the disparity of those impacts on Black youths, boys, and children; affirming the City of Tacoma's ongoing commitment to decreasing violence in our community; and directing the City Manager to implement a range of immediate actions related to bolstering community safety and the wellbeing of Tacoma's youth.

LEGISLATIVE INTENT:

Resolution Request: In alignment with the commitment the City of Tacoma and our ongoing partnership with Tacoma Public Schools, Metro Parks, Tacoma-Pierce County Health Department, and other community stakeholders and partners to advance efforts to address youth violence, the proposed resolution directs the City Manager to take several immediate actions:

- Provide \$200,000 in funding for safe space for youth and \$100,000 in funding for youth programming for the summer of 2023.
- Ensure that the ongoing work to create a Community Safety Plan includes an effort to: 1) identify a set of data-driven goals for reducing gun violence in Tacoma and disrupting the cycle of violence affecting young people, 2) identify pathways beyond policing to help achieve strategic outcomes and violence prevention, and 3) place a priority focus on youths of color, boys, and those ages 12-18.
- Research the feasibility of enhancing efforts to prevent legally purchased firearms from being used illegally by or against youths, such as increasing the accessibility of gun safes and trigger locks, and to evaluate whether there are unrealized or underutilized opportunities in the Bipartisan Safer Communities Act, signed into law in June 2022, that could help curb the spread of unlawfully obtained firearms in Tacoma.
- Undertake efforts to partner with public policy research organizations on youth asset mapping and work toward expanding community partnerships and programming specific to violence prevention among male youths of color who are ages 12-18.

DESIRED RESOLUTION DATE: May 16, 2023

ISSUE BACKGROUND:

Youths in our country are experiencing surging levels of gun violence, creating a dire crisis that reached alarming new heights in 2020, when gun violence became the leading cause of death for Americans under the age of eighteen.¹² Nationally, gun violence has shown no signs of being a temporary phenomenon among American youths and has risen steadily and sharply throughout the past decade. Gun violence is, however, affecting American youths in disparate ways. Black children, as of 2021, were about five times more likely to die from gunfire than their white counterparts.³ In addition, boys and those ages 12-17 account for the vast majority of gun-related deaths.

Illegally obtained firearms and lapses in safe storage are fueling gun violence across the country and, in Tacoma, stolen guns are ending up the hands of our youth. The Tacoma Police Department reports that a gun is stolen from a vehicle every 57 hours in the City, with 51 guns reported stolen this year.⁴ In 2021, ten percent of children in Tacoma Public Schools participating in the Healthy Youth Survey thought it would be easy to get access to a gun.⁵⁶ As of 2021, approximately 30 million children in the United States lived in households with firearms and at least 4.6 million lived in a household with loaded and unlocked firearms.⁷

Gun violence has far-reaching consequences for our country and our City. Gun violence not only irrevocably change or cut short lives, but it also traumatizes perpetrators, witnesses, and families, while stoking stress, fear, and anxiety in our schools and neighborhoods.

In Tacoma, we have experienced an alarming year-over-year increase in youth deaths due to gun violence. In response and at the convening of Mayor Woodards, representatives from concerned government agencies, including Tacoma, Pierce County and its Juvenile Court, Metro Parks Tacoma, Tacoma Pierce County Health Department, Tacoma Public Schools, the Puyallup Tribe of Indians, and Pierce Transit, have been meeting to discuss shared concerns and a collaborative approach to this important issue. This resolution seeks to capture the outcomes of those conversations to date.

COMMUNITY ENGAGEMENT/ (CUSTOMER RESEARCH):

Tacoma Public School youths who are ages 12-18 years old will benefit directly from this proposal by receiving new options for safe locations and healthy programming hosted by partner organizations from 5:00-10:00pm. Parents and family members will benefit from this proposal by having greater options for ensuring safe locations for children during the summer. Simultaneous to this expanded programming, the City will be developing a Community Safety Plan to guide sustained action. The creation of the plan will include both understanding past feedback the community has shared as well as additional community outreach.

2025 STRATEGIC PRIORITIES:

Equity and Accessibility:

According to national data, Black children, as of 2021, were about five times more likely to die from gunfire than their white counterparts.⁸ Expanding safe summertime locations and programming for Tacoma Public School students is an immediate way we can support our partners in providing healthy alternatives to violent activity.

Education: *Equity Index Score*: Moderate Opportunity

Increase the availability and accessibility of early childhood education programs.

Increase the number of quality out of school time learning opportunities distributed equitably across the city.

Livability: *Equity Index Score*: Very High Opportunity

Improve access and proximity by residents to diverse income levels and race/ethnicity to community facilities, services, infrastructure, and employment.

Increase positive public perception of safety and overall quality of life.

This Resolution will improve equity in education and livability by ensuring Tacoma is addressing immediate community needs for violence prevention and working to ensure longer-term efforts are being focused on advancing data-driven goals and improving perceptions of safety as part of the overall Community Safety Plan. In addition, opening summer safe sites will help improve access and activities available to all Tacoma Public School youths at a time when schools are not traditionally open.

ALTERNATIVES:

Alternative	Positive Impacts	Negative Impacts
1. No action.	Preserves funds for other related programming. Allows greater flexibility in identifying priority populations for the Community Safety Plan.	The City would be relying on standard annual funding and approaches in response to the rise in youth violence. Without City funding, partner agencies would be further constrained in their goal to provide safe space sites for Tacoma youths or programming for the safe space sites this summer.
2. Provide greater level of funding.	Additional funding could help expand this summer's program or extend the program into 2024.	The Community Safety Plan underway this year will provide additional guidance for funding investments, including priorities for addressing community-directed safety priorities. Expanding funding in advance of that work could result in investments out of alignment

		with the City's long-term priorities.
--	--	---------------------------------------

EVALUATIONS AND FOLLOW UP:

The funds provided for summer safe sites are being given on a one-time basis, but City officials will continue conversations with Tacoma Public Schools, Metro Parks, Tacoma-Pierce County Health Department, and other key stakeholders and partners to ensure that summer programming is designed with a focus on at-risk youth. Simultaneous to this expanded programming, the City will be developing a Community Safety Plan to direct and guide additional efforts. The City will also look to draw on the Community Safety Plan's evaluation of strategic goals to ensure funding is aligned with priority objectives.

SPONSOR RECOMMENDATION:

The sponsor recommends approval.

FISCAL IMPACT:

This resolution will direct a total of \$300,000 to support safe space and programming for youth as a part of the actions the City Manager would be directed to take.
