

WEEKLY REPORT TO THE CITY COUNCIL

June 1, 2023

Members of the City Council
City of Tacoma, Washington

Dear Mayor and Council Members:

ITEMS OF INTEREST

1. The Human Resources department provides the attached **Tacoma Police Department staffing update for May 20, 2023**.
2. Planning and Development Services Director Peter Huffman reports that the Planning Commission has completed its review process for the 2023 Annual Amendment to the One Tacoma Comprehensive Plan and Land Use Regulatory Code, which includes six applications. **The Commission recommends the City Council deny the proposed Mor Furniture Land Use Designation Change and the Electric Fence Code Amendment, and adopt the proposed Shipping Container Code Amendments, Delivery-Only Retail Standards, Commercial Zoning Update Phase 1 – Neighborhood Commercial Nodes, and the Minor Plan and Code Amendments. The City Council will review the Commission's recommendations at the Study Session on June 27, 2023, and conduct a public hearing on the same night to receive public comments.** The first and final readings of adopting ordinances are scheduled for the City Council's consideration on July 25, 2023, and August 1, 2023. The Planning Commission's Findings and Recommendations Report is available for public review at www.cityoftacoma.org/2023amendment.
3. Police Chief Avery Moore provides the attached **Weekly Crime Report**.
4. Please see the attached City of Tacoma **Weekly Meeting Schedule**.
5. City-funded Temporary and Emergency Shelter Performance: The City posts weekly information about its Temporary and Emergency Shelter locations including current census, number of available beds and exits to housing. This information can be found at: https://www.cityoftacoma.org/UserFiles/Servers/Server_6/File/cms/NCS/City%20Authorized%20Emergency%20Shelter%20Sites/Weeklydataupdate.pdf and is updated weekly.
6. Encampment Outreach: The City's Homeless Engagement and Alternatives Liaison (HEAL) Team (formerly the Homeless Outreach Team) performs encampment outreach throughout the week to provide individuals opportunities to connect to shelter, behavioral health, substance use and employment services. **For the week of May 22 - 26, 2023, staff visited seventeen locations. This resulted in fifty - two individuals being contacted and referred to community services and five individuals accepting shelter.**

7. Holy Rosary Safe Parking Site: **The safe parking site at Holy Rosary operated by Catholic Community Services (CCS) opened on Monday, April 17, 2023.** Site referrals are made through the City's Homeless Engagement and Alternatives Liaison (HEAL) team as well as our contracted partners, Comprehensive Life Resources and Tacoma Rescue Mission Search and Rescue. Since opening six weeks ago, CCS has served 27 individuals and had several positive outcomes including connecting six individuals to permanent housing.

As a reminder, **the site is expected to serve up to 40 individuals and/or up to 20 vehicles at a time and expected to provide access to hygiene services such as bathroom, showers, and laundry for residents who are staying on site.** The residents also have access to case management to assist with permanent housing solutions.

The City continues to assess operational needs and will be continuing to support CCS and the site's needs as they may arise. CCS hosted its first Community Advisory Committee (CAC) meeting on May 25, 2023. The CAC will meet monthly to review operations and progress of the site, address questions, concerns, and ideas from the public, and provide advisory input. **Community members plan to reach out to their neighbors to assess future meeting times and dates and we will share an ongoing date and time when that is established.**

8. The Office of Arts and Cultural Vitality Provides the attached **May 24, 2023, Tacoma Creates Briefing.**

STUDY SESSION / WORK SESSION

9. **The City Council Study Session of Tuesday, June 6, 2023, will be conducted as a hybrid meeting.** This meeting can be attended in-person at the Tacoma Municipal Building, Council Chambers located at 747 Market Street on the 1st floor or be heard by dialing (253) 215 – 8782 or through Zoom at: www.zoom.us/j/89496171192 and entering the meeting ID 894 9617 1192; and passcode 896569 when prompted. This meeting will be broadcast on TV Tacoma and live streamed on Facebook.

Discussion items will include: (1) **Landlord Tenant Proposed Code Amendment;** (2) **Tacoma Green Economic Development Strategy;** (3) **Other Items of Interest: Letter to Wellfound Management, Letter of Support – Therapeutic Courts, Council Consideration Request's: City of Tacoma Juneteenth Sponsorship, Mitigating Impact of City's Light Rail Investment and Lifelong Kindergarten's First Tacoma Coding Workshop Series;** (4) **Agenda Review and City Manager's Weekly Report.**

On our first agenda item, staff from the Office of Equity and Human Rights, Legal and the Office of Strategy will discuss the **Landlord Tenant proposed code amendment.**

On our second agenda item, staff from the Economic and Development Services department will provide an **update on the Tacoma Green Economic Development strategy.**

Citywide Weekly Briefing for 22 May 2023 to 28 May 2023

The data is not National Incident Based Reporting System (NIBRS) compliant. Do not compare the results with any report using that standard. The data is dynamic and is subject to change and/or revision. The number of distinct offenses listed on a report are counted. This does not represent reports or individuals. All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases. Beginning 1 October 2022, there was a change in how TPD reports certain Aggravated Assaults and Destruction offenses.

Sector 4 Weekly Briefing for 22 May 2023 to 28 May 2023

The data is not National Incident Based Reporting System (NIBRS) compliant. Do not compare the results with any report using that standard. The data is dynamic and is subject to change and/or revision. The number of distinct offenses listed on a report are counted. This does not represent reports or individuals. All data is compared to last year for the same number of days or date range. Small numbers may cause large percent increases and decreases. Beginning 1 October 2022, there was a change in how TPD reports certain Aggravated Assaults and Destruction offenses.

Tacoma Creates Briefing May 24, 2023

65 Cultural Organizations Funded by Tacoma Creates for 2023-2024

The Tacoma Creates Advisory Board (TCAB) has approved Tacoma Creates funding contracts for the 2023-2024 funding cycle totaling approximately \$5.6 million, which will go to 65 local non-profit organizations whose primary purpose is to advance or preserve arts, culture, heritage, and/or science. Recommendations were made to TCAB after applications were reviewed in a competitive process by panels consisting of members of TCAB and community representatives.

The organizations supported by Tacoma Creates range from small, volunteer-led arts programs to major downtown museums; all are vital in our local creative economy and in creating opportunities for community engagement and connection. The funding will support a range of public programming for all ages, youth education programs, and a commitment to equitable and inclusive access for people throughout Tacoma.

The following 65 organizations will receive 2023-2024 Tacoma Creates contracts:

Re: Wellfound Bargaining Efforts

Dear Angela Naylor,

Here in the City of Tacoma, we believe that all workers deserve a seat at the table. We value workers, we value worker's rights, and we value that unions have fought to make those rights possible. Ultimately, the right of workers to organize and form collective bargaining units is a fundamental component of our democracy. Those of us that have met with Wellfound employees represented by SEIU Healthcare 1199NW during their early organizing efforts were moved by their dedication.

We know that bargaining can be an arduous and long process, and we applaud management and union members efforts to bargain a contract over the last year that ensures our community is cared for and that Wellfound is successful. Balancing operational needs against budget challenges is always a tough line to walk that we understand well, and we believe management is doing what they can to ensure that balance brings the greatest benefit to the Tacoma community.

A safe and stable Wellfound is important to all of us in Tacoma, and the expansion of psychiatric services are vital for our community. We have a behavioral health crisis in Tacoma, and we all need to be a part of the solution. A fully staffed Wellfound operating at full capacity is an important piece of getting the psychiatric services that are vital for our community and addressing the growing mental health issues facing Tacoma.

We believe Wellfound can show Tacoma an example of Behavioral Healthcare done the right way. We urge you to work with union leadership to ensure safe staffing levels and fully utilized psychiatric beds in our community and bargain a contract that best serves our community and allows us to meet the behavioral health challenges we face together.

Yours in Service,

The Tacoma City Council is pleased to write this letter of support for Tacoma Municipal Court's application for FY2024 State Funding for Therapeutic Courts in Courts of Limited Jurisdiction. We are very proud of the initial work Tacoma's Municipal Therapeutic Court has undertaken. We support its efforts to build stronger and safer neighborhoods with a holistic approach that focuses on connecting court participants to community-based treatment programs and other supportive social services. We value and endorse the Therapeutic Court's goals to reduce recidivism, increase overall independence, and improve public safety in our community.

Our City Council is dedicated to promoting programs that improve the well-being of all Tacoma residents. We must do all we can to support individuals facing significant life challenges, such as mental health concerns, substance use disorders, trauma, housing instability, education barriers, limited job opportunities, and food insecurity. We understand that those involved in the criminal justice system face these challenges at a disproportionate rate.

Our City Council is actively working to learn more about criminal justice system responses. In addition to conversations between the Council and the Tacoma Municipal Court, the Deputy Mayor and Members of the Council have visited therapeutic courts across the state in collaboration with our Tacoma Municipal Court staff. Our Deputy Mayor and Councilmembers have greatly appreciated learning about this innovative approach and are glad to see these exciting programs being developed in our city.

Tacoma Municipal Court has the City Council's full support as they work to grow their therapeutic court program. We are grateful for the opportunity to endorse their application in hopes that these programs will continue to benefit justice-involved Tacoma community members and our city as a whole.

Sincerely,

[City Councilmember signatures to be added pending approval]

DRAFT

**CITY OF TACOMA, WASHINGTON
OFFICE OF THE CITY COUNCIL
COUNCIL CONSIDERATION REQUEST**

TO: Tacoma City Council
FROM: Mayor Victoria Woodards and Chief Policy Analyst Bucoda Warren
COPIES TO: Elizabeth Pauli, City Manager; Bill Fosbre, City Attorney
SUBJECT: **Resolution – Council Contingency Fund Request to sponsor the City’s 2023 Juneteenth Celebration**
DATE: June 6, 2023

I ask for your support for a \$2,500 Council Contingency Fund expenditure to sponsor the City’s 2023 Juneteenth Celebration.

LEGISLATIVE INTENT:

Council Contingency Fund Request: The City of Tacoma recognized the Juneteenth holiday for employees in 2022 and we held our first community celebration and inauguration of the Black Lives Matter mural at Tollefson Plaza.

The City of Tacoma Human Rights Commission recognizes that the celebration of Juneteenth offers our community the opportunity to reflect on the grievous and ongoing legacy of slavery and rededicate ourselves to rooting out the systemic racism that continues to plague our communities.

Juneteenth commemorates the events of June 19th, 1865, when Major General Gordon Granger led Union soldiers into Galveston, Texas, bringing news that the Civil War had ended and that the Emancipation Proclamation had declared all enslaved people free nearly two and a half years earlier.

Juneteenth not only reminds us that our history remains stained by injustice but calls us to action to build a future for all of our children where systemic inequities that have created barriers for them no longer exist. Our country, and the City of Tacoma, cannot afford to repeat our past offenses that generated beliefs, policies and systems that were and are discriminatory, immoral, and inhumane.

The celebration of Juneteenth matters as a celebration of the liberation from beliefs, policies and systems that were and are discriminatory, immoral, and inhumane. It represents resistance, resilience, and Black Joy. Through this event, the City of Tacoma encourages our residents to reflect on the themes of Black and African American Liberation, Healing, and transformation for our city.

Funding will support painting supplies for the mural, advertising, dancing, music, performers, and speakers, as well as tables and chairs needed for the community fair.

FUNDING REQUESTED:
\$ 2,500

COMMUNITY ENGAGEMENT/ (CUSTOMER RESEARCH):

The City's Human Rights Commission was established to study and investigate problems of prejudice, bigotry, and discrimination and to encourage and coordinate the implementation of programs consistent with the needs and the rights of all residents of the City of Tacoma. The Commission has been a leader in pushing for this event and advocated for Council support to host this event this year.

2025 STRATEGIC PRIORITIES:**Equity and Accessibility:**

This free family friendly event and celebration of Juneteenth will happen in front of the Black Lives Matter Mural, and be surrounded by speakers, resources, and a community Fair with local organizations represented. The event will provide inspiration, history, and opportunities to engage in solutions in addressing systemic inequities.

Explain how your legislation will affect the selected indicator(s)?

History and sharing the knowledge of Juneteenth is vital to furthering understanding and equity in Tacoma. Through shared understanding and conversation, we can understand our past and ensure we do not repeat these vile actions in the future. It also brings to light the continued systemic oppression of black and brown communities and provides resources and information for people to engage in solutions.

ALTERNATIVES:

Alternative	Positive Impacts	Negative Impacts
1.Do not fund this request	More funds available in the contingency fund for emerging issues.	City will not host a Juneteenth Celebration in 2023
2.		

EVALUATIONS AND FOLLOW UP:

Following the conclusion of the event, staff will report out on the event and plans for funding future events internally.

SPONSOR RECOMMENDATION:

We recommend approval of this request to support Juneteenth celebrations hosted by the City and the Human Rights Commission.

FISCAL IMPACT:

\$2,500 from the Council Contingency Fund.

If you have a question related to the Council Contingency Fund Request, please contact Chief Policy Analyst Bucoda Warren at 253-318-0594 or bwarren@cityoftacoma.org.

SUBJECT: **Resolution – Sponsoring Lifelong Kindergarten’s First Tacoma Summer Coding Workshop Series – June 6, 2023**

DATE: May 31, 2023

I ask for your support for a Council Contingency Fund expenditure of up to \$7,000 to sponsor the Summer Coding Workshop Series developed by the Lifelong Kindergarten group at the Massachusetts Institute of Technology Media Lab and hosted by Tacoma Public Libraries.

LEGISLATIVE INTENT

Council Contingency Fund Request: The Summer Coding Workshop Series will provide a diverse range of young people in Tacoma with the opportunity to explore and learn how to use a new block-based coding app being developed by the Lifelong Kindergarten group at the Massachusetts Institute of Technology (MIT) Media Lab. The app allows users to take photos and record sounds, and then bring them to life with code.

The Summer Coding Workshop Series will help participants build a wide variety of skills, including learning coding work and creative thinking. During the workshop, participants will create games, stories, and animations to reinforce learning from books read in the Tacoma Public Library Summer Reading Program. Books selected for this workshop will focus on amplifying stories from marginalized communities, including people of color, women, and people with disabilities. This new block-based coding language is set to be officially released in the fall of 2023, giving Tacoma’s youth the opportunity to be amongst the first group of people to create using the app.

This contingency fund request would allow the City to sponsor the Summer Coding Workshop Series. This sponsorship would enable Lifelong Kindergarten to purchase twenty 9th Generation iPads for the Summer Coding Workshop Series at an educational price of \$309.00 per iPad and critical accessories. The sponsorship would also include a memorandum of understanding between Lifelong Kindergarten and Tacoma Public Library for the iPads to be donated to the Library after the conclusion of the workshop series. The technology currently available for use at the Tacoma Public Libraries does not allow for patrons to participate in collaborative creative learning activities, such as mobile coding or drawing/animating with tools such as procreate.

FUNDING REQUESTED: up to \$7,000

COMMUNITY ENGAGEMENT/ (CUSTOMER RESEARCH):

The Summer Coding Workshop Series will be held at a variety of Tacoma Public Library locations to reach a diverse group of participants. Workshop dates and Tacoma Public Library locations include:

- 8/4 – Swasey (3:30 – 5 pm)
- 8/10 – Mottet (3:30 – 5 pm)

Two Tacoma Public Schools students - Jaylen Leonard (IDEA 2023) and Zion Jackson (SAMI 2027) - will participate in a summer internship with the Lifelong Kindergarten group, during which their main responsibilities will be to co-design coding activities and co-facilitate the workshops. In addition, the workshop facilitator, Jaleesa Trapp, grew up in Tacoma and attended Foss High School. She is now a PhD candidate at the MIT Media Lab in the Lifelong Kindergarten Research Group. Her current research focus is developing community-centered creative learning spaces to support marginalized youth and their families.

2025 STRATEGIC PRIORITIES

Equity and Accessibility: The Lifelong Kindergarten group at the MIT Media Lab develops innovative technologies and cultivates caring communities to engage young people from diverse backgrounds in creative learning experiences. The group is deeply committed to bringing about change in the world and improving the lives of young people, especially those from marginalized and vulnerable communities. Notable projects from the Lifelong Kindergarten group include The Computer Clubhouse Network, Scratch, Makey Makey, and Learning Creative Learning. The Summer Coding Workshop Series will focus on reaching a diverse group of participants and reinforcing stories from marginalized communities that are drawn from the Tacoma Public Library Summer Reading Program. In addition, the Summer Coding Workshop Series will grant Tacoma youth the opportunity to be among the first group of people to create using the new app.

Economy/Workforce: *Equity Index Score:* Moderate Opportunity

Increase the availability of industry-specific education programs to support identified growth sectors.

Education: *Equity Index Score:* High Opportunity

Increase the number of quality out of school time learning opportunities distributed equitably across the city.

Increase digital access and equity across the city.

Civic Engagement: *Equity Index Score:* Moderate Opportunity

Increase the percentage of residents who believe they are able to have a positive impact on the community and express trust in the public institutions in Tacoma.

Livability: *Equity Index Score:* Moderate Opportunity

Improve access and proximity by residents to diverse income levels and race/ethnicity to community facilities, services, infrastructure, and employment.

Explain how your legislation will affect the selected indicator(s)?

The Summer Coding Workshop Series will engage a diverse group of participants in an opportunity to expand their marketable skills and increase digital access across the city. When the Summer Coding Workshop Series concludes, the iPads will be made available to be used at all the Tacoma Public Library branches for coding, animation, reading, and other creative learning activities.

Having iPads available for Tacoma Public Library use will allow more young people to participate in library activities in a non-traditional way and may encourage them to explore other resources and activities the library offers. The technology currently available at the Tacoma Public Libraries does not allow for patrons to participate in collaborative creative learning activities, such as mobile coding or drawing/animating with tools such as procreate.

ALTERNATIVES:

Alternative	Positive Impacts	Negative Impacts
Sponsor at a lower level	Preserve some additional contingency funds for other Council priorities.	The Summer Coding Workshop Series would need to purchase fewer iPads, limiting the number of participants they can include in the program.
Do not sponsor	Preserve contingency funds for other Council priorities.	The Summer Coding Workshop would need to find alternative funding and the iPads would not remain available for use at the Tacoma Public Libraries following the conclusion of the program.

EVALUATIONS AND FOLLOW UP:

These contingency funds are provided to sponsor the first Summer Coding Workshop Series in Tacoma, and contingency funds are intended as a one-time funding source. Event organizers will be provided with information on how to apply for future grants and event funding opportunities at the City of Tacoma during standard application cycles.

SPONSOR RECOMMENDATION:

Sponsors recommend providing up to \$7,000 to sponsor the Summer Coding Workshop Series.

FISCAL IMPACT:

Up to \$7,000 from Council Contingency Funds.

If you have a question related to the Council Contingency Fund Request, please contact Christina Caan, Council Policy Analyst, at (253) 219-0679 (phone) or ccaan@cityoftacoma.org.

**CITY OF TACOMA, WASHINGTON
OFFICE OF THE CITY COUNCIL
COUNCIL CONSIDERATION REQUEST**

TO: Mayor & City Council

FROM: Council Member Keith Blocker and Council Policy Analyst Christina Caan

COPIES TO: Elizabeth Pauli, City Manager; Bill Fosbre, City Attorney

SUBJECT: **Resolution – Mitigating Impact of City’s Light Rail Investment for Hilltop Street Fair and Stadium Business District Events – June 6, 2023**

DATE: May 22, 2023

I ask for your support for a Council Contingency Fund expenditure of \$30,000 to support efforts to mitigate the impact of the City’s light rail investment for the Hilltop Street Fair and Stadium Business District events.

LEGISLATIVE INTENT

Council Contingency Fund Request: The Hilltop Business District Association (HBDA) is working with a diverse group of stakeholders to hold the Hilltop Street Fair, a widely anticipated and signature community tradition since 2014. This year’s Hilltop Street Fair will take place on Saturday, August 26, 2023, from 11:00am—7:00pm. However, physical changes to the event’s footprint are needed this year to accommodate the anticipated opening of the Hilltop Tacoma Link Extension (HTLE) of the Sound Transit Tacoma Line.

The HBDA does not currently have the event planning capacity to plan the Hilltop Street Fair on a disrupted footprint while also minimizing disruptions on MLK Jr Way from 9th-14th and 10th and L Street to other adjacent Hilltop locations. This funding is meant to build that capacity. The HBDA needs an event planner with specific logistical, safety, and regulatory planning skills to ensure the City’s light rail investment does not unintentionally damage the ability of the Hilltop Street Fair to build and celebrate community.

This contingency fund request would provide a one-time investment of \$30,000 to hire an experienced event planner to work in partnership with the HBDA to adjust the event footprint while also leveraging community assets and promoting use of existing light rail to get to the event. This contingency fund request will also include monies for consultative services to the Stadium Business District for their growing Art and Wine Walk and/or other events that may be impacted by the HTLE rail lines. The impact to these events is likely to be less than the Hilltop Street Fair because Stadium Business District events will be held adjacent to the HTLE rail lines, therefore much of the funding will go toward the HBDA.

Contingency request funding will be used to:

- Advise on event logistics that maximizes community assets, while keeping off MLK and adhere to Sound Transit safety requirements
- Develop a traffic control plan approved by the Permit Office for 2023 and future events
- Create an event how-to manual (digital and hard copy) with tips on best practices such as timelines, so future event planners can replicate the work
- Manage permit process with local government and Sound Transit

- Assist in aligning the event with Sound Transit Grand Opening plans where possible
- Regular check in with community event leaders and assist in communications with the City and Sound Transit
- Load-in and day of event consulting support
- Consultative services to Stadium Business District for Art and Wine Walk/other events

FUNDING REQUESTED:
\$ 30,000.00

COMMUNITY ENGAGEMENT/ (CUSTOMER RESEARCH):

The Hilltop Street Fair began in 2014, with 5,000 people attending. By 2019, the event had grown, and attendance rose to 25,000. Impacts from community safety measures put the event on hold for 2020 and 2021, and in 2022 when the event was reintroduced, attendance was estimated at 8,000-10,000. The Hilltop Business District Association is working with a diverse group of planning and community members to continue the tradition. Cultural collaboration is important to the event producers and in support of that, The Asia Pacific Cultural Center is a fiscally responsible partner for this event and has shown great support for producing this signature event.

2025 STRATEGIC PRIORITIES:

Equity and Accessibility:

The Hilltop Business District Association (HBDA) is an open organization of businesses, nonprofits, universities, healthcare organizations and hospitals that serve the people of the Hilltop neighborhood in Tacoma. The HBDA believes every person has the right to a safe and welcoming community that values diversity, equity, and inclusion. The HBDA also promotes an environment in which each community member, volunteer, advocate, and employee must have equal access to solving community problems and acting on opportunities. The HBDA values the visible and invisible qualities that make each person who they are and believes a diversity of backgrounds, experiences, and perspectives make a stronger organization. The HBDA is also committed to engaging the community in ways that collectively promote unity and compassion.

The Hilltop Street Fair aims to foster genuine conditions for belonging. Activities included in the Hilltop Street Fair that advance equity and accessibility include:

- People's Park will emphasize international food, culture, immigration and refugees with a global BBQ and offerings by Tacoma's Sister Cities: Korean, Cuban, Chinese, Japanese and Italian recipes.
- Children's activities and dynamic performances on stage by diverse global and local performers.
- Culturally relevant art exhibitions including dancers and costumed entertainers from Latin countries.
- Music stage at 11th and MLK called the 1111 Stage and will feature up and coming local bands from Tacoma and near communities.
- Showcase local artistic talent and organizations such as TUPAC, fashion shows and various bands including Hip Hop.

Civic Engagement: *Equity Index Score:* Moderate Opportunity

Increase the percentage of residents who believe they are able to have a positive impact on the community and express trust in the public institutions in Tacoma.

Economy/Workforce: *Equity Index Score:* Moderate Opportunity

Increase the number of diverse livable wage jobs.

Increase the number of infrastructure projects and improvements that support existing and new business developments.

Livability: Equity Index Score: Moderate Opportunity

Increase positive public perception of safety and overall quality of life.

Explain how your legislation will affect the selected indicator(s)?

This contingency fund will directly support the work of the HBDA and Stadium Business District to hold successful events that celebrate diversity and community in Tacoma without disruption from the City's light rail investments. These types of events and festivals are also economic drivers for local communities, bringing residents and tourists to the Hilltop and Stadium Business Districts, who will patronize local businesses and support the local economy.

ALTERNATIVES:

Alternative	Positive Impacts	Negative Impacts
Provide less funding	Preserve some additional contingency funds for other Council priorities.	Support from an event planner to provide logistical, safety, and regulatory planning elements would be limited.
Do not provide funding	Preserve contingency funds for other Council priorities.	The Hilltop Street Fair and Stadium Business District events would need to find alternative funding to adjust event footprints, be moved to new locations, or be postponed.

EVALUATIONS AND FOLLOW UP:

These contingency funds are provided to ensure the City's light rail investment does not unintentionally damage the ability of events hosted by the HBDA and the Stadium Business District to build and celebrate community, including through the longstanding yearly Hilltop Street Fair. These contingency funds are intended as a one-time funding source. Event organizers will be provided with information on how to apply for future grants and event funding opportunities at the City of Tacoma during standard application cycles. Following the event, the event planner will share lessons learned and best practices for improving the event the following year.

SPONSOR RECOMMENDATION:

Sponsors recommend providing \$30,000.00 to support the Hilltop Street Fair and the Stadium Business District for their growing Art and Wine Walk and/or other events that may be impacted by the HTLE rail lines.

FISCAL IMPACT:

\$30,000.00 from Council Contingency Funds
