

South Tacoma Groundwater Protection District Moratorium Extension

City of Tacoma
Planning and Development Services

City Council Meeting
August 20, 2024
Ordinance No. 28977

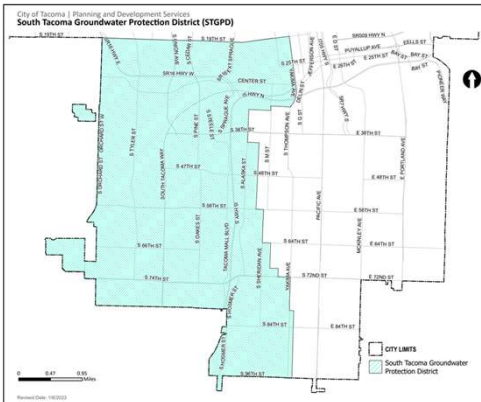

● ● ● Overview

Purpose of the Meeting: First Reading of Ordinance to consider a six-month extension of the South Tacoma Groundwater Protection District (STGPD) moratorium.

1. Background
2. STGPD Moratorium
3. STGPD Work Plan
3. Schedule and Next Steps

South Tacoma Groundwater Protection District (STGPD)

- Created in 1988 as an overlay zone in Title 13 of the Tacoma Municipal Code (TMC).
- Encompasses the South Tacoma aquifer recharge area.
- Created to protect aquifer drinking water from contamination.
- Applies to businesses/commercial uses.
- Prohibits incompatible land uses.
- Establishes standards for hazardous substance storage, stormwater infiltration, spill prevention, and inspections.
- Lead agencies: Tacoma-Pierce County Health Department (TPCHD), Tacoma Water, Environmental Services, Planning and Development Services (PDS)

3

STGPD Moratorium

What uses will be impacted?

- **Uses Temporarily Prohibited:**
 - Underground storage tanks
 - Metal recycling/auto wrecking
- **How it applies to existing facilities:**
 - Prohibit expansion of existing facilities
 - Allow normal maintenance, repair, replacement activities, and existing operations
 - Allow site and facility improvements to comply with building code, stormwater, and environmental standards
- **Duration of Moratorium:**
 - The existing moratorium is set to expire on September 20, 2024
 - The extension will add an additional six months
