  - **Assessment of capabilities**
  - **Recommended improvements**
- **Intelligent Transportation System (ITS)**
  - **Information Management**
  - **Traffic Management**
  - **Incident and Emergency Management**
  - **Commercial Vehicle Operations**

# Background

- Concerns from previous and proposed public and private development in the Tideflats
- Fehr & Peers contracted to perform the ER/ITS Study in 2014
- Funding was provided by the City, Port of Tacoma and other partners

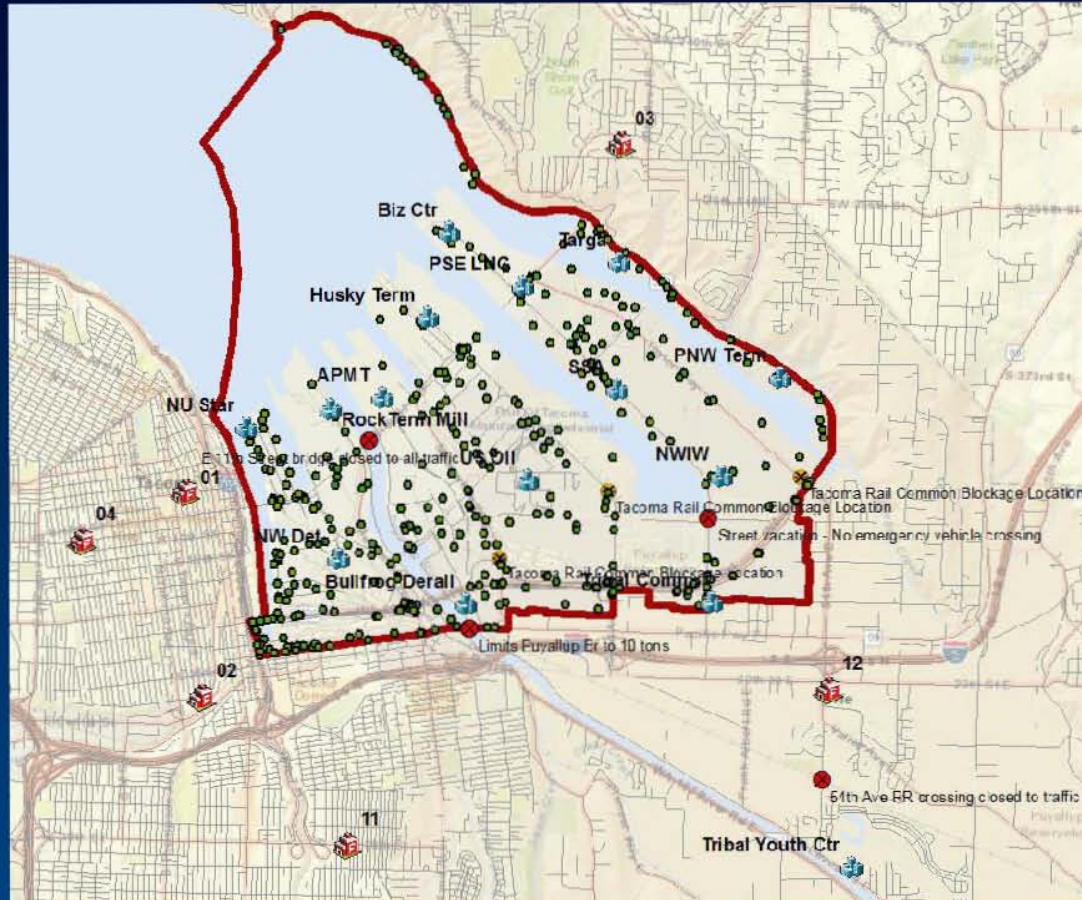

# Funding Partners

- Port of Tacoma
- City of Tacoma
- Puyallup Tribe
- Tideflat Businesses
  - Puget Sound Energy
  - TARGA
  - U.S. Oil & Refining
- Tacoma Rail

# Tideflats Study Area

# Next Steps

- Draft report will be reviewed by Stakeholders in late June
- Completed report will be presented to Council, Port Commissioners and public in the Fall 2015
- Study will apprise future planning efforts
