SUMMARY:

At the 2019 Council Strategic Planning Work Session, Council identified a list of policy priorities for the year. The items were categorized by policy topic and assigned to the Council Committee that covered the policy's scope of work. Since the Strategic Planning Work Session, Economic Development Committee (EDC) members have requested additional topics be brought to committee and Community and Economic Development Department (CEDD) staff have also identified additional presentations that may be valuable for Committee members.

At the July 10, 2019, Special EDC meeting, EDC members clarified intent of policy topics. At this meeting EDC members will begin to prioritize and determine the order in which all of the pending topics for consideration will be prioritized for scheduling.

BACKGROUND:

Included with this memo is a document with the full list of identified EDC policies from the Council Strategic Planning Work Session and other pending items to be scheduled at EDC.

ISSUE:

EDC needs to determine which of their identified priorities are scheduled in the remaining 9 EDC meetings of 2019.

ALTERNATIVES:

There are no alternatives presented.

FISCAL IMPACT:

There is no fiscal impact.

RECOMMENDATION:

To review the 2019 City Council Retreat policy topics within the scope of EDC, as well as other pending presentation topics, and determine which items should be scheduled first, scheduled as time allows, and put in a queue to be considered at a later time.
