

WEEKLY REPORT TO THE CITY COUNCIL

July 25, 2019

Members of the City Council
City of Tacoma, Washington

Dear Mayor and Council Members:

ITEMS OF INTEREST

1. Police Chief Don Ramsdell provides the attached **2019 Fireworks After Action Report**. Police's plan this year was a coordinated effort of education and enforcement with Tacoma Fire, Puyallup Tribal Police and South Sound 911 from June 28th through July 7th. Police will continue to evaluate the Fireworks Enforcement Strategy/Plan and related outcomes for next year's Fireworks Enforcement Initiative.

STUDY SESSION/WORK SESSION

2. The **City Council Study Session** of Tuesday, July 30, 2019, will be held in Room 16 of the Tacoma Municipal Building North, at Noon. Discussion items will include: (1) **Disparity Study, Priority Hire and Initiative-1000 Update**; (2) **Affordable Housing Action Strategy Plan**; (3) **Other Items of Interest**; (4) **Committee Reports**; and, (5) **Agenda Review and City Manager's Weekly Report**.

At Tuesday's Study Session, the City Council will receive a **presentation on City staff's review and recommendations related to the City's disparity study findings, the advisory committee recommendations and priority hiring, and the impacts of I-1000 on City Public Works projects.**

As our second topic at Tuesday's Study Session, staff will provide a quarterly **update on implementation of the Affordable Housing Action Strategy (AHAS) and actions taken by each of the 12 tactical action teams.** Council will also be provided information in preparation for deeper discussions at upcoming Committee of Whole meetings on the Multi-family Property Tax Exemption, Affordable Housing Trust Fund and other actions.

3. The updated **Tentative City Council Forecast** and **Consolidated Standing Committee Calendars** are attached for your information.

COUNCIL AGENDA

4. On Tuesday's Council Agenda is **Resolution No. 40382 to accept 13 grants** from the Washington State Department of Transportation, Puget Sound Regional Council, the Highway Safety Improvement Program, and Washington Traffic Safety Commission, in the total amount of \$9,248,997. Public Works provides the attached summary of the projects and the Council Districts they are in. The projects include rehabilitating roadways, pedestrian and bicycle facilities, trails, bikeways, and pedestrian railroad crossings.
5. Also on the Council agenda is **Resolution No. 40388 and Ordinance 28599 related to Washington State Substitute House Bill 1406**. As you will recall from the June 25th Study Session presentation, in order for the City to participate in the retail tax and use tax revenue sharing program for affordable and supportive housing, a resolution must be adopted expressing the City's intent to authorize the maximum capacity of the tax and an ordinance approved to declare an emergency and amend Tacoma Municipal Code 6A.70 to authorize the tax beginning September 1, 2019.

This program provides up to 0.0146% in local sales and use tax credited against the state sales tax for housing investments and does not increase the sales tax for the consumer. The tax revenue sharing will be in place for up to 20 years and can be used for acquiring, rehabilitating or constructing affordable housing; operations and maintenance of new affordable or supportive housing facilities; and, for smaller cities, rental assistance. The funding must be spent on projects that serve persons whose income is at or below sixty percent of the area median.

MARK YOUR CALENDARS

6. You have been invited to the following events:
 - **Tacoma Maritime Fest on Saturday, July 27th through Sunday, July 28th**, at 705 Dock Street.

SUBJECT: 2019 FIREWORKS AFTER ACTION REPORT

The Tacoma Police Fireworks Plan was a coordinated effort of education and enforcement between Tacoma Police, Tacoma Fire, Puyallup Tribal Police and South Sound 911. - Fireworks Safety Awareness Letters were distributed to residents where fireworks violations appeared to have occurred. These letters addressed the laws prohibiting fireworks as well as fireworks safety issues. The addresses were then documented as an educational/safety concern contact.

INCIDENTS

- There were no significant fires or incidents related to fireworks during the emphasis period.
