

HUMAN HABITATION OF VEHICLES IS **RESTRICTED** IN TACOMA

According to TMC 11.05.231, a vehicle used for human habitation on public property must be moved one or more miles every 72-hours within the City of Tacoma. Human habitation includes sleeping, setting up sleeping materials in a manner as to be used for sleeping, engaging in housekeeping or cooking activities, storing personal possessions in a manner that obscures the vehicles windows, and using sanitation, plumbing or electrical equipment in a manner inconsistent with any chapter of the Tacoma Municipal Code.
